HONORABLE LEGISLATORS;

SEN.DAN WEINBERG

MADAM CHAIRMAN AND COMMITTEE MEMBERS.

My name is Dick Wall. I live here in Helena and my 95 year old mother is doing well and comfortable in a Assisted Care Home here but has recovered from 2 broken hips, broken pelvis, broken wrist and face surgery and needs a little assistance. She has very good income and no assets and is unable to completely pay for her care now. The devastation of moving to Cooney Home for instance (at \$3,500 per month as opposed to her \$2,300 per month), I am afraid would kill her. I plead for your consideration in making more Medicaid Waiver Slots available. Sincerely, Dick Wall ph. (406)458-6389
