Revision (and clarification) of provisions generally, SB 265

ELECTRONIC FUNDS TRANSFER

Financial institutions subject to and in compliance with Regulation E of the federal Electronic Fund Transfer Act considered to be in compliance with state provisions, HB 209
Local governments making payments to state or state making payments to local government, requirements, HB 220
Public assistance grants, allowing payments by, HB 437

ELEVATOR BOARD, STATE

Creation, SB 412

ELEVATOR CONTRACTORS, MECHANICS, AND INSPECTORS

Licensing and regulation, SB 412

EMBRYONIC STEM CELL RESEARCH

President Bush and congress urged to lift existing ban and to provide further funding and oversight for, SJR 18

EMERGENCIES OR DISASTERS

Administrative rule, emergency -- may not be used to implement administrative budget reduction, SB 478

Commercial vehicle operator employees rendering good faith emergency care at scene of accident or emergency, employer's exemption from liability, SB 403

Montana National Guard, requesting interim study regarding missions and operation for purposes of state active duty performed to meet state emergencies, SJR 14

Physician assistant and supervising physician, practice during, HB 737

State employees who volunteer to assist in response to, extending paid leave to certain employees, HB 786

Statewide mutual aid system, SB 140

Statutory appropriation increased, HB 548

2-1-1 telephone number, statewide -- provisions for, SB 428

EMERGENCY MEDICAL SERVICES

Assault with bodily fluid

changing mental state element of and expanding offense to include health care providers, HB 363

emergency responders, revising offense to include assault on, SB 172

Elk permit raffles or auctions by community volunteer emergency service departments, allowing, HB 538

Emergency medical technicians, authorization for emergency or other care in hospital emergency departments, SB 448

Health care facilities that record health care emergency (telephone) communications made to, crime of violating privacy in communications not committed, HB 250

Newborns, surrender to emergency services providers -- clarifying availability of information concerning counseling, SB 6

EMINENT DOMAIN

Private property owners, constitutional amendment requiring just compensation for a reduction in value because of land use regulation, HB 594

Private road access to agricultural and timber land, providing procedure to secure, HB 353

Urban renewal, city or town may not serve as pass-through entity by using eminent domain power to obtain property for purposes of, SB 382

ENERGY

Alternative energy systems loan laws, revision, SB 50

Alternative renewable energy projects, clarification of eligibility for renewable resource grants and loans, SB 83

Distributed energy generation, requesting interim study to investigate potential benefits of and obstacles to expanding, SJR 36

Local government energy performance contracts, provisions for, HB 212

Low-income energy and weatherization assistance

appropriation for program, HB 332

utility's minimum annual funding requirement, raising, SB 34, SB 307, SB 371, HB 141

Low-income energy customers, study of needs, SB 371

Montana energy assistance program, SB 371

Montana Renewable Power Production and Rural Economic Development Act, graduated renewable energy standard provided, SB 415

Oil and gas industry, encouragement of efficient energy use, SB 449

Ongoing energy planning and coordinating entity, requesting interim study to evaluate possible creation of, SJR 39

Renewable energy production incentive and production tax credit programs, congress urged to support, SJR 17

State building energy conservation program

capital projects, review for potential inclusion, HB 5, HB 540

conservation projects for fiscal years 2006 and 2007, HB 12

general obligation bonds to fund, issuance authorized, HB 12

State energy policy

building code rules concerning energy conservation, eliminating requirement for conformance to policies developed under, HB 199

components, continual process to develop -- eliminating requirement that department of environmental quality and environmental quality council maintain, HB 199

ENVIRONMENTAL PROTECTION

Cumulative impacts, definition clarified as it relates to consideration of future actions under environmental policy act, HB 51

Environmental crimes/violations investigation and prosecution (office) (authority), creation in department of justice, HB 615

Environmental impact statements

applicants to pay costs (and fees) for preparation, requiring, HB 470

gallatin river between yellowstone national park boundary and intersection with spanish creek,

requirement (for proposed designation as outstanding resource water), SB 376

weather modification exempt from requirements, HB 399

Environmental review

agency may impose conditions on permit or other authority to act based on impacts identified in to protect public and fish and wildlife (and providing conditions when mitigation may be imposed), SB 281

animal feeding operations, confined/concentrated, SB 320

oil and gas conservation, board of -- compliance prior to approving plans for development, HB 501

