**The following exhibit is several assorted documents that exceeds the 10-page limit therefore it cannot be scanned. A small portion has been scanned to aid in your research for information. The exhibit is on file at the Montana Historical Society and can be viewed there.**

## Montana Historical Society

### Recent Services Provided in Cascade County

#### Research Center Services

- The Research Center staff responded to numerous genealogical and photographic research requests to residents of Cascade County on-site, as well as by mail, email and telephone. This included walk-in visits by 136 patrons from Cascade County (2002-2004).
- Provided research and supplied information to residents of Cascade County. For example: Records at Risk pamphlet preservation of historical records; information regarding Montana motto for Lewis & Clark Interpretive Center; research on Montana mining, specifically Ming's Bar; information regarding construction of the Vaughn mercantile; research using naturalization records for Cascade County; map research for citizen of Simms; map research on Montana battlefields; Great Falls newspaper research; Cascade County brand research; research regarding Lone Pine rapids on the Missouri River; information regarding Mary Fields and St. Peter's Mission; research for Lewis & Clark Interpretive Center regarding "stone cross" in Lewis & Clark pass; legislative history; assisted with legal research and in the preparation of a variety of bills for the legislature.
- Assisted staff at the Cascade County Historical Society and the archives of the Catholic Diocese of Great Falls in cataloging and making their archival collections available on a nation-wide, internet accessible database.
- Assisted local government agencies with requests regarding permanent records (8 consultations between 2002-2004); provided issues of *The Montana Archivist* to local historical societies.
- Conducted oral history interviews with five Cascade County war brides for a state-wide oral history project.
- Awarded regrant funding to Cascade County Historical Society (\$5,000) and Diocese of Great Falls/Billings (\$880) from a State Historical Records Advisory Board grant.
- Assisted staff from Cascade County Historical Society to formulate cataloging methods and collection management techniques for their photograph collection.
- Assisted PPL personnel in finding fragile glass negatives of early hydroelectric dams for the visitor center at Black Eagle dam in Great Falls.
- Provided historic photos for Cascade County Preservation Office fundraiser play.

#### Museum Services

- Reference requests: 37 individuals, organizations, institutions or businesses were served. For example: information on C. M. Russell for an individual; information on barbed wire; information on the Gallery of Outstanding Montanans for Great Falls Tribune; information on Bud Mackay, Russell collector, CMR Museum; information on museum policies, Montana Law Enforcement Museum.
- Public programs: 113 people attended programs, including a National Register of Historic Places workshop.
- Tour groups: 875 students on school tours, and 1,150 others (Elderhostel)—on group tours.
- Footlockers, videos, slide programs: 632 people used these outreach resources.
- Traveling Exhibits: *Hope in Hard Times* served over 500 people in Great Falls and High Plains.

- Loans and donations: Lent to the CMR Gallery (Mint Back Bar) in Great Falls. Four donors from Cascade County donated 24 objects to the permanent collection, including a WWII WASP uniform.

#### Montana Heritage Project Services (fully-funded by a private foundation)

##### Simms High School:

- Directed \$3,000 in private grant funds to each school to assist with travel, equipment, and materials to conduct community research and analysis including oral histories.
- Directed \$1,500 in private grant funds to the high school libraries in each school to add hard copy reference books to the collection.
- Provided a series of training events for grant-funded teachers and librarians in each school including a week-long Summer Institute and a two-day winter summit meeting.
- Made on-site visits to provide training on topics including oral interviewing skills and website creation, at the request of the teachers.
- Provided technical support as requested by phone and the Internet.
- Hosted a two-day Youth Heritage Festival to which teachers in these schools (and their counterparts around the state) bring young people to present their findings to each other, the state, and the private foundation.

##### Centerville High School/Great Falls Central Catholic High School:

- Directed \$1,500 in private grant funds to each school (these are both first-year schools in the Project) to assist with travel, equipment, and materials to conduct community research and analysis including oral histories.
- Directed \$1,500 in private grant funds to the high school libraries in each school to add hard copy reference books to the collection.
- Provided a day of introductory training to Project work during the summer and access to the two-day winter summit.
- Provided limited on-site training on topics such as oral history interviewing, on request.
- Provided technical support as requested by phone and Internet.
- Invited teachers to the Youth Heritage Festival to observe presentations from schools who have participated in the Project for several years.

