INTERNATIONAL TRADITIONAL GAMES SOCIETY

To All Our Friends and Relatives:

The Traditional Games Society is proud to announce our partnership with this national signature Lewis & Clark event in Great Falls, Montana this coming summer.

Our Board of Directors (culture teachers of many northwest tribes) asked that the tribal events be an honoring of 200 years of survival of our traditions and our people.

Each tribe has its own history, its stories of survival, and its traditional games. We invite you to bring the best of those to our events. A place will be made for your event, exhibit, or story.
