**Insert:** "NEW SECTION. **Section 1. Withholding from pensions, annuities, and certain other deferred income.** (1) In conformity with section 3405 of the Internal Revenue Code, 26 U.S.C. 3405, the payor of any periodic payment, nonperiodic distribution, or designated distribution, as defined in that section, shall:

(a) withhold from the payment 30% of the amount, if any, withheld for federal tax purposes; and

(b) withhold the amount in subsection (1)(a) and is liable for payment of the tax when required to withhold the amount for federal purposes.

(2) If a periodic payment, nonperiodic distribution, or designated distribution is not subject to federal withholding because a federal election of no withholding was made under section 3405 of the Internal Revenue Code, 26 U.S.C. 3405, then state withholding is not required and the amount withheld is considered zero.

(3) Amounts withheld under this section must be treated as if the amounts were withheld from wages paid by an employer to an employee subject to withholding under 15-30-202."

**Insert:** "NEW SECTION. **Section 2. Definitions.** For the purposes of [Sections 2 through 8], unless otherwise required by the context, the following definitions apply:

(1) "Capitalization percentage" means the appropriate percentage established in [Section 3].

(2) "Combined reporting group" means those corporations whose income is required to be included in the same combined report pursuant to 15-31-301 or 15-31-322.

(3) "Commonly controlled group" means a parent corporation and any one or more corporations or chains of corporations connected through stock ownership or constructive ownership with the parent if:

(a) the parent owns stock with more than 50% of the voting power of at least one corporation; and

(b) stock cumulatively representing more than 50% of the voting power of each of the corporations, except the parent, is owned by the parent, one or more corporations described in subsection (3)(a), or one or more other corporations that satisfy the conditions of this subsection (3)(b), if applicable.

(4) "Direct written premiums" means amounts written by an insurance company in consideration for insurance and annuity contracts issued to policyholders.

(5) "Dividend" means, for purposes of calculating the dividends-received deduction for any tax year described in [Section 3], the total amount of qualified dividends allowed as a deduction for federal income tax purposes received by the

corporation from the insurer corporation.

(6) "Five-year average" means the aggregate net written premiums or total income, as the case may be, over the 5 immediately preceding calendar or fiscal years, divided by five. If an insurance company in the commonly controlled group has been in existence for fewer than 5 years, its aggregate net written premiums and total income must each be multiplied by five and divided by the number of years of its existence. If an insurance company does not have a regulatory filing requirement, the period covered is the fiscal year used for the insurance company's financial statements. The use of either the calendar year or fiscal year that is used for the determination of the first tax year 5-year average is considered an accounting method under [Sections 2 through 8] and may be changed in subsequent tax years only with the written consent of the department.

(7) (a) "Investment income" means an insurance company's earnings from its investment portfolio, including interest, dividends, realized gains or losses, and rent, that, unless otherwise provided in subsections (7)(b) through (7)(d), is required to be reported in an insurer's statutory annual statement in accordance with the annual statement instructions and accounting practices and procedures manual promulgated by the national association of insurance commissioners.

(b) Except for reinsurance transactions, realized gains or losses do not include losses incurred in transactions with a person that is a member of the taxpayer's or the insurance company's commonly controlled group.

(c) Investment income does not include dividends from a person that is a member of the commonly controlled group. Intercompany dividends that have been eliminated from investment income as would be required to be reported in the statutory annual statement in accordance with the annual statement instructions and accounting practices and procedures manual promulgated by the national association of insurance commissioners may not again be eliminated for this purpose.

(d) Investment income does not include income included in the taxpayer's combined report filed in accordance with this chapter.

(8) "Insurer" has the meaning provided in 33-1-201.

(9) (a) "Net income attributable to investment income" means net income of the insurer multiplied by a ratio, the numerator of which is the insurer's gross investment income from interest, dividends (other than dividends from members of the taxpayer's commonly controlled group), rent, and realized gains or losses, and the denominator of which is the insurer's gross income (other than dividends from members of the taxpayer's commonly controlled group) from all sources.

(b) For the purposes of this definition, if an insurer is required to file a statutory annual statement pursuant to the annual statement instructions and accounting practices and

procedures manual promulgated by the national association of insurance commissioners, "net income" means net income required to be reported in the insurer's statutory annual statement.

(10) (a) "Net written premiums" means direct written premiums plus premiums from reinsurance assumed, less premiums ceded to a reinsurance company, as would be required to be reported in an insurer's statutory annual statement in accordance with the annual statement instructions and accounting practices and procedures manual promulgated by the national association of insurance commissioners.

(b) Net written premiums from life insurance contracts are determined by multiplying the net written premiums received, assumed, or ceded by 1.3.

(c) Net written premiums from financial guaranty insurance contracts are determined by multiplying the net written premiums received, assumed, or ceded by the lesser of 2.3 or an amount that would cause the ratio of the 5-year average net written premiums for all financial guaranty insurance companies in the commonly controlled group to the 5-year average total income for all financial guaranty insurance companies in the commonly controlled group to be equal to the applicable capitalization percentage.

(11) "Premiums from reinsurance assumed" means amounts received or accrued by an insurance company in consideration for liabilities it assumes from another insurance company.

