Fiscal Analysis

ASSUMPTIONS:

- The Department of Labor and Industry has no means to accurately determine the impact of HB 718 on workload. The department assumes it will absorb any increased costs. *- should create a significant savings to the state*

TECHNICAL NOTES:

- 24.11.452A(4)(c), ARM, specifies the same or similar requirements to Section 1 (a) and (b).
- The catchphrase in Section 1 includes the word "union-attached", although nothing in the text of Section 1 mentions workers who are attached to or affiliated with a [labor] union. *dropping error; amend out "union attached."*
