WELCOME TO A VERY SPECIAL PLACE

Montana's nickname is Big Sky Country. But we're more than big skies—we're a land of big adventure. Wildlife abounds on millions of acres of public lands. Crystal clear waters, inspiring mountains and plains of green fill our landscape. Unique cities offer art, history, culture and other interesting attractions. And everywhere, some 900,000 smiling faces are waiting to greet you. Welcome to Montana, and enjoy your stay.
