COMMENTS:

I am a volunteer at the local YWCA, volunteer at the University of Montana Women's Center, was privileged to direct the University's production of the 'Virginia Monologues', and a Sunday School teacher at St. Paul's Lutheran Church. I graduate this May, and in doing so I will be off my parent's insurance. I am in strong support of this bill because when I do go to try to find my own insurance (when + if I can even afford it) I sincerely hope that my rights as a 23-year old female in this state are recognized and common sense legislation such as this is passed.

COMMENTS:

I as a Montana male strongly support contraceptive coverage. I know several young ladies of diverse economic, social, and religious who can not afford contraceptive because ~~of~~ ^{their} insurance coverage does not cover ~~a~~ contraceptives for their intended purpose.

Instead they ^{contraceptive} must be issued for "other" reasons ~~such as~~ such as ~~an~~ acne or weight control.

Or they must be a burden on other entities such as Planned Parenthood.

I don't believe it is fair to make doctors/young women ~~to~~ invent "legitimate" reasons for contraceptives when covering contraceptives is ~~the~~ the right thing to do ~~to~~ ~~make~~ to make ~~the~~ insurance coverage more fair to ~~our~~ ~~Montana~~ Montana women.
