|--|---------------------------------------|
| <b>Strike:</b> " <u>183,809,559</u> <u>196,223,153</u> " | [federal special fund<br>FY06 & FY07] |
| <b>Insert:</b> "187,809,559    202,223,153"              | [federal special fund<br>FY06 & FY07] |

Explanation - This amendment impacts the Human and Community Services Division of the Department of Public Health and Human Services. The amendment increases federal funding for food stamp benefits by \$10 million (\$4 million in FY06 and \$6 million in FY07). The Office and Budget and Program Planning indicated that this increase is requested because caseload growth has exceeded projected levels.