Fish and Wildlife Protection Act, HB 394

Flathead (Lake and) River drainage -- recognizing importance of transboundary region, urging governor to negotiate operating agreement with british columbia, and urging environmental assessment prior to final decision on coal bed methane (and other hydrocarbon) development in british columbia (the valley of flathead river and adjacent environs), SJR 7

Oil and gas industry, promotion of environmentally sound exploration and production methods and technologies, SB 449

Polybrominated diphenyl ethers (PBDES) -- supporting phasing out (of those harmful to humans), supporting testing of people and environment for, encouraging development of alternatives, encouraging availability of products containing alternatives, and supporting use of breast milk for babies while reducing toxicants in breast milk, SJR 15

Retail electricity suppliers and purchasing-selling entities, fuel mix and environmental impact disclosure requirements, SB 364

Weather modification exempt from Environmental Policy Act and environmental impact statement requirements, HB 399

ENVIRONMENTAL QUALITY COUNCIL

Split estates of mineral and surface owners related to oil and gas development and coal bed methane reclamation and bonding, interim study required, HB 790

State energy policy, continual process to develop components -- eliminating requirement that department of environmental quality and council maintain, HB 199

Water rights adjudication

fees, reporting requirements, HB 22

progress, reporting requirements, HB 69

ENVIRONMENTAL QUALITY, DEPARTMENT OF

Alternative energy systems loan laws, additional rulemaking authority provided, SB 50
Appropriations, SB 143, HB 2, HB 4, HB 12, HB 519
Coal Bed Methane Operations Reclamation Act, administration, SB 336
Coal bed methane-produced water discharged into same or connected water bodies, monitoring of water quality, HB 491
Director, appointment, SR 13
Electricity Labeling and Disclosure Act, rulemaking authority, SB 364
Energy performance contracts for local governments, qualification of contractors and assistance to governments, HB 212
Enforcement procedures, revision of provisions generally, HB 428, HB 429
Gallatin River between Yellowstone National Park boundary and intersection with Spanish Creek, environmental impact statement required (for proposed designation as outstanding resource water), SB 376
Gasoline blended with ethanol, required use -- enforcement of provisions, SB 293
Gasoline containing methyl tertiary butyl ether -- enforcement of provisions prohibiting importation, sale, and dispensing, SB 131, SB 293
Hazardous substances, remedial action upon release -- revision of provisions generally, HB 57
Legislative Energy and Telecommunications Interim Committee, report concerning universal system benefits programs, HB 141
Methamphetamine lab remediation activities, establishing standards and requirements for certifying persons to conduct, HB 60
Mines and mining, responsibilities, See generally MINES AND MINING
Oil or gas well facilities, rulemaking authority transferred from, SB 95
Polyvinyl chloride, permits prohibited to facility disposing through incineration or combustion, HB 582
State building energy conservation program
 capital projects, review for potential inclusion, HB 5, HB 540
 general obligation bonds to fund, issuance authorized and appropriation of proceeds, HB 12
State energy policy, continual process to develop components -- eliminating requirement that department and environmental quality council maintain, HB 199
Subdivisions, water and sanitation information -- requirements for, SB 290
Underground storage tank permit issuance or renewal, eliminating requirement for prior determination of compliance or issuance of compliance order, HB 78

ENVIRONMENTAL REVIEW, BOARD OF

Air quality permits, duties, See generally AIR QUALITY
Appointments to, SR 16
Coal Bed Methane Operations Reclamation Act, rules for, SB 336
Coal bed methane wells, wastewater discharges from -- authorizing adoption of rules requiring best technology-based treatment be applied to, HB 744
Gasoline blended with ethanol, required use -- rules establishing allowable trace levels of MTBE and establishing reporting and sampling requirements, SB 293
Gasoline containing methyl tertiary butyl ether-- adoption of rules establishing allowable trace levels and establishing reporting and sampling requirements, SB 131, SB 293
Mercury emission limits prescribed and "fossil-fuel or biomass power plant" defined, rulemaking authority, HB 455
Metal mine reclamation, financial responsibility -- hearing to approve proposed surety or written undertaking, HB 460
Oil or gas well facilities, rulemaking authority transferred to, SB 95
Storm water discharges from construction activities meeting specific conditions, excluding from rulemaking authority, HB 751
Subdivisions, water and sanitation information -- requirements for, SB 290
Water quality standards more stringent than federal regulations, adoption authorized when, SB 236

