TO: Long Range Building Subcommittee

ATTN: Rep. Jack Wells, Chairman

FROM: Rep. Dave Wanzenried *DW*

SUBJECT: Funding request for Spring Meadow Water District

Please accept this as my support for funding the Spring Meadow Water District project with Treasure State Endowment monies at the level set by the Montana Department of Commerce.

This is a very worthwhile project in need of state assistance because of a mix of rapid population growth and unique soil conditions.

I would be please to provide additional documentation at your request.
