NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Montana Legislature strongly supports prompt enactment of a well-funded, multiyear federal highway program that includes a highway funding formula that is at least as favorable to Montana's share of the program as the formula in the most recent multiyear federal highway legislation.

BE IT FURTHER RESOLVED, that the Montana Legislature believes that the granting of authority to toll Interstate highways is not an acceptable substitute for funding from traditional highway user fees, and that the Legislature therefore opposes the imposition of tolls on existing lanes of the Interstate Highway System.

BE IT FURTHER RESOLVED, that copies of this resolution be sent by the Secretary of State to the Montana Congressional Delegation.
