

Sen. Bill 194

Introduced by Liabe

SENATE HIGHWAYS

EXHIBIT NO. 1

DATE 1-18-05

BILL NO. SB 194

1-18-05

Montana trail Vehicle Riders Association Stands in support of this Bill, but with a few minor changes needed.

Section 1: (4) There needs to be a method to provide a phase in period to be enacted, as there is a huge undertaking here, and it is going to take time to do so.

Section 2: Line (1) states Streets and Highways, but line (2) says only Highways. This needs to be consistent.

Line (3) This should only pertain to Public lands and Roads. And not private lands, also.

End.