EQUITY INFUSION BOARD, SB 168

ESTATES AND PROBATE

Foreign personal representative, filings provision clarified, HB 701
Multiple person accounts, deposits subject to legal process when, SB 231
Nondomiciliary decedent's will filed and not probated in domiciliary state, provision for, SB 435
Small estates, personal property -- collection by affidavit, value of property changed, HB 701
Uniform TOD security registration, revising definition of "security account", HB 207

ETHANOL EDUCATION BOARD

Establishment and funding, HB 489

ETHICS

Revision of provisions generally, HB 383

EXAMINERS, BOARD OF

Hydroelectric facilities, issuance of revenue bonds for financing and purchase, HB 778
Meeting times revised, SB 17
Transmission Authority, revenue and refunding bonds and bond anticipation notes -- issuance, HB 388

EXECUTION

Mobile homes, abandoned -- clarification of landlord's storage, sheriff's sale, and lien provisions, HB 354
Writ, service on financial institution -- immediate surrender of all available funds to person serving, HB 596

EXECUTIVE BRANCH

Administrative rules, See ADMINISTRATIVE RULES
Appropriations, HB 13, HB 148, HB 181, HB 447
Montana Code Reform Commission, report of certain statutes to, HB 373

EXECUTIVE BRANCH REORGANIZATION COMMISSION

Creation, HB 241

- F -

FACILITY FINANCE AUTHORITY

Appointments to, SR 16

FACILITY SITING

Definition of "facility" revised and defining term "upgrade", SB 235
Transmission Authority facilities, term "facility" under facility siting does not include, HB 388

FAIR INFLUENCE ON GOVERNMENT ACT, HB 593

FARMER LIMITED LIABILITY FOR GENETICALLY ENGINEERED WHEAT ACT, SB 218

FEDERAL BUDGET

Congress urged to enact legislation submitting Senate Joint Resolution 2, requiring balanced federal budget, to states for ratification, HJR 40

FINANCIAL INSTITUTIONS, COMMISSIONER OF

Elimination of requirements for, SB 424

FINGERPRINTS

Beer and wine licenses for off-premises consumption, applicant's/facility manager's fingerprint and background check requirements removed (and clarifying requirement for additional fingerprint and background checks for license), HB 502

Commercial driver's license hazardous materials endorsement, fingerprint-based background check for, HB 192
Elections, disabled electors may use fingerprint or identifying mark instead of signature, SB 500
Misdemeanor offenses, requiring for certain offenses, SB 30

FIRE DEPARTMENT RELIEF ASSOCIATIONS

Disability and pension funds, funding revised, HB 283

FIRE DEPARTMENTS AND FIREFIGHTERS

Cities of first and second class, revising minimum wage for firefighters, HB 710
Elk permit raffles or auctions by community volunteer emergency service departments, allowing, HB 538
Termination of firefighter's employment, provision for who may discharge (suspend, or demote) and establishing right of appeal/options to address disciplinary action, SB 431
Volunteer firefighters, income tax credit for, SB 161

FIREFIGHTERS' UNIFIED RETIREMENT SYSTEM

Administrative provisions revised, HB 213
Benefits
 dependent child, payable to -- payment to a trust in certain circumstances, HB 587
 firefighters with 25 years or more of service, increase for, SB 484
 one-time permanent ad hoc purchasing power adjustment for increase, providing, HB 152
Benefits and definitions, revision generally, SB 491
Military service, purchase provisions revised, SB 444
Rural fire districts, participation in system, SB 439

FIRES AND FIRE PROTECTION

Cities and towns, insurance settlements -- establishment of accounts and holding of proceeds until health and safety violations are abated, HB 735
Fire district trustees prohibited from assessing fee for contract to cover voted tax increase, SB 331
Fire seasons, provisions revised and allowing small recreational fires, HB 473
Rural fire districts, participation in firefighters' unified retirement system, SB 439
Wildland fires -- requesting interim study to develop, consolidate, and update fire-related statutes in order to improve suppression and mitigation, to address dangerous conditions arising from drought and forest fuels, and complications and costs of fighting fires in wildland/urban interfaces, HJR 10

