To: Senator Squires and members of the committee:

With conviction I strongly endorse Dr. Wynia to the position of Director of Health and Human Services.

I have known Dr. Wynia for several years. As a pilot I went to him for flight physicals and he consistently gave the most thorough and fair evaluation of any physician I had encountered in my many years of flying experience. He always took the extra time to discuss health habits, preventive medicine, and awareness of potential flight and age related health issues.

As he and I were running for political office, I watched with admiration, the impressive campaign he ran. He was organized and dedicated. He developed a task force of advisors from a wide variety of professions to become educated in the many areas of business and government. He displayed the same commitment and enthusiasm that earned him his accomplished reputation as a physician in Montana.

I am confident he will bring to this office the same professionalism, energy, and enthusiasm he is known for.

Please approve his appointment to the Director of Health and Human Services.

Thank you

Sincerely

Subject : Appointment of Dr. Robert Wynia

Attention Carolyn Squires Chairperson Senate, State Administration Committee:

It is my understanding your committee will be taking testimony this coming Friday on Dr. Robert Wynia's appointment. I would like to be there to give live testimony in favor of approval of his appointment, but I am unable to do so; accordingly, consider and place this communication of record as my public testimony favoring and requesting approval of his appointment.

I have known Dr. Wynia for forty years and have found him to be always ethical, caring and honest, not only in his medical practice but in his dealings with others on non-medical related matters. He is and has been a good personal friend and although we in Great Falls will miss him, we certainly hope the next four years (or more) will find him in Helena administering the department to which he has been appointed to head by the Governor.

As your committee and you undoubtedly know, Dr. Wynia has had much involvement with public health in setting up the Emergency Medical System and participation in the Cardiovascular-Obesity Task Force and is a past president of the Montana Medical Association. He is tenacious as a bulldog, and I am confident he will fill the position with skill and integrity.

Again, I urge your committee and you to give Dr. Wynia a favorable recommendation.

RE: Robert E. Wynia, MD, Confirmation

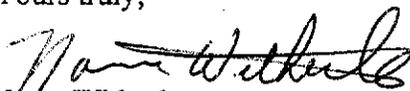

Dear Senator Squires:

I am writing to submit my public testimony on behalf of Dr. Robert Wynia for the March 18 Senate Administrative Committee meeting. Because it is unlikely that I will be able to attend in person, I am requesting that you place my testimony on the record.

I have known and considered Dr. Wynia a personal friend for 42 years, beginning when he first became our family physician in Great Falls. I know Dr. Wynia to be an ethical, honest and upright person whose fairness and thorough, precise nature would be a great asset to our state government. He cared for me and my family when our finances were shaky and our ability to pay promptly was questionable. I believe he did that because he genuinely cares about people rather than just "being in it for the buck". We belonged to the same church and our children schooled together in the same schools. We have visited each other many times in our homes. In all those 42 years, I only recently become aware that he is a Republican.

I know that Dr. Wynia is very concerned with public health and was involved with establishing the Emergency Medical System in Montana. I believe he was also President of the Medical Association for a time. I hope the Committee will accept my strong, positive recommendation and confirm the appointment of Robert Wynia.

Yours truly,

  
Norm Witherbee

Dear Senator Squires and State Administration Committee Members ,

I am writing in support of Dr. Robert Wynia whom Governor Schweitzer has chosen to lead the Dept. of Health and Human Services. Having spent over 40 years as a practicing physician, Dr. Bob Wynia comes to the job with a solid background of providing health to Montanans of all walks of life and thousands of Montanans have trusted him individually with their important matters of health care. Having a real physician who knows health care from actual experience, not just from having read about it, would benefit Montanans because of the knowledge Dr. Wynia brings to the job. A real physician knows what works and what will best benefit all Montanans. Here in Great Falls, Dr Wynia has a reputation of competency, decency, and integrity. These values will help him achieve worthwhile results for all Montanans. I think Gov. Schweitzer has made a good choice in Dr. Wynia , and I hope your committee will approve the governor's selection.

Because I will be unable to attend the March 18 session, I request that this letter, my public testimony, be placed on record.

Thank you for your consideration.

