Following: line 5**Insert:** "If Senate Bill No. 146 is passed and approved, Computer Purchases is reduced by \$3,819 in general fund money in fiscal year 2006."

Explanation - This amendment completes action begun by amendment HB000254.ahf that moved funding from the Appellate Defender, Judiciary, and the Department of Corrections to a new Office of State Public Defender. Amendment HB000254.ahf missed removing funding on a separate line item for computer purchases. This amendment would add contingency language that would remove the funding for computer purchases in the Appellate Defender if SB 146 is passed and approved.
