

Amendments to Senate Bill No. 499
3rd Reading Copy

Requested by Representative Tom Facey

For the House Human Services Committee

Prepared by Connie Erickson
April 11, 2005 (2:36pm)

1. Page 1.

Following: line 10

Insert: "NEW SECTION. **Section 1. Legislative intent.** It is the intent of the legislature that the department of public health and human services, within the resources appropriated in the 59th legislature, study the state of mental health crisis services in the communities with representation from all of the stakeholders, including but not limited to consumers and family members of consumers, county governing bodies, hospitals, community mental health centers, licensed mental health centers, mental health professionals, advocates, local advisory councils, and service area authorities, with the distinct purpose of developing recommendations for the 60th legislature. The department is requested to report regularly to the children, families, health, and human services interim committee on its progress, to cooperate with any related interim studies, and to make a final recommendation to the committee by September 15, 2006."