Sincerely yours,

Thomas E. Carey

Senator Squires,

I am unable to attend the confirmation hearing today for Dr Wynia and would like to make this my public testimony and have it be on record:

I strongly support the confirmation of Dr Wynia to head the Department of Public Health and Human Services. I have been a pharmacist in Great Falls for over 20 years and have worked with Dr Wynia throughout my career. He has always been a caring professional and a man of integrity. The welfare of his patients has always been his first priority. I have also worked with Dr Wynia on various public policy issues related to healthcare. Dr Wynia is well versed in the complex issues facing patients today as they try to navigate our complex healthcare system. He has been very active in healthcare issues in our community and has been a leader in our local medical community. The people of Montana will be well served by having a caring physician such as Dr Wynia serve in this capacity. I urge you to confirm him as the Director of DPHHS.

Re: Senate Administration Committee March 18

Support of Robert Wynia as director, DPHHS

As I am unable to attend the hearing, I would like to offer the following testimony to be included in the public record.

I have known Bob for several years. He took a class from me in Health Politics and Policy as a part of the master's in health administration program offered through MSU-Billings. The fact that he participated in that course is an indication to me of the extent to which he actively seeks out learning experiences.

Add the inquiring, broadly prepared mind to the fact that Robert Wynia is a physician providing general patient care makes him an excellent choice for the director of DPHHS. He understands medical care.

The medical profession in Montana choose Bob as their president a couple of years ago. His election to this position is an indication of his willingness to serve his profession by representing them at the state and national level. It is also evidence of respect for Bob in the eyes of his peers.

As an individual, Bob is friendly and definitely NOT pretentious. He is a regular guy who will do well working with the fine people who staff the DPHHS.

Thank you.

It is my request this statement be entered into the public record with regard to testimony on behalf of Dr. Robert Wynia.

I have known Dr. Wynia for the past 15 years in both a professional and personal capacity. I can attest to his competence, compassion, and integrity with regard to both his medical career and his personal life. It is my firm belief that government benefits when it can attract the best and the brightest from society. All too often government becomes entrenched with the same bureaucrats that are recycled between agencies. Dr. Wynia will bring a lifetime of work as a physician, as an extremely competent administrator, and as a man dedicated to fairness, to this position.

I was encouraged by Governor Schweitzer's campaign promise to put partisan politics aside and his choice of a Republican running mate. I was greatly encouraged when I realized that Governor Schweitzer was a small business owner in this state and had no prior experience running government agencies, and that the people of Montana felt comfortable with the fact the prerequisite for running a government office is NOT prior government experience.

I encourage this Committee to honor the Governor's request and confirm Dr. Wynia.

RE: Boards appointments, terms, memberships, etc.

### Issue Summary

The Committee has asked me to provide information regarding the State Electrical Board, the Board of Nursing, and the Board of Regents of Higher Education. In response, I have addressed each board separately in the following pages.

### State Electrical Board

The State Electrical Board is provided for in section 2-15-1764, MCA. It is a 5-member board. Each member is appointed for a term of 5 years. In every year, the term of one member expires on July 1.

**2-15-1764. State electrical board.** (1) There is a state electrical board.

(2) The board consists of five members appointed by the governor with the consent of the senate, who shall be residents of this state. Two members of the board shall represent the public. Two members of the board shall be licensed electricians. One member shall be a master licensed electrical contractor.

(3) The members of the board shall serve for a term of 5 years with their terms of office so arranged that one term expires on July 1 of each year.

(4) The board is allocated to the department for administrative purposes only as prescribed in 2-15-121.

The members of the State Electrical Board and the term and qualifications, if any, is included in Table 1 on the following page.

- (i) be a graduate of a school of practical nursing;
- (ii) be a licensed practical nurse in this state;
- (iii) have had at least 5 years' experience as a practical nurse; and
- (iv) be currently engaged in the practice of practical nursing and have practiced for at least 5 years.

(c) two public members who are not medical practitioners, involved in the practice of nursing or employment of nursing, or administrators of Montana health care facilities.

(3) All members shall have been residents of this state for at least 1 year before appointment and be citizens of the United States.

(4) All members shall serve staggered 4-year terms, and a member may not be appointed for more than two consecutive terms. The governor may remove a member from the board for neglect of a duty required by law or for incompetency or unprofessional or dishonorable conduct.

