- 1. Page B-6, line 1.
Strike: "2,414,135" [federal special fund FY06]
Insert: "2,112,368" [federal special fund FY06]

- 2. Page B-6, line 2.
Strike: "750,000" [state special funds FY06]
Insert: "875,000" [state special fund FY06]

Explanation - This amendment corrects funding for the children's mental health direct care worker wage increase. The state special revenue appropriation should have been reduced by 1/8 instead of 1/4 and the federal funds should also be reduced 1/8 due to delayed implementation (10/1 implementation instead of 7/1).
