For the Senate Public Health, Welfare and Safety Committee

Prepared by Susan Byorth Fox
April 4, 2005 (10:32am)

1. Page 1, line 25.

Following: "subsection (1) if"**Insert:** ":

(a) "

2. Page 1, line 27.

Following: "signature"**Insert:** "; or

(b) a medical practitioner or an emergency services provider, such as a poison control center or a 9-1-1 responder, verbally directs the employee, owner, or operator of the day-care facility attending to the child to immediately administer a medication to the child. An employee, owner, or operator of the day-care facility who has administered medication pursuant to this subsection (2)(b) is not subject to prosecution under this section if the child is subsequently transported to a health care facility or a health care provider within a reasonable period of time by the parents, by an employee, owner, or operator of the day-care facility, or by medical or emergency response personnel"
