Dear Committee members,

I am writing in regards to the proposed amendment 16-3-241 of MCA. The current statute is not enforced and is out of step with modern business practices.

We at Big Sky Brewing Co. are ardent supporters of free market competition. The proposed changes to 16-3-241 better reflects today's market place by allowing wholesalers and suppliers to effectively address the needs of our clients and consumers.

The easing of these regulations would facilitate creativity and growth throughout our industry, which is cause for us to lend our full support to Senate Bill 325.

Sincerely,

Bjorn Nabozney
Co-Founder, Big Sky Brewing Company
