Explanation - This amendment impacts the Human and Community Services Division of the Department of Public Health and Human Services. The amendment reduces line item funding for low-income energy assistance by \$500,000 per year. Combined with amendment 226.apg that was approved on March 30, 2005 funding in the line item for low income energy assistance is decreased from \$2 million to \$500,000 per year, a reduction of \$1,500,000 million per year (\$3 million for the biennium). The base funding for low-income energy assistance is included in the main line for the division.
