ELECTRIC VEHICLE

What are you left with when you take away the noise and pollution? A car that everyone loves to drive! Welcome to ZENN™ the zero-emission, no-noise, neighborhood electric vehicle.

Available with power windows, power locks, remote keyless entry, wipers, defrost, heater, panoramic sunroof and more! ZENN simply plugs into a standard electric outlet and can be charged to go in as little as four hours. No gas or oil changes required!

The battery-powered ZENN provides up to 35 miles of travel on a single charge and has a regulated maximum speed of 25 mph.

Don't bother looking for an oil cap - or filter. There isn't one! The ZENN electric motor is extremely efficient, quiet and worry-free. Fewer parts mean significantly less maintenance than a typical car. Visit your local Retailer today to learn more.
