1. Page C-16, line 12:

Strike: "1,400,000" "1,400,000" [general fund FY 06 and FY 07]

Insert: "1,000,000" "1,000,000" [general fund FY 06 and FY 07]

Explanation - This amendment will reduce general fund by \$400,000 each year of the biennium in the Worker Training Program of the Department of Commerce. The Worker Training Program was established last session under HB 564 and was funded with the INTERCAP loan program. The legislature auditor questioned the usage of the loan program and the Board of Investments never issued the bonds for the program. The executive requested to continue the program in the 2007 biennium and fund the program with general fund. (Reference DP 111 on page C-101 of the narrative.)
