Insert: "Section 3. Section 61-5-107, MCA, is amended to read:
"61-5-107. Application for license, instruction permit, or motorcycle endorsement. (1) Each application for an instruction permit, driver's license, commercial driver's license, or motorcycle endorsement must be made upon a form furnished by the department. Each application must be accompanied by the proper fee, and payment of the fee entitles the applicant to not more than three attempts to pass the examination within a period of 6 months from the date of application. A voter registration form for mail registration as prescribed by the secretary of state must be attached to each driver's license application. If the applicant wishes to register to vote, the department shall accept the registration and forward the form to the election administrator.

(2) Each application must include the full legal name, date

of birth, sex, residence address of the applicant [and the applicant's social security number], must include a brief description of the applicant, and must provide the following additional information:

(a) the name of each jurisdiction in which the applicant has previously been licensed to drive any type of motor vehicle during the 10-year period immediately preceding the date of the application;

(b) a certification from the applicant that the applicant is not currently subject to a suspension, revocation, disqualification, or withdrawal of a previously issued driver's license or any driving privileges in another jurisdiction and that the applicant does not have a driver's license from another jurisdiction;

(c) a brief description of any physical or mental disability, limitation, or condition that impairs or may impair the applicant's ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle on the highway; and

(d) a brief description of any adaptive equipment or operational restrictions that the applicant relies upon or intends to rely upon to attain the ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle on the highway, including the nature of the equipment or restrictions; and

(e) if the applicant is a foreign national whose presence in the United States is temporarily authorized under federal law, the expiration date of the official document issued to the applicant by the bureau of citizenship and immigration services of the department of homeland security authorizing the applicant's presence in the United States.

[(3) The department shall keep the applicant's social security number from this source confidential, except that the number may be used for purposes of subtitle VI of Title 49 of the U.S.C. or as otherwise permitted by state law administered by the department and may be provided to the department of public health and human services for use in administering Title IV-D of the Social Security Act.]

(4) (a) When an application is received from an applicant who is not ineligible for licensure under 61-5-105 and who was previously licensed by another jurisdiction, the department shall request a copy of the applicant's driving record from each jurisdiction in which the applicant was licensed in the preceding 10-year period. The driving record may be transmitted manually or by electronic medium.

(b) When received, the driving records must be appended to the driver's record created and maintained in this state. The department may rely on information contained in driving records received under this section to determine the appropriate action to be taken against the applicant upon subsequent receipt of a

report of a conviction or other conduct requiring suspension or revocation of a driver's license under state law. (Bracketed language terminates on occurrence of contingency--sec. 1, Ch. 27, L. 1999.)"

"61-5-111. Contents of a driver's license, renewal, renewal by mail, license expirations, grace period, and fees for licenses, permits, and endorsements -- notice of expiration. (1)

The department may appoint county treasurers and other qualified officers to act as its agents for the sale of driver's licenses receipts. The department shall adopt necessary rules governing sales. In areas in which the department provides driver licensing services 3 days or more a week, the department is responsible for sale of receipts and may appoint an agent to sell receipts.

(2) (a) The department, upon receipt of payment of the fees specified in this section, shall issue a driver's license to each qualifying applicant. The license must contain:

(i) a full-face photograph of the licensee in the size and form prescribed by the department;

(ii) a distinguishing number issued to the licensee;

(iii) the full legal name, date of birth, Montana mailing address, and a brief description of the licensee; and

(iv) either the licensee's customary signature or a digital reproduction of the licensee's customary signature.

(b) The department may not use the licensee's social security number as the distinguishing number unless the licensee expressly authorizes the use. A license is not valid until it is signed by the licensee.

