SENATE STATE ADMIN.

EXHIBIT NO. 4

DATE 2.8.05

BILL NO. SB 88

Honorable Senator Carolyn Squires
State Administration Committee
State Capitol
Helena, MT

Re: Written Testimony

Dear Senator Squires:

I am unable to travel to Helena to attend the hearing on SB 88. I would like the record to indicate that I am a proponent of Senate Bill 88 with the amendments. This bill will make it easier for our homebound and elderly voters to receive an absentee ballot. The amendments ensure that ballots are being mailed to correct addresses.

Also, I would to thank you for your willingness to amend the bill so that it benefits the voters and can be administered by the Election Administrators.

Sincerely,

Vickie M. Zeier
Missoula County Clerk & Recorder/Treasurer
