

Madam Chair and the members of the Committee,
My name is Trenny Brown. I am a 52 year old man who suffers from a Traumatic Brain Injury and Diabetes. For the last 8 years I have lived in Missoula in a Group Home for adults with disabilities.

I work at the vocational center at ORI 5 days a week. In my spare time I like to sing in choir, go to New Directions, play bingo, go bowling, and go to movies.

My goal in life is to move back out on my own. Only through continued support from you folks could I ~~e~~ ever accomplish my goal.

Please don't forget about me and my goal. Thank you for your time, your consideration, and your kindness!

Sincerely,
Trenny Brown