(3) (a) When a person applies for renewal of a driver's license, the department shall conduct a records check in accordance with 61-5-110(1) to determine the applicant's eligibility status and shall test the applicant's eyesight. The department may also require the applicant to submit to a knowledge and skills test if:

(i) the renewal applicant has a physical or mental disability, limitation, or condition that impairs, or may impair, the applicant's ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle on the highway; and

(ii) the expired or expiring license does not include adaptive equipment or operational restrictions appropriate to the applicant's functional abilities; or

(iii) the applicant wants to remove or modify the restrictions stated on the expired or expiring license.

(b) In the case of a commercial driver's license, the department shall, if the information was not provided in a prior licensing cycle, require the renewal applicant to provide the name of each jurisdiction in which the applicant was previously

licensed to drive any type of motor vehicle during the 10-year period immediately preceding the date of the renewal application and may also require that the applicant successfully complete a written examination as required by federal regulations.

(c) A person is considered to have applied for renewal of a Montana driver's license if the application is made within 6 months before or 3 months after the expiration of the person's license. Except as provided in subsection (3)(d), a person seeking to renew a driver's license shall appear in person at a Montana driver's examination station.

(d) (i) Except as provided in subsections (3)(d)(iv) through (3)(d)(vi), a person may renew a driver's license by mail if the person certifies that the person is temporarily out of state and will not be returning to the state prior to the expiration of the license.

(ii) An applicant who renews a driver's license by mail shall submit to the department an approved vision examination and a medical evaluation from a licensed physician in addition to the fees required for renewal.

(iii) If the department does not have a digitized photograph or signature record of the renewal applicant from the expiring license, then the department may require the renewal applicant to submit a personal photograph and signature that meets the requirements prescribed by the department.

(iv) The term of a license renewed by mail is 4 years, and a person may not renew by mail for consecutive license terms.

(v) The department may not renew a license by mail if the records check conducted in accordance with 61-5-110(1) shows an ineligible license status for the applicant.

(vi) If a license was issued to a foreign national whose presence in the United States is temporarily authorized under federal law, the license may not be renewed by mail.

(e) The department shall mail a driver's license renewal notice no earlier than 60 days and no later than 30 days prior to the expiration date of a driver's license. The department shall mail the notice to the Montana mailing address shown on the driver's license unless the licensee has submitted a change of address as required by 61-5-115.

(4) (a) Except as provided in subsections (4)(b), and (4)(c), and (4)(d), a license expires on the anniversary of the licensee's birthday 8 years or less after the date of issue or on the licensee's 75th birthday, whichever occurs first.

(b) A license issued to a person who is 75 years of age or older expires on the anniversary of the licensee's birthday 4 years or less after the date of issue.

(c) A license issued to a person who is under 21 years of age expires on the licensee's 21st birthday.

(d) A license issued to a person who is a foreign national whose presence in the United States is temporarily authorized under federal law expires, as determined by the department, on

either:

(i) the expiration date of the official document issued to the person by the bureau of citizenship and immigration services of the department of homeland security authorizing the person's presence in the United States; or

(ii) on the person's birthday immediately preceding the expiration date of the official document.

(5) Whenever the department issues an original license to a person under the age of 18 years, the license must be designated and clearly marked as a "provisional license". Any license designated and marked as provisional may be suspended by the department for a period of not more than 12 months when its records disclose that the licensee, subsequent to the issuance of the license, has been guilty of careless or negligent driving.

(6) Fees for driver's licenses are:

(a) driver's license, except a commercial driver's license -- \$5 a year or fraction of a year;

(b) motorcycle endorsement -- 50 cents a year or fraction of a year;

(c) commercial driver's license:

(i) interstate -- \$5 a year or fraction of a year;

(ii) intrastate -- \$3.50 a year or fraction of a year;

(d) renewal notice -- 50 cents.

(7) Upon receipt of notice from another jurisdiction that a person licensed under this chapter has surrendered a Montana driver's license to that jurisdiction, the department shall change the license status on the person's official driver record to "inactive". If the person returns to Montana prior to the expiration of the previously surrendered license, the department may reactivate the license for the remainder of the license term."
