

TESTIMONY

ON SB 371

BY GARY WIENS
ON BEHALF OF MONTANA ELECTRIC COOPERATIVES' ASSOCIATION
BEFORE THE SENATE
ENERGY AND TELECOMMUNICATIONS COMMITTEE

February 8, 2005

Mr. Chairman, Members of the Committee, for the record, my name is Gary Wiens representing Montana Electric Cooperatives' Association.

For the same reasons as previously testified, we will also oppose SB 371.

Doug Hardy, manager of Park Electric Cooperative and representing Montana Electric Cooperatives' Association, will address specific reasons different from the other bills on why we oppose this legislation.

Thank you for the opportunity to present these comments.