(12) "Qualified dividend" means a dividend received by a corporation during the tax year from a corporation that is an insurer, whether or not the insurer is engaged in business in Montana, if at the time of each dividend payment at least 80% of each class of stock of the insurer was owned, directly or indirectly, by the corporation receiving the dividend.

(13) "Total income" means net written premiums plus investment income."

**Insert: NEW SECTION. Section 3. Reduction of dividends received by corporations -- capitalization percentage.** (1) For the purposes of calculating the dividends-received deduction allowed for Montana purposes, the amount of dividends must be multiplied by the appropriate capitalization percentage determined under subsections (2) through (4).

(2) If the ratio of the 5-year average net written premiums for all insurance companies in a commonly controlled group to the 5-year average total income for all insurance companies in the commonly controlled group for the tax year is greater than or equal to 60%, then the capitalization percentage is 100%.

(3) If the ratio of the 5-year average net written premiums for all insurance companies in a commonly controlled group to the 5-year average total income for all insurance companies in the commonly controlled group for the tax year is less than 60% but greater than 10%, then the capitalization percentage is equal to the following fraction, expressed as a percentage:

(a) the numerator is the 5-year average net written premiums for the tax year; and

(b) the denominator is 60% of the 5-year average total income for that tax year.

(4) If the ratio of the 5-year average net written premiums for all insurance companies in a commonly controlled group to the 5-year average total income for all insurance companies in the commonly controlled group for the tax year is 10% or less, then the capitalization percentage is 0%."

**Insert: "NEW SECTION. Section 4. Deductions not allowed for certain expenses.** (1) A deduction is not allowed for any expense under subsection (2) that is paid or incurred to an insurer if the insurer is a member of the taxpayer's commonly controlled group and the amount paid or incurred would constitute income to the insurer if the insurer were subject to the Montana income or franchise tax.

(2) (a) The following interest amounts payable to an insurer in the same commonly controlled group are disallowed:

(i) interest paid or incurred to an insurer in the taxpayer's commonly controlled group with respect to indebtedness, other than qualified marketable debt instruments, the principal amount of which is attributable to a contribution of money by a noninsurer member of the taxpayer's commonly controlled group to the capital of an insurer member of that group, including the principal amount of a loan arising from a direct or indirect transfer of money from that contribution to capital from one insurer to another insurer of the same commonly controlled group;

(ii) interest paid or incurred to an insurer with respect to a note or other debt instrument, other than qualified marketable debt instruments, contributed to the capital of an insurer with respect to its stock by a noninsurer member of the commonly controlled group;

(iii) interest paid or incurred within 5 years after the direct or indirect acquisition of the insurer by a member of the commonly controlled group, other than interest on qualified marketable debt instruments;

(iv) interest paid or incurred during the tax year to any insurer in the commonly controlled group multiplied by the disqualifying percentage. The disqualifying percentage is an amount equal to 100% less the capitalization percentage provided for in [Section 2(2), (4), or (5)] for that tax year whether or not a dividend is paid or accrued.

(b) The following noninterest expenses are disallowed:

(i) expenses attributable to property formerly held by the taxpayer or a member of the taxpayer's commonly controlled group that was acquired by the insurer in a transaction in which gain was realized but not recognized, including any income deferred under [Section 5], by the taxpayer or a member of its commonly controlled group;

(ii) expenses attributable to property purchased with the proceeds attributable to a contribution by a noninsurer member of the taxpayers' commonly controlled group to the capital of an insurer member of that group, including amounts attributable to a direct or indirect transfer of money from that contribution from one insurer to another insurer in the same group.

(3) Expenses that may be disallowed by more than one expense exclusion in subsection (2) may be included only in the exclusion that will result in the highest disallowance amount.

(4) For purposes of this section, the following definitions apply:

(a) "Qualified marketable debt instruments" means publicly available debt instruments of all noninsurer members of the commonly controlled group issued, but only to the extent that the aggregate principal amount of publicly available debt instruments held by all insurer members of the commonly controlled group constitutes less than 10% of the total outstanding principal amount of publicly available debt instruments issued by all noninsurer members.

(b) "Publicly available debt instruments" means debt instruments available to the general public, including bonds, debentures, and negotiable instruments that are rated by a nationally recognized statistical rating organization, as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Securities Exchange Act of 1934, in one of its generic rating categories that signifies investment grade."

**Insert: "NEW SECTION. Section 5. Transfer of property to insurer.** (1) (a) Except as provided in subsection (1)(b), in connection with any exchange described in section 332, 351, 354, 356, or 361 of the Internal Revenue Code, 26 U.S.C. 332, 351, 354, 356, or 361, when a taxpayer transfers property to an insurer, the insurer, for purposes of determining the extent to which gain is recognized on that transfer, is not, for the purposes of this section, considered a corporation.