(5) The board is allocated to the department for administrative purposes only as prescribed in 2-15-121.

The members of the State Board of Nursing and the term and qualifications, if any, of each member is included in Table 2.

constitutional oath of office and file it with the secretary of state before the person may serve as a member of either board.

(3) (a) One seat of the appointed members on the board of regents is reserved for membership by a student appointed by the governor. The student must be registered as a full-time student at a unit of higher education under jurisdiction of the board of regents. The length of term of the student member is determined by the governor and must be for not less than 1 year and not more than 4 years. The term begins July 1 and ends June 30 of the years designated by the governor. The provisions of subsections (1)(a) and (1)(b) do not apply to the student member and may not affect the balance of the remaining appointive membership on the board of regents.

(b) The governor shall appoint the student provided for in subsection (3)(a) based upon a nomination provided by a student organization designated by the board of regents. The student organization shall nominate no fewer than three qualified students. If the governor finds that none of the students nominated are acceptable, the governor may request a new slate of nominees. Nominations must be forwarded to the governor in March immediately preceding the end of a regular term, and the governor shall make the appointment before the end of the succeeding June. In the event of a vacancy, a replacement must be appointed as soon as is practicable and in the same manner as the original appointment.

The members of the Board of Regents, and the term and qualifications, if any, of each member is included in Table 3.

I believe this information adequately responds to the Committee's inquiry. I am available to provide additional information upon request.

Respectfully submitted.

Board of Regents of Higher Education

The Board of Regents of Higher Education is provided for in Art. X, sec. 9(2) of the Montana Constitution and in section 2-15-1505, MCA. It is a 7-member board. The governor, superintendent of public instruction, and commissioner of higher education serve as *ex officio* nonvoting members of the Board of Regents.

**2-15-1505. Board of regents of higher education.** The board of regents of higher education created in Article X, section 9, subsection (2), of the Montana constitution consists of seven members appointed by the governor and confirmed by the senate. The governor, superintendent of public instruction, and commissioner of higher education are *ex officio* nonvoting members of the board of regents.

Appointment to the Board of Regents is provided for in section 2-15-1508, MCA. There are geographic requirements and partisan political limitations on appointments to the Board of Regents. Members, except the member that represents students, are appointed to staggered, 7-year terms. The "student regent" serves a term of between 1 and 4 years, at the governor's discretion. Members of the Board of Regents must take the oath of office. Appointment as the "student regent" requires candidates to endure a rigorous nomination and selection process.

**2-15-1508. Appointments to board of public education and board of regents -- conditions -- vacancy.** (1) Appointments to the board of public education and to the board of regents are subject to the following qualifications:

- (a) Not more than four may be from one district provided for in 5-1-102.
- (b) Not more than four may be affiliated with the same political party.
- (c) The terms of members appointed to each board are 7 years except as provided in subsection (3).
- (d) When a vacancy occurs, the governor shall appoint a member for the remainder of the term of the incumbent, and the appointment must preserve the balance required by subsections (1)(a) and (1)(b).
- (e) A person may not be appointed to concurrent memberships on the board of public education and the board of regents.

(2) An appointed member of either board shall take and subscribe to the

Board of Nursing

The Board of Nursing is provided for in section 2-15-1734, MCA. It is a 9-member board. Each member is appointed for a term of 4 years. The terms are staggered so the term of at least one member expires every year. Four of the members must be Registered Nurses (RN); three members must be Licensed Practical Nurses (LPN); two members must be "public" members. All nine members must be state residents. The governor may remove a member for certain acts or omissions.

**2-15-1734. Board of nursing.** (1) There is a board of nursing.

(2) The board consists of nine members appointed by the governor with the consent of the senate. The members are:

(a) four registered professional nurses; at least one such member shall have had at least 5 years in administrative, teaching, or supervisory experience in one or more schools of nursing and at least one such member must be currently engaged in the administration, supervision, or provision of direct client care. Each member shall:

- (i) be a graduate of an approved school of nursing;
- (ii) be a licensed registered professional nurse in this state;
- (iii) have had at least 5 years' experience in nursing following graduation; and
- (iv) be currently engaged in the practice of professional nursing and have practiced for at least 5 years.

(b) three practical nurses. Each shall:
