HB COMMITTEE BILL

By Request of the House Local Government Standing Committee

A Bill for an Act entitled: "An Act providing a legislative finding that it is within a local government's authority to enter into an employment contract with certain conditions for reimbursement of training expenses; and repealing section 7-32-4139, MCA."

WHEREAS, in 1999, the Legislature passed Chapter 337 providing for reimbursement of training expenses for a police officer to a city or town if the officer leaves employment within 36 months of service; and

WHEREAS, in the 2005 Legislative session, the same protection for counties regarding the training costs of deputy sheriffs is being sought; and

WHEREAS, the House Standing Committee on Local Government seeks to make a finding that the ability to make these provisions in any employment contract is within the contract authority granted to local governments and statutory authorization is unnecessary.

Be it enacted by the Legislature of the State of Montana:

NEW SECTION. Section 1. Finding -- contract authority. (1)
