Vote For HB620

E-mail samdr@sammt.org**House of Representatives**Legislator**REP. KATHLEEN GALVIN-HALCRO**Seat No. 90

Representative Galvin-Halcro,

As I will likely be unable to attend all of this afternoon's House Education Committee, I will submit to you and your fellow committee members the support or opposition to several bills being heard.

For the record, I represent the School Administrators of Montana and am offering this testimony on the association's behalf.

This bill would help school districts insure that a highly qualified teacher is in front of every Montana classroom earlier in the school year.

I urge your support for HB620!

Feel free to contact me with questions about this on-line "testimony"!