(b) The provisions of subsection (1)(a) do not apply to any of the following types of transactions, unless that transaction has the effect, either directly or indirectly, of transferring appreciated property from a taxpayer subject to tax under this chapter or a member of the taxpayer's combined reporting group, to an insurer:

(i) an exchange or transfer pursuant to section 368(a)(2)(D) or (a)(2)(E) of the Internal Revenue Code, 26 U.S.C. 368(a)(2)(D) or (a)(2)(E);

(ii) a transfer of stock in an 80%-owned insurer for the purpose of filing a consolidated tax return or for financial or regulatory reporting; or

(iii) a transfer or exchange of publicly owned stock of the parent corporation.

(c) (i) If a transaction described in subsection (1)(b) would qualify under that subsection except that the transaction

has the effect, directly or indirectly, of transferring appreciated property from a taxpayer or a member of the taxpayer's combined reporting group, subject to tax under this chapter, to an insurer, then, if the property is used in the active trade or business of the insurer, subsection (2) applies to that transfer.

(ii) For purposes of this subsection (1)(c), "appreciated property" means property whose fair market value, as of the date of the transfer subject to this section, exceeds its adjusted basis as of that date.

(2) (a) If property subject to subsection (1)(a) or (6) is transferred to an insurer for use in the active conduct of a trade or business of the insurer, then any gain otherwise required to be recognized under subsection (1)(a) or (6) is deferred until the date that:

(i) the property is no longer owned by an insurer in the taxpayer's commonly controlled group or a member of the taxpayer's combined reporting group;

(ii) the property is no longer used in the active conduct of the insurer's trade or business or the trade or business of another member in the taxpayer's combined reporting group; or

(iii) the holder of the property is no longer held by an insurer in the commonly controlled group of the transferor or a member of the taxpayer's combined reporting group.

(b) Any of the events described in subsection (2)(a) must be treated as a disposition of the property under this subsection (2), irrespective of whether any other provision of this chapter or in the Internal Revenue Code would otherwise permit nonrecognition treatment of the transaction described in this subsection (2).

(c) An insurer that becomes a member of the taxpayer's commonly controlled group or a corporation that becomes a member of the taxpayer's combined reporting group as a result of a transaction referred to in this subsection (2) must be treated as a member of the taxpayer's commonly controlled group or a member of the taxpayer's combined reporting group at the time of the transfer for purposes of this subsection (2).

(d) For purposes of this subsection (2), stock of an insurance subsidiary constitutes property used in the active trade or business of the insurer.

(e) This subsection (2) does not apply to any property described by section 367(a)(3)(B) of the Internal Revenue Code, 26 U.S.C. 367(a)(3)(B).

(f) If the deferred gain required to be taken into account under this subsection (2) is business income as defined in 15-31-302, the gain must be apportioned using the apportionment percentage for the tax year that the gain is required to be taken into account under this subsection (2). Except as provided in 15-31-312 and rules adopted to implement that section, for purposes of the sales factor for that tax year, the transaction

giving rise to that gain must be treated as a sale occurring in the tax year the gain is taken into account. The amount of any gain required to be recognized under this subsection (2) upon any disposition described in this subsection (2) may not exceed the lesser of the deferred gain or the gain realized in the transaction in which gain is required to be recognized under this subsection (2).

(g) For purposes of computing the amount of gain required to be recognized under this subsection (2), appropriate adjustments may be made, pursuant to rules adopted by the department, to the basis of stock to reflect the disallowance of any expenses under [Section 4(2)].

(3) The department may adopt rules providing for an annual reporting requirement in the form of a statement or other form, to be attached to the transferor taxpayer's return, regarding the current ownership of any property for which any gains were previously deferred pursuant to subsection (2). If the transferor taxpayer fails to provide information required by the department, the department may, in lieu of the year in subsection (2)(f), require that the transferor taxpayer take those gains into account in the first tax year in which the current ownership of the property is not reported unless the property is still owned by the transferee and the failure to provide the information was due to reasonable cause and not willful neglect. If a taxpayer fails to satisfy the reporting requirements of this subsection (3), then a notice of proposed deficiency assessment resulting from adjustments attributable to gains previously deferred pursuant to subsection (2), with respect to which the reporting requirements were not satisfied, may be mailed to the taxpayer within 4 years from the date on which the reporting requirements are satisfied by the taxpayer.

(4) Unless otherwise provided by rules adopted by the department, a transfer by a taxpayer of an interest in a partnership to an insurer in a transaction described in subsection (1)(a) must be treated as a transfer to that insurer of the taxpayer's pro rata share of the assets of the partnership.

(5) (a) A distribution described by section 355 of the Internal Revenue Code, 26 U.S.C. 355, or section 356 of the Internal Revenue Code, 26 U.S.C. 356, as it relates to section 355 of the Internal Revenue Code, must be treated as an exchange under this section, whether or not the distribution is an exchange. This subsection (5)(a) does not apply to a distribution in which:

- (i) the distributing corporation is an insurer; or
- (ii) the distributee is a person other than an insurer.

(b) For a distribution described in section 355 of the Internal Revenue Code, 26 U.S.C. 355, or section 356 of the Internal Revenue Code, 26 U.S.C. 356, as it relates to section 355 of the Internal Revenue Code, by a taxpayer to an insurer,

the department shall adopt rules regarding the recognition of gain to prevent the removal of gain inherent in property at the time of a transfer from taxation.

