

Exhibit No. 7  
Date 1-24-07  
Bill No. SB 155

January 18, 2007

To: Senator Carol Williams and Public Health, Welfare and Safety Committee

Refer to: Committee Members on Older Montanans' Trust fund bill, SB155

We are in support of SB155 which provides funding for the Older Montanan's Trust Fund. All of us living at South 40 Senior Housing are over 62 years of age and live here under HUD Section 8 rental subsidy. South 40 houses 104 senior citizens; several of whom benefit from Medicaid services.

We are in support of money being available so that we and those coming into this age group will be able to live independently as long as possible. With a little help from outside services, we are able to live in our own apartment instead of having to go to long-term care.

Sincerely,
