

EXHIBIT 10
DATE 2.12.07
HS 9

Art Mobile of Montana

The Art Mobile comes right to your door bringing an exhibit of original, high quality, contemporary art work. Schools can schedule an interactive presentation followed by art lessons taught by a professional art educator. These lessons focus on art fundamentals and individual expression. The Art Mobile is available during school hours, after school, and evenings. Lessons are aligned with the Montana Performance Standards for the Arts. Continuing education for teachers is also available while the Art Mobile is on site.

The Artist/Teacher displays the exhibit on portable walls in a room at the site. She then delivers an interactive presentation addressing the artwork, the artists, design and color, and brings the importance of art into the discussion. After presenting, she teaches art lessons for each class or group desiring hands-on participation.

Art Mobile serves schools, community groups, home school and after school groups, and will make repeat visits for follow-up art lessons.

Cost: Each site pays what they can of our fee, and our grants pay for the remainder. You do not have to apply for a grant; this has already been done. A basic two-hour art mobile visit that includes a presentation and art lesson costs \$150.00. Each additional art lesson runs \$50.00. Travel costs are additional, divided among the number of sites presented for, during one tour. If the director is out for more than a day's drive from home, sites provide either private home or motel accommodations. Program adapted for accessibility.

To schedule the Art Mobile, contact:
Salley Williamson, Artist/Teacher

Art Mobile of Montana Mission

To provide a permanent statewide traveling art outreach program for schools, the general public, and diverse groups that offers presentations of quality, original art exhibits, teaches art lessons, extends teacher education, and emphasizes the importance of art and relating to art in a personal way.

This project is supported by the Montana Arts Council, a state agency funded by the State of Montana and the National Endowment for the Arts. We make every effort to adapt our program for all individuals. Inquire about access issues.