FIREWORKS

Counties, first-class -- authorizing regulation by, HB 708

FISH AND WILDLIFE

Bull trout
 enhancement program for bull trout and cutthroat trout, emergency instream flow funding from, HB 298
 glen lake irrigation district, grant for water loss mitigation to enhance recovery in, HB 277
 kootenai river, revenue to enable delisting in, HB 789
Easements for rights to fish or take game subject to property tax, HB 554
Endangered species, state list -- department to remove any species or subspecies without legislative approval if same is removed from federal list, HB 50
Environmental permitting decisions, protection in, HB 394
Environmental review, agency may impose conditions on permit or other authority to act based on impacts identified in to protect public and fish and wildlife (and providing conditions when mitigation may be imposed), SB 281
Exotic wildlife, prohibitions on possession -- providing exceptions and exemptions, HB 668

Fishery resources
definition of "beneficial use" to include instream flow for purpose of maintaining or enhancing, SB 125, HB 308
instream flows to benefit, provisions revised, HB 178, HB 308, HB 515

Fishing access enhancement program
funding sources, fiscal analyses to be provided to review committee, HB 235
provisions made permanent and providing for reports regarding success and recommendations by review committee, HB 56

Fishing access sites
minors in possession of intoxicating substances, enforcement of laws relating to, HB 120, HB 637
motor vehicle registration fee collected for, use provision revised, HB 605
use fee for recreation at and use of revenue, HB 260

Fort Peck multispecies fish hatchery, production of fish at and planting of fish from -- provisions for, SB 298

Future fisheries improvement program, emergency instream flow funding from, HB 298

Game animals generally
cities and towns -- expanding power to control, remove, and restrict, SB 410
damage mitigation provisions relating to big game animals, HB 516
hunting big game animals on private property, failure to obtain permission for -- penalty revised, SB 312
landowners, right to use reasonable means to protect private property from damage caused by, SB 178

Game animals taken by hunters
contests based on size and attributes, prohibition eliminated, HB 434
nonmonetary, low-value prize contests based on size, allowing, SB 186

Game wardens
boating under the influence and minors in possession of intoxicating substances in certain places, authority to enforce laws relating to, HB 120
quadricycles, noise emission and spark arrester limitations -- enforcement, SB 318
retirement, See GAME WARDENS' AND PEACE OFFICERS' RETIREMENT SYSTEM
trainee program, appropriation for two half-time employees, HB 337

Grizzly bear, illegal taking -- restitution increased, HB 514

Habitat acquisition program, provisions made permanent and ensuring maintenance of funding sources, HB 79

Hunter management and hunting access enhancement programs
block management program, landowner enrolled in to receive benefits provided under, HB 235
funding sources for hunting access enhancement program, fiscal analyses to be provided to review committee, HB 235
hunting license fees used for funding wildlife habitat to be used to secure public access to lands for hunting purposes under, SB 405
provisions made permanent, SB 77

Hunter safety instruction, deferral from requirements for first-time hunter 16 years of age or older for one season, HB 600

Lake Kocanusa, restrictions on fishing methods applicable to -- revision, HB 789

Landowners
block management program, enrolled in -- to receive benefits provided under hunter management and hunting access enhancement programs, HB 235
elk permits for landowners who offer free public elk hunting, either-sex or antlerless -- repeal of termination date for, HB 82
enter or remain unlawfully, definition clarified, HB 510
game animals, right to use reasonable means to protect private property from damage caused by, SB 178
hunting license preferences for, requesting interim study to review programs and statutes of various states in creating, HJR 30
private property, hunting on
big game animals, failure to obtain permission for -- penalty revised, SB 312
lawful method of, HB 225