#### Educational/Interpretive Services

- Free public presentation at the Cascade County Museum.
- Provided assistance with Lewis and Clark signage.
- Produced free interpretive brochure on the National Historic Landmarks relating to Lewis and Clark including the Great Falls Portage in Cascade County.

#### History Talks

- Two Montana-history talks to the general public at the Lewis and Clark Interpretive Center (Great Falls) and the High Plains Heritage Museum (Great Falls), 2003 and 2004 respectively.

## Historic Preservation Services

- The State Antiquities Database currently contains records for 929 historic and/or archaeological sites and 353 cultural resource inventory reports for Cascade County.
- Most recent Cascade County property listed in the National Register of Historic Places: Great Falls Central Business District with 99 contributing buildings (August 19, 2004).
- In addition to 37 properties in Cascade County listed in the National Register of Historic Places (see below), 155 additional historic properties and 7 archaeological sites have been determined to be eligible for listing in consultation with the Montana Historical Society State Historic Preservation Office.
- SHPO administered and supported (\$5,500 annual grant) Great Falls/Cascade County Certified Local Government program: Ellen Sievert, Local Preservation Officer.
- Ken and Ellen Sievert: 2003 Biennial Historic Preservation Award recipients.
- 2001-2002 Great Falls Downtown Historic District Survey (\$14,500 survey grant).
- Support of 2004 Historic Preservation Week activities in Great Falls (\$1,000 planning grant).
- Co-sponsor: *The Economic Power of Preservation* workshop, May 15, 2002.
- Technical assistance and review of federal rehabilitation Tax Act credit projects for the Minneapolis Steel & Machinery Company, Russell Building, Charlie Russell Manor and N.E.W. Bon Building.
- Standing ex-officio board member in review of 10<sup>th</sup> Street Bridge Rehabilitation Committee.
- Work regularly with and advise non-profit Preservation Cascade.
- Key participant in development of Ulm Pishkun State Park Visitor Center.
- Review, comment, and concurrence in Community Transportation Enhancement Program (CTEP) funding of renovations of the Old Jail and the Children's Museum.
- Review and guidance for numerous HUD-CDBG and USDA/Rural Development low income and senior citizen historic home rehabilitation projects in Great Falls.
- Review and guidance for joint Fish, Wildlife & Parks and National Park Service project at Morony Dam building.
- Consult regularly with Lewis & Clark National Forest, the Bureau of Land Management Great Falls Field Office, and Malstrom Air Force Base under the National Historic Preservation Act of 1966, as amended.
- The Montana Heritage Project, an educational effort funded by the Liz Claiborne Art Ortenberg Foundation and hosted by the Society, helps Simms High School students conduct primary source research into the heritage of the Sun River, Fairfield, Ft. Shaw, Simms, and Vaughn area and present the result of their efforts back to those communities. One of a dozen schools selected in Montana for this Project, Simms High School students have received national attention for the depth and breath of their research.

## Montana Historical Society Recent Services Provided in Flathead County

### Research Center Services

- The Research Center provided general genealogy and photographic research to Flathead County residents in person and by telephone, mail, and email. This included walk-in visits by 87 patrons from Flathead County (2002-2004).
- Provided issues of *The Montana Archivist* to local historical societies.
- Received donations of two collections of archival material and 16 published items from residents of Flathead County.
- Provided outreach to over 600 attendees of the WASHTO regional conference (over 600 attendees) hosted by the Montana Department of Transportation in Kalispell and over 150 attendees of the Montana History Conference in Whitefish, October 2004.
- Provided consultations for two groups regarding historic local government records.