(6) For purposes of this section, a transfer of property to an insurer as a contribution to capital of that insurer by one or more persons who, immediately after the transfer, own, within the meaning of section 318 of the Internal Revenue Code, 26 U.S.C. 318, stock possessing at least 80% of the total combined voting power of all classes of stock of that insurer that are entitled to vote must be treated as an exchange of that property for stock of the insurer equal in value to the fair market value of the property transferred.

(7) (a) In the case of any liquidation to which section 332 of the Internal Revenue Code, 26 U.S.C. 332, applies, unless otherwise provided in rules adopted by the department:

(i) sections 337(a) and (b)(1) of the Internal Revenue Code, 26 U.S.C. 337(a) and (b)(1), do not apply if the 80% distributee is an insurer; and

(ii) if the distributor is an insurer, the distributee shall treat the distribution as a distribution from the insurer's earnings and profits.

(b) For purposes of subsection (7)(a)(ii), the distribution from earnings and profits must be treated as a dividend eligible for a deduction, to the extent otherwise provided in [Section 3], as if it was actually distributed as a dividend.

(8) (a) Upon an adequate showing by a taxpayer that a transaction referred to in subsection (1) or (7) would not violate the purposes of this section to prevent the removal of gain inherent in property at the time of a transfer from taxation under this section, the department may grant relief from the application of this section.

(b) In a proceeding contesting the department's actions under this section, relief may be granted a taxpayer only upon a specific finding by the state tax appeal board or district court that the contested transfer did not remove gain inherent in property at the time of transfer from taxation under this section."

**Insert: "NEW SECTION. Section 6. Includable in gross income.**

(1) (a) The department may include in the gross income of the taxpayer or a member of the taxpayer's combined reporting group in that tax year the taxpayer's pro rata share or the pro rata share of a member of the taxpayer's combined reporting group of any of those insurers' current earnings and profits in that tax year, but not to exceed an amount equal to the specific insurer's net income attributable to investment income for that year minus that insurer's net written premiums received in that same tax year, if:

(i) for any tax year, an insurer is a member of a taxpayer's commonly controlled group;

(ii) the ratio of the 5-year average net written premiums to

the 5-year average total income of all insurers in the commonly controlled group is equal to or less than 0.10; and

(iii) the accumulation of earnings and profits of the insurers in the commonly controlled group had a substantial purpose of avoidance of taxes on, according to, or measured by income of this state or any other state.

(b) The amount included in gross income pursuant to subsection (1)(a) must be treated as a dividend received from an insurance company during the tax year, and to the extent applicable, [Section 3] applies to that amount.

(2) To the extent that the amounts are included pursuant to subsection (1) in the gross income of a taxpayer or a member of the taxpayer's combined reporting group, those amounts may not again be considered as investment income in the application of the ratio in subsection (1)(a)(ii).

(3) (a) The amounts included in gross income under subsection (1) may not again be included in gross income when subsequent distributions are made to:

(i) the taxpayer or a member of the taxpayer's combined reporting group;

(ii) another taxpayer that acquires an interest in the stock of the taxpayer or a member of the taxpayer's combined reporting group with respect to which subsection (1) was applied; or

(iii) any successor or assign of the respective taxpayers or a member of the taxpayer's combined reporting group described in this subsection (3).

(b) For purposes of applying this subsection (3), distributions from an insurer are considered first made from amounts included under subsection (1).

(4) For purposes of this section, the terms "net written premiums", "5-year average net written premiums", and "5-year average total income" have the same meaning as applicable for [Section 3], whether or not a dividend is actually received from any insurer member of the taxpayer's commonly controlled group in that tax year.

(5) For the purposes of this section, the taxpayer's pro rata share of the current earnings and profits of an insurer member of a commonly controlled group is the amount that would have been received as a dividend by the taxpayer or a member of the taxpayer's combined reporting group if:

(a) the insurer had directly distributed its current earnings and profits with respect to its stock held by the taxpayer or a member of the taxpayer's combined reporting group; and

(b) the insurer holds the stock of another insurer and all other insurer members of the taxpayer's commonly controlled group had distributed the same current earnings and profits with respect to their stock, in the same tax year, until amounts were received as a dividend by the taxpayer or a member of the taxpayer's combined reporting group from an insurer member of the

commonly controlled group.

(6) In the application of this section, amounts treated as a dividend received by a partnership are considered a dividend received by each partner that is a member of the commonly controlled group, either directly or through a series of tiered partnerships.

(7) The provisions of this section do not apply to an insurer involved in a proceeding under the Insurers Supervision, Rehabilitation, and Liquidation Act, Title 33, chapter 2, part 13, or any similar proceeding brought by any other state insurance commissioner."

(2) If a taxpayer's ratio of the 5-year average net written premiums for all insurance companies in a commonly controlled group to the 5-year average total income for all insurance companies in the commonly controlled group for the tax year is less than 60%, as determined under [Section 3], and upon an adequate showing by a taxpayer that a transaction referred to in [Sections 3 through 6] was entered into with a legitimate business purpose, the department may grant relief from the application of [Sections 2 through 8]."