License agents
compensation increased, allowing charge of convenience fee for purchases made with credit or debit card,

and revising definition of "transaction", HB 707
 open roads program, decals to fund -- issuance by, HB 787
 voter registration applications, must make available to anyone purchasing license, HB 712
 Licenses, licensing, and permits
 class B-3 nonresident mountain grouse, creation, HB 341
 class B-14 nonresident student combination license, creation, SB 221
 disabled combat veterans, guaranteeing/providing half-priced deer and antelope licenses to certain veterans, HB 272
 elk permits
 landowners who offer free public elk hunting, either-sex or antlerless -- repeal of termination date for, HB 82
 raffles or auctions by community volunteer emergency service departments, allowing, HB 538
 fees
 adjustment through administrative rulemaking process, authority granted to commission for and report required, HB 176
 increases/revisions for certain licenses (and drawing fees), HB 79, HB 172, HB 176, HB 260
 game damage licenses, supplemental -- repeal of termination date, HB 81
 hunter management program cooperator's complimentary license, designation of immediate family member to receive, HB 235
 hunting licenses
 habitat for wildlife, fees for funding must be used to secure leases providing hunting access to habitat and to secure public access to land under access enhancement programs, SB 405
 preferences for landowners, requesting interim study to review programs and statutes of various states in creating, HJR 30
 lottery for certain big game licenses and proceeds dedicated to hunting access enhancement (and law enforcement), HB 235
 military personnel, free/half-price/reduced-rate resident licenses for certain personnel, SB 339
 mountain goat license, auction (or lottery) and use of proceeds, SB 190, HB 14
 nonresident
 child of resident allowed to purchase nonresident licenses at reduced cost, HB 421
 class B-13 nonresident youth big game combination license, creation and provision for holder to also apply for nonresident antlerless elk B tag, HB 214
 meeting certain requirements, upon -- considered resident for purpose of obtaining, HB 597
 wild turkey tag, nonresident -- nonresidents holding certain hunting licenses allowed to purchase at discounted fee, HB 34
 outfitter-sponsored for nonresident hunter pursuant to class B-10 or B-11 license must provide assurance in application that hunting will occur on lands open for comparable hunting by general public, HB 486
 resident senior combination license, creation, HB 172
 special licenses
 armed forces members, forfeiture upon deployment -- guaranteeing same license upon application in year of member's return, HB 477
 nonresident moose, mountain goat, and mountain sheep -- fee increase, HB 79
 unsuccessful wildlife drawing applicants, donation of money for recreational site acquisition, HB 260
 wild buffalo licenses, allocation to (individuals) designated (by) Montana Indian tribes, SB 91
 wildlife conservation license
 administrative fee in lieu of, HB 305
 fees, increase, HB 260
 free to resident national guard or federal reserves member who has been mobilized for federal service upon member's return, SB 55
 recreational use license, discounted for individuals who have previously purchased conservation license, SB 223
 youth
 class B-13 nonresident youth big game combination license, creation and provision for holder to

also apply for nonresident antlerless elk B tag, HB 214
class B-15 nonresident child's elk license, creation, HB 421
terminally ill youth under 12/17 years of age, allowing purchase of/to receive a free one-time
Montana hunting license, HB 242
trapper safety and education courses as prerequisite to issuance of licenses for individuals 12
years of age or older, HB 603
Meat processing plants, abandonment of wild game meat at -- prohibition, SB 63
Prairie dogs, removal from list of nongame species in need of management, HB 286
Private fish ponds
 exemption of certain owners from licensing requirements, HB 734
 license and inspection provisions revised, HB 174
Private Lands/Public Wildlife Review Committee, provisions made permanent, SB 77
River restoration program, emergency instream flow funding from, HB 298
Teton-Spring Creek Bird Preserve and its special archery season, eliminating authorization for, SB 503
Transplanted wildlife, marking and control, HB 553
Trapper safety and education courses as prerequisite to issuance of licenses for individuals 12 years of age or
older and allowing adoption of best management practices for trapping, HB 603
Tribal courts, confederated salish and kootenai -- judgments for fish and game violations entitled to full faith and
credit in Montana courts, SB 187
Tribal wildlife and fish management programs, providing equitable distribution of federal aid between state and
tribal governments for, HB 378
Unlawful possession, shipping, transportation, sale, purchase, or exchange -- language and penalties clarified, HB
131
Violations, penalties increased for certain violations, HB 487
Warm water fishery enhancement account, establishment, HB 698
Wild buffalo or bison
 disease control, requiring -- management revised, SB 353
 recovery and conservation provisions and extending departmental authority in management, HB 544
Yellowstone National Park/greater Yellowstone area bison and elk herds, elimination of brucellosis in -- urging
u.s. secretaries of agriculture and interior to direct appropriate federal agencies to expedite and urging u.s.
department of agriculture as lead agency in elimination plan, HJR 22

