Chairman Cocchiarella, and Members of the Committee:

For the record, I am Aubyn Curtiss, Senate District 1.

I stand in strong support of HB 628. The presence of this facility is strongly supported by all segments of our community as well. The services that it provides not only are enhancing and changing the lives of the young people and their families who are their clients, but its presence in the community and employment of enthusiastic workers provides needed and welcome economic benefits, as well.

The administrators of the program are well respected by all, and their working in close cooperation with our school system, provides mutual benefits. I urge your "do concur" vote.