(b) Only one claim may be made with respect to any property.

(2) (a) The provisions of [sections 13 through 24] do not apply to a remittor that produces less than 100,000 barrels of oil and less than 500 million cubic feet of gas annually. The department shall determine a remittor's annual production of oil and gas based upon a 3-year rolling average of the remittor's annual production as reported by the remittor to the Montana board of oil and gas conservation.

(b) Each producer that is exempted from withholding under subsection (2)(a) shall make an annual return to report royalty payments that exceed the dollar amounts in subsection (3). The

(4) If a remittor remits withholding taxes electronically, the remittance is considered timely if made within 5 days after the due date of the payment.

(5) If the department has reason to believe that collection of the amount of any tax withheld is in jeopardy, it may proceed as provided under 15-1-703.

(6) Each remittor shall keep accurate royalty payment and withholding records containing the information that the department may prescribe by rule. (7) The penalty imposed under subsection (4) applies to any failure to disclose any listed transaction entered into after February 28, 2000, or any other reportable transaction entered into after [the effective date of sections 25 through 31] for any tax year or years for which the transaction remains undisclosed and for which the statute of limitations on assessment, taking into account the extension provided under subsection (12), has not expired as of [60 days after the effective date of sections 25 through 31].

(8) (a) If a taxpayer has a reportable transaction understatement for any tax year as determined under subsection (8) (b), there must be added to the tax a penalty in an amount equal to 20% of the amount of the understatement. If the requirements of subsection (1) are not met, the percentage to be used for the penalty determination is 30% with respect to the portion of any reportable transaction understatement.

(b) (i) Except as provided by department rule, a tax treatment included with an amendment or supplement to a return of tax may not be taken into account in determining the amount of any reportable transaction understatement if the amendment or supplement is filed after the earlier of the date the taxpayer is first contacted by the department regarding the examination of the return or any other date that is adopted by rule pursuant to [Section 31].

(ii) A reportable transaction understatement is the sum of:

(A) the product of:

(I) the highest rate of tax imposed by 15-30-103 if the taxpayer is an individual and 15-31-121 if the taxpayer is a C. corporation; and

(II) the amount of the increase, if any, in Montana taxable income, as determined under subsection (8) (c), that results from a difference between the proper tax treatment of an item to which subsection (3) applies and the taxpayer's treatment of that item as shown on the taxpayer's return of tax, including an amended return if the amended return is filed prior to the date that the taxpayer is first contacted by the department regarding the examination of the tax year for which the amended return is filed; and

(B) the amount of the decrease, if any, in the aggregate amount of credits that results from a difference between the taxpayer's treatment of an item to which subsection (3) applies as shown on the taxpayer's return of tax and the proper tax treatment of that item.

(c) The amount of the increase in Montana taxable income for a particular tax year includes the restatement for another tax year to which a loss or deduction is carried forward or carried back that is attributable to the reportable transaction for that year in which the carryforward or carryback of the loss or deduction applies. Any reduction of the excess of deductions

allowed for the tax year over gross income for the year and any reduction in the amount of capital losses that would be allowed for the year are treated as an increase in taxable income.

(d) This subsection (8) applies to any item that is attributable to:

(i) any listed transaction; and

(ii) any reportable transaction, other than a listed transaction, if section 6662A of the Internal Revenue Code, 26 U.S.C. 6662A, applies to the transaction or if a significant purpose of the transaction is the evasion of Montana income or corporation license tax.

(e) A penalty imposed under this subsection (8) is considered assessed on the due date of the Montana tax return that shows the understatement of tax resulting from a reportable transaction to which the penalty relates.

(9) (a) For an amended return filed after December 31, 2007, and before the taxpayer is contacted by the U.S. internal revenue service or the department regarding a reportable transaction, there must be added to any reportable transaction understatement, as determined under subsection (8) (b), a penalty, in addition to all other applicable penalties, equal to 50% of the interest assessed under 15-1-216 for the period beginning on the last date prescribed by law for the payment of the tax, determined without regard to extensions and ending on the date of payment.

(b) If the taxpayer has been contacted by the internal revenue service or the department regarding a reportable transaction, there must be added to any reportable transaction understatement, as determined under subsection (8) (b), a penalty, in addition to any other applicable penalties, equal to 100% of the interest assessed under 15-1-216 for the period beginning on the last date prescribed by law for the payment of the tax, determined without regard to extensions and ending on the date the notice of proposed assessment is mailed.

(10) (a) Except as provided in subsection (10) (b), the department may waive all or any portion of any penalty imposed by subsections (8) and (9) with respect to any portion of a reportable transaction understatement if it is shown that the taxpayer had a reasonable basis for the tax treatment applicable to that portion and acted in good faith with respect to that treatment.