FISH AND WILDLIFE PROTECTION ACT, HB 394

FISH, WILDLIFE, AND PARKS COMMISSION, See also generally FISH AND WILDLIFE

Appointments to, SR 15, SR 16
Big game animal concentrations, dispersal or removal -- establishment of statutory basis for, HB 516
License fees, authority for adjustment through administrative rulemaking process and report required, HB 176
Membership and districts, revision, HB 601
No-shooting safety zone designation for landowners with property adjacent to surface water open for recreational
use, rules for implementation, HB 129
Rights-of-way for certain purposes, acquisition by department without approval of commission and consent by
commission for limited property boundary and water rights adjustments by department with adjacent
landowners, HB 208
Streams subject to public's right to recreational use, designation as agency to provide declaratory rulings on, HB
560

FISH, WILDLIFE, AND PARKS -- DEPARTMENT OF, See also generally FISH AND WILDLIFE; PARKS AND RECREATION

Appropriations, HB 2, HB 4, HB 5, HB 235, HB 277, HB 337, HB 423
Big game animal concentrations, dispersal or removal -- establishment of statutory basis for, HB 516
Boats
 state recreational boating safety program, making permanent departmental authority to contract with
 counties for administration, HB 119

validation decals, payment of programming costs, SB 126
Capitol complex grounds, maintenance -- responsibility transferred from, HB 109
Director, appointment, SR 13
Emergency instream flows, funding provisions, HB 298
Hunting and fishing access enhancement programs' funding sources, fiscal analyses to be provided to review committee, HB 235
Jocko fish hatchery, sale -- waiver of certain requirements, HB 5
Local commissions to review actions of, creation authorized, HB 655
Minor in possession, enforcement of laws pertaining to, HB 637
Montana Agricultural Center and Museum of the Northern Great Plains, transfer of ownership, HB 564
Property, disposal by -- provisions revised and defining term "dispose", HB 575
Rights-of-way for certain purposes, acquisition without approval of commission and limited property boundary and water rights adjustments with adjacent landowners allowed, HB 208
Streams, abatement of artificial hazards in -- providing authority for, HB 560
Tribal wildlife and fish management programs, providing equitable distribution of federal aid between state and tribal governments for, HB 378
Vehicle taxes and fees, fund transfers related to -- technical corrections, HB 170
Water rights, property acquisition and expenditure of money only to adjudicate and finalize departmental water rights until statewide adjudication completed, HB 546

FLAG OF MONTANA

Public official's casket, allowing Montana flag to be draped over, HB 150

FLATHEAD BASIN COMMISSION

Membership revised and making permanent the transfer to Department of Natural Resources and Conservation, SB 138

FLOODS, FLOOD PLAINS, AND FLOODWAYS

Waterside management corridors, provisions for, SB 173

FOOD AND FOOD PRODUCTS

Country of Origin Placarding Act, HB 406

Food produced in Montana, establishing state contract preference for, HB 521

Sales tax on prepared food, HB 729

Vending machines in public schools, regulation of use and prescribing kinds of food and beverages that may be sold, HB 578

FOOD ESTABLISHMENTS

Wholesale food establishment license fee, person not subject to when retail food establishment license fee already paid, HB 402

FOREIGN CAPITAL DEPOSITORIES

Elimination of authority for and provisions governing, HB 223

FORESTS AND FORESTRY, See also STATE LANDS; TAXATION, PROPERTY

Forest reserve funds apportioned among counties, responsibility transferred, SB 424

Inventoried roadless areas in national forests, requiring governor to petition u.s. government for rules related to if allowed by federal regulations, SB 417

Off-highway vehicles on forest roads, revising licensure exemption for persons driving, HB 304

Open roads program and commission, creation and funding, HB 787

Private road access to agricultural and timber land, providing procedure to secure, HB 353

