**Special Education Inflationary Adjustment Increase
Testimony Prepared for the Joint Appropriations Subcommittee on
Education
January 19, 2005
Bob Runkel**

Madam Chair, members of the committee, for your record my name is Bob Runkel, Director of Special Education for the Office of Public Instruction.

This presentation will cover Decision Package 6 found on page E-22.

This decision package reflects the same inflationary adjustment for special education as is provided for in the basic and per ANB entitlements.

This general fund increase totals \$2.8 million for the biennium.