(b) Subsection (10) (a) does not apply to any reportable transaction understatement unless:

(i) the relevant facts affecting the tax treatment of the item are adequately disclosed in accordance with all requirements of subsection (1) and department rules or the penalty for the taxpayer's failure to fully disclose was waived pursuant to subsection (6);

(ii) there is or was substantial authority for the tax treatment; and

(iii) the taxpayer reasonably believed that the tax treatment was more likely than not the proper tax treatment, but only if the belief:

(A) is based on the facts and law that exist at the time the return that includes the tax treatment is filed;

(B) relates solely to the taxpayer's chances of success on the merits of the tax treatment and does not take into account the possibility that a return will not be audited, the tax treatment will not be raised on audit, or the tax treatment will be resolved through settlement if it is raised; and

(C) does not rely upon the opinion of a disqualified tax advisor or on a disqualified opinion.

(11) A penalty imposed under subsections (8) and (9) applies to any understatement of tax resulting from a listed transaction entered into after February 28, 2000, or from any other reportable transaction entered into after [the effective date of sections 25 through 31] in any tax year or years for which the statute of limitations on assessment, taking into account the extension provided in subsection (12), has not expired as of [the effective date of sections 25 through 31].

(12) If a taxpayer does not include on a return or statement for any tax year information about a listed transaction required under subsection (1), the time for assessment of a tax imposed by Title 15, chapter 30 or 31, with respect to that transaction does not expire before the date that is 1 year after the earlier of the date:

(b) that a material advisor meets the requirements of [Section 28] with respect to a request by the department under [Section 28(3)] relating to the transaction with respect to the taxpayer."

(i) information identifying and describing the transaction;

(ii) information describing any potential tax benefits expected to result from the transaction; and

(iii) any other information that the department may prescribe.

(b) A material advisor who is required to disclose a reportable transaction pursuant to section 6111 of the Internal Revenue Code, 26 U.S.C. 6111, shall file a copy of the disclosure with the department.

(c) The return required by subsection (1) (a) and disclosure required by subsection (1) (b) must be filed not later than the date specified by the department.

(d) The department may adopt rules that provide:  
(i) that only one person is required to meet the requirements of this subsection (1) in cases in which two or more persons would otherwise be required to meet the requirements; and  
(ii) exemptions from the requirements of this subsection (1).

(2) (a) Each material advisor with respect to any reportable transaction shall, whether or not required to file a return under subsection (1)(a), maintain a list identifying each Montana taxpayer, pass-through entity, member of a federal consolidated group, or member of a unitary group for whom the advisor has acted as a material advisor with respect to the transaction.

(b) The list required under subsection (2)(a) must include the same information and must be maintained in the same form and manner as required under section 6112 of the Internal Revenue Code, 26 U.S.C. 6112, U.S. treasury regulation 301.6112-1, 26 CFR 301.6112-1, and any additional information or maintenance requirements as the department may by rule require.

(3) A person required to maintain a list under subsection (2)(a):

(a) shall make the list available to the department upon written request; and

(b) except as otherwise provided by the department by rule, shall retain any information that is required to be included on the list for 7 years.

(4) The department may, by rule, provide that in cases in which two or more persons are required to maintain the same list or a portion of the list under subsection (2), only one person is required to maintain the list or portion of the list.

(5) (a) If a person who is required to file a return or disclosure under subsection (1) with respect to any reportable transaction does not file the return or disclosure on or before the due date or files false or incomplete information with the department with respect to the transaction, the person shall pay a penalty with respect to the return or disclosure in the amount determined under subsections (5)(b) and (5)(c).

(b) Except as provided in subsection (5)(c), the penalty imposed under (5)(a) with respect to any failure is \$50,000.

(c) The penalty imposed under subsection (5)(a) with respect to any listed transaction is an amount equal to the greater of:

(i) \$200,000; or

(ii) except as provided in subsection (5)(d), 50% of the gross income derived by the person with respect to aid, assistance, or advice that is provided with respect to the listed transaction before the date the return and, if applicable, disclosure is filed under subsection (1).

(d) For an intentional failure or act described in subsection (5)(a), the percentage amount for the penalty

computation in subsection (5)(c)(ii) is 75%.

(e) If a person is required to maintain a list under subsection (2) but does not make the list available upon written request to the department in accordance with subsection (3) within 20 business days after the date of the request, the person shall pay a penalty of \$10,000 for each day the list is not made available after the 20-day period has expired.

(6) Each of the penalties imposed by subsection (5) is in addition to any other applicable penalties.

(7) The department may waive all or any portion of penalty imposed under subsection (5):

(a) with respect to any violation of subsection (1) if:

(i) the violation relates to a reportable transaction other than a listed transaction; and

(ii) a waiver of the penalty would promote compliance with the requirements of Title 15, chapters 30 and 31, and effective tax administration; and

(b) with respect to any violation of subsection (2), if on any day the violation was due to a reasonable cause.

(8) The provisions of this section apply to transactions with respect to which material aid, assistance, or advice is provided by a material advisor after [the effective date of sections 25 through 31]."

(ii) a gross valuation overstatement as to any material matter.

(2) Activities described in subsection (1)(a) with respect to each entity or arrangement must be treated as a separate activity and participation in each sale described in subsection (1)(b) must be treated as a separate activity.