Public lands

management, urging congress to achieve resource sustainability by promoting multiple-use concept and to release wilderness study areas for multiple use, SJR 10

roads and access to, congress urged to adopt legislation requiring u.s. forest service and bureau of land management to stop closing/to not arbitrarily close, HJR 18
Timber, taking without lawful authority -- clarifying damages to be awarded, SB 214
Wilderness areas, wilderness study areas, and other land set-aside areas -- requesting interim study to evaluate and determine status and to analyze impacts, HJR 9
Wildfire smoke, requesting interim study to determine effects on human health and to identify possible ways to require federal government to reduce or contain amount produced by wildfires on federally owned land, HJR 25
Wildland fires -- requesting interim study to develop, consolidate, and update fire-related statutes in order to improve suppression and mitigation, to address dangerous conditions arising from drought and forest fuels, and complications and costs of fighting fires in wildland/urban interfaces, HJR 10

FRAUDULENT TRANSFERS

Cause of action, period of time for filing extended and tolling of period of limitation if transferred property is subject to another claim against transferor, HB 345

FUNERAL SERVICE, BOARD OF

Appointments to, SR 5

- G -

GAMBLING

Antique slot machines, providing for public display, SB 84
Bingo, providing for multiple winning patterns, SB 84
Indian tribes, delegating authority to governor to negotiate and execute class III gaming compacts with, HB 132
Internet gambling, defining as illegal gambling enterprise and exception, SB 103
Licenses or permits, expiration -- providing remedies to pursue violations by licensee following, SB 84
Pathological and problem gambling prevention program and statewide plan and certification of problem gambling counselors, requirements for, HB 358
Poker machines, increasing types of poker games that may be played on, SB 84
Sales tax, local option -- precluding taxation of legal forms of gambling, SB 184
Seized evidence, providing procedure for forfeiture, SB 84
Video gambling machines
 automated accounting and reporting system, requirements changed, HB 89
 bonus game to be played on, providing definition, SB 84
 gross income tax
 percentage to cities or counties for law enforcement purposes, HB 334
 revision, HB 797
 images and screens, providing rulemaking authority for display, SB 84
 license tax, increase for
 machines located on premises having more than five machines, SB 348
 machines located on premises that have more than 10 machines, SB 179
 manufacturers
 examination costs paid by, use changed, HB 204
 private testing facilities to be licensed as, SB 84
 permit surcharge fee, elimination, HB 802
Video gambling premises, smoking laws -- revising application, HB 661

GAME WARDENS, See FISH AND WILDLIFE

GAME WARDENS' AND PEACE OFFICERS' RETIREMENT SYSTEM

Actuarial funding, provisions for, HB 148
Administrative provisions revised, HB 213
Military service, purchase provisions revised, SB 444

GASOLINE, See also OIL AND GAS; TAXATION, GASOLINE AND VEHICLE FUELS

Ethanol-blended gasoline, standards and specifications and providing gasoline may not contain more than trace amounts of MTBE, SB 144, SB 293, HB 464

Ethanol, requiring use of (certain types of) gasoline blended with -- standards and specifications and providing that gasoline may not contain more than trace amounts (levels) of MTBE, SB 293

Gasoline containing methyl tertiary butyl ether -- prohibiting importation, sale, and dispensing, SB 131
Montana Ethanol Production and Use Act, HB 674

GASOLINE PRICING COMPETITION, COMMISSION ON

Creation, HB 93

GAY RIGHTS, SB 202, HB 240, HB 259

GENERAL APPROPRIATIONS ACT OF 2005, HB 2

GIFT CERTIFICATES

Personal property presumed to be abandoned if not used, removal from, SB 192, HB 295

Termination prohibited, associating ownership with possessor, limiting fees, allowing limited cash redemption, defining term, and removing presumption of abandonment, HB 295

GOVERNMENTAL LIABILITY

Public intoxication statutes -- immunity from suit for enforcement or administration by peace officers, state, or political subdivision, HB 349

GOVERNOR

Appointments by, SR 4, SR 5, SR 6, SR 7, SR 8, SR 9, SR 10, SR 11, SR 12, SR 13, SR 14, SR 15, SR 16, SR 17, SR 18, SR 19

Appropriations, HB 2, HB 3, HB 4, HB 5, HB 416, HB 745, HB 777

Economic development, See ECONOMIC DEVELOPMENT; ECONOMIC DEVELOPMENT, OFFICE OF
Flathead (Lake and) River drainage -- recognizing importance of transboundary region, urging governor to negotiate operating agreement with british columbia, and urging environmental assessment prior to final decision on coal bed methane (and other hydrocarbon) development in british columbia (the valley of flathead river and adjacent environs), SJR 7
