HAND DELIVERED TO CAPITOL

Subject: Cigarette Fire Safety Standards Proposed Legislation Review

Dear Representative Ebinger:

Thank you for allowing my department to review House Bill 461, your proposed legislation to improve cigarette fire safety standards.

My staff has reviewed this legislation and indicated that there would be no impact to state revenues, nor would the department incur any additional administrative cost due to this bill.

I certainly appreciate you including the department in the policy-making process and look forward to working with you again in the future. Please let me know if I can be of further assistance.