(3) A person described in subsection (1) shall pay, with respect to each activity described in subsection (1)(a) and in

addition to any other penalty provided by law, a penalty equal to:

- (a) the lesser of:
  - (i) \$1,000; or
  - (ii) 100% of the gross income derived or to be derived by the person from the activity; or
- (b) if an activity with respect to which a penalty imposed under this subsection involves a disclosure described in subsection (1) (b), a penalty of 50% of the gross income derived or to be derived from the activity by the person on which the penalty is imposed.

(4) The department may waive all or any part of the penalty provided by subsection (3) with respect to any gross valuation overstatement on a showing that there was a reasonable basis for the valuation and that the valuation was made in good faith.

(5) A privilege of confidentiality does not apply to any written communication that is:

**Insert: "NEW SECTION. Section 40. Tax evasion transaction voluntary compliance program.** (1) There is a tax evasion transaction voluntary compliance program for eligible taxpayers subject to tax under Title 15, chapter 30 or 31, as provided in [Sections 38 through 40]. The department shall develop and administer the program. The program must be conducted from September 1, 2007, through December 31, 2007, and applies to tax liabilities attributable to the use of tax evasion transactions for tax years beginning before January 1, 2007. The department shall adopt rules, issue forms and instructions, and take any other action that it considers necessary to implement the program.

(2) An eligible taxpayer may elect to participate in the program with respect to any tax year to which the program applies under either subsection (3) or (4). The election must be made for all tax years for which the taxpayer will participate, and a separate election for different tax years or for different transactions in different tax years is not allowed. The election must be made in the form and manner prescribed by the department and, once made, is irrevocable.

(3) If an eligible taxpayer elects to participate under this subsection (3):

(a) the department shall waive all penalties applicable to the underreporting or underpayment of Montana income or

corporation license tax attributable to the use of tax evasion transactions for the tax years for which the taxpayer voluntarily complies, including penalties imposed under [Sections 25 through 37];

(b) except as otherwise provided in this section, the department may not seek criminal prosecution against the taxpayer for the tax year underreporting and underpayment with respect to tax evasion transactions for which the taxpayer voluntarily complies;

(c) a penalty may not be waived under this section if the penalty imposed relates to an amount of Montana income or corporation license tax assessed or paid prior to September 1, 2007; and

(d) the taxpayer may not file a claim for credit or refund with respect to the tax evasion transactions for that tax year or for any amounts paid under the program.

(4) If an eligible taxpayer elects to participate under this subsection (4):

(a) the department shall waive any penalty imposed under [Sections 25 through 37] with respect to disclosure of tax evasion transactions and underpayment of Montana income and corporation license tax resulting from the use of tax evasion transactions for any tax years for which the taxpayer voluntarily complies, but may not waive penalties imposed prior to [the effective date of sections 25 through 37];

(b) except as otherwise provided in subsection (5) or (6), the department may not seek criminal prosecution against the taxpayer for the tax year underreporting and underpayment with respect to tax evasion transactions for which the taxpayer voluntarily complies;

(c) a penalty may not be waived under this section if the penalty imposed relates to an amount of Montana income or corporation license tax assessed or paid prior to September 1, 2007;

(d) the fact a taxpayer participated in the program may not be considered evidence the taxpayer engaged in a tax evasion transaction;

(e) any penalties that are not waived are considered assessed upon the due date of the return, determined without regard to extensions, upon which the amount should have been paid;

(f) the taxpayer may file a claim for credit or refund as provided in Title 15, chapter 30 or 31, with respect to the tax year; and

(g) notwithstanding 15-1-211, the taxpayer may not file an appeal until after either of the following:

(i) the department issues a final determination with respect to the transactions at issue; or

(ii) the earlier of:

(A) the date that is 180 days after the date of a final

determination by the internal revenue service with respect to the transactions at issue; or

(B) the date that is 4 years after the date that the claim for refund was filed or 1 year after the full payment of all Montana income or corporation license tax, including penalty and interest.

(5) The provisions of 15-1-211(2)(c) and (4)(c) and 15-2-302(2) do not apply to claims filed under this section.

(6) The department may enter into an installment payment agreement in lieu of full payment of the entire amount of Montana income or corporation license tax and interest due for the tax year that is attributable to the use of the tax evasion transaction. Any installment payment agreement authorized by this subsection must include interest on the unpaid amount at the rate prescribed by 15-1-216. Failure by the taxpayer to fully comply with the terms of the installment payment agreement renders the waiver of penalties void, and the total amount of tax, interest, and all penalties is immediately due and payable.

(7) After December 31, 2007, the department may issue a deficiency assessment upon an amended return filed by an eligible taxpayer as defined in [Section 39], impose penalties, or initiate criminal action with respect to the difference between the amount shown on that return and the correct amount of tax. The penalty relief provided in subsection (3) or (4) does not apply to any portion of the underpayment attributable to a tax evasion transaction not paid to the state.

(8) Any correspondence mailed by the department to a taxpayer at the taxpayer's last-known address outlining the program constitutes a contact for purposes of [Section 27(9)].

(9) (a) In addition to any other authority to examine returns for the purpose of improving state tax administration, the department may inquire into the facts and circumstances related to the use of tax evasion transactions to underreport the tax liabilities for which a taxpayer has participated in the program under [Sections 38 through 40].