### Museum Services

- Reference requests: 19 individuals, organizations, institutions or businesses were served. For example: information on relative humidity requirements for museums for the Hockaday Museum of Art, Kalispell; information on C. M. Russell prints for two individuals; information on Lewis and Clark art for an individual; information on artist Elizabeth Lochrie for Art Gallery, Big Fork; inquiry about artifacts related to State Sen. Wm. Brennan, Kalispell Daily Interlake; information on museum collections management to the Central School Museum.
- Public programs: 332 people attended programs, including those held at the 31<sup>st</sup> Annual Montana History Conference in Whitefish (2004) and the Museums Association of Montana annual meeting in Kalispell (2001).
- Tour groups: 2,254 students on school tours.
- Footlockers, videos, slide programs: 232 people used these outreach resources.
- Traveling Exhibits: Served over 2,000 people with *A Capital Capitol*; *F. Jay Haynes Fifty Views*; *Documenting the Corps of Discover*; and *Hope in Hard Times* at the Flathead Valley Community College.
- Loans and donations: Lent to the Hockaday Art Museum on two occasions, loaning 28 pieces of art for two exhibits; eight donors from Flathead County donated 140 objects to the permanent collection, including a Monarch cookstove and a beaded pouch that belonged to Granville Stuart.

### Montana Heritage Project Services (fully-funded by a private foundation)

#### Bigfork High School/Whitefish High School:

- Directed \$3,000 in private grant funds to each school to assist with travel, equipment, and materials to conduct community research and analysis including oral histories.
- Directed \$1,500 in private grant funds to the high school libraries in each school to add hard copy reference books to the collection.
- Provided a series of training events for grant-funded teachers and librarians in each school including a week-long Summer Institute and a two-day winter summit meeting.

- Made on-site visits to provide training on topics including oral interviewing skills and website creation, at the request of the teachers.
- Provided technical support as requested by phone and the Internet.
- Hosted a two-day Youth Heritage Festival to which teachers in these schools (and their counterparts around the state) bring young people to present their findings to each other, the state, and the private foundation.

### History Talks

- Two Montana-history talks to the general public at the Flathead County Library (Kalispell) and at Flathead Valley Community College (Kalispell), 2002 and 2003.

### Historic Preservation Services

- The State Antiquities Database currently contains records for 875 historic and/or archaeological sites and 844 cultural resource reports for Flathead County.
- Most recent Flathead County property listed in the National Register of Historic Places: Brewery Saloon, 120 Main Street, Kalispell (addendum to Kalispell Main Street Commercial Historic District, February 5, 2004).
- In addition to 130 properties and districts in Flathead County listed in the National Register of Historic Places (see below), 62 additional historic and 10 archaeological sites have been determined to be eligible for listing in consultation with the Montana Historical Society State Historic Preservation Office.
- Tim Light (Archaeologist, Kalispell) appointed member of State Historic Preservation Review Board (2004-2008).
- Consult regularly with Glacier National Park, Flathead National Forest, and other federal agencies for projects in Flathead County under the National Historic Preservation Act of 1966, as amended.
- Participated in Glacier National Park *State of the Parks Workshop*, 2000-2001.
- Provide review and technical assistance to Kalispell for HUD/Community Development Block Grant and USDA/Rural Development program funding for low income and senior citizen historic housing rehabilitations.
- Participated in Passport-in-Time cabin restoration projects on the Flathead National Forest (2003-2004).
- Supported survey and nomination of Kalispell Historic Districts to the National Register of Historic Places.
- File and staff support to *A Guide to Historic Kalispell, Montana Mainstreets, Volume 5* by Kathryn L. McKay (2000).
- Provided county officials with technical support and information regarding preservation of the Flathead County Courthouse in Kalispell.
- Reviewed and helped plan Bureau of Reclamation projects on Hungry Horse Reservoir, including shoreline archaeological survey and historic dam rehabilitation.
- Work cooperatively with the Confederated Salish-Kootenai Tribal Historic Preservation Office (CSKT THPO) for projects on and around Flathead Lake.
- Provided assistance and guidance to Whitefish Depot and Swan River Community Hall local preservation groups.