(b) A taxpayer shall cooperate fully with inquiries described in subsection (9)(a).

(c) Failure by a taxpayer to fully cooperate in an inquiry described in subsection (9)(a) renders the waiver of penalties under [Sections 38 through 40] void and the taxpayer may be assessed any penalties that may apply."

Time for filing -- extensions of time.** (1) A return must be made to the department on or before the 15th day of the 4th month following the close of the taxpayer's fiscal year, or if the return is made on the basis of the calendar year, then the return must be made on or before the 15th day of April following the close of the calendar year. Each return must set forth those facts that the department considers necessary for the proper enforcement of this chapter. There must be annexed to the return the affidavit or affirmation of the persons making the return to the effect that the statements contained in the return are true. Blank forms of return must be furnished by the

department upon application, but failure to secure the form does not relieve any taxpayer of the obligation to make any return required under this chapter. Each taxpayer liable for a tax under this chapter shall pay a minimum tax of \$1.

~~(2) An automatic 4-month extension of time for filing a return is allowed, provided that:~~

~~(a) on or before the due date of the return, the taxpayer has applied with the internal revenue service for a 4-month extension of time for filing the taxpayer's federal individual income tax return for the same tax year. ~~(b) the taxpayer has paid by estimated tax payments, withholding tax, or a combination of estimated tax payments and withholding tax 90% of the current year's tax liability or 100% of the previous year's tax liability. A taxpayer is allowed an automatic extension of time for filing the taxpayer's return of up to 6 months following the date prescribed for filing of the tax return. The tax, penalty, and interest must be paid when the return is filed. Penalty and interest must be added to the tax due as provided in 15-1-216. The department may grant an additional extension of time for the filing of a return whenever in its judgment good cause exists. An automatic extension for filing a return or an additional extension of time for filing a return for good cause is not an extension of time for the payment of taxes.~~

~~(3) An additional 2-month extension of time for filing a return is automatically allowed provided that the taxpayer has applied with the internal revenue service for an additional 2-month extension of time for filing the taxpayer's federal individual income tax return for the same tax year and has satisfied the requirements of subsection (2) (b). **"15-30-149. Credits and refunds -- period of limitations.**

(1) If the department discovers from the examination of a return or upon a claim filed by a taxpayer or upon final judgment of a court that the amount of income tax collected is in excess of the amount due or that any penalty or interest was erroneously or illegally collected, the amount of the overpayment must be credited against any income tax, penalty, or interest then due from the taxpayer and the balance of the excess must be refunded to the taxpayer.

(2) (a) A credit or refund under the provisions of this section may be allowed only if:

(i) prior to the expiration of the period provided by 15-30-146 and 15-30-147, the taxpayer files a claim or the

department determines there has been an overpayment; or  
(ii) the claim for a credit or refund is made within 1 year  
of the determination of the overpayment.

(b) If an overpayment of tax results from a net operating loss carryback, the overpayment may be refunded or credited within the period that expires on the 15th day of the 40th month following the close of the tax year of the net operating loss if that period expires later than 5 years from the due date of the return for the year to which the net operating loss is carried back.

(3) Within 6 months after a claim for refund is filed, the department shall examine the claim and either approve or disapprove it. If the claim is approved, the credit or refund must be made to the taxpayer within 60 days after the claim is approved. If the claim is disallowed, the department shall notify the taxpayer and a review of the determination of the department may be pursued as provided in 15-1-211.

(4) Interest is allowed on overpayments at the same rate as charged on delinquent taxes as provided in 15-1-216. Interest is payable from the due date of the return or from the date of the overpayment, whichever date is later, to the date the department approves refunding or crediting of the overpayment. With respect to tax paid by withholding or by estimate, the date of overpayment is the date on which the return for the tax year was due. Interest does not accrue on an overpayment if the taxpayer elects to have it applied to the taxpayer's estimated tax for the succeeding taxable tax year. Interest does not accrue during any period the processing of a claim for refund is delayed more than 30 days by reason of failure of the taxpayer to furnish information requested by the department for the purpose of verifying the amount of the overpayment. Interest is not allowed if:

(a) the overpayment is refunded within 45 days from the date the return is due or the date the return is filed, whichever date is later;

(b) the overpayment results from the carryback of a net operating loss; or

(c) the amount of interest is less than \$1.

(5) An overpayment not made incident to a bona fide and orderly discharge of an actual income tax liability or one reasonably assumed to be imposed by this law is not considered an overpayment with respect to which interest is allowable."

The deferred amount must be attributed to the taxpayer making the conversion.~~

~~(8)~~ (7) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the accounts.

Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

~~(9)~~(8) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection ~~(9)(a)(iv)~~ (8)(a)(iv), not to exceed \$5,000, from the taxpayer's adjusted gross income if the taxpayer:

(iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment program described in subsection ~~(9)(b)~~ (8)(b) as an incentive to practice in Montana.

(b) For the purposes of subsection ~~(9)(a)~~ (9)(a), a loan repayment program includes a federal, state, or qualified private program. A qualified private loan repayment program includes a licensed health care facility, as defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility as a licensed health care professional. (Subsection (2)(f) terminates on occurrence of contingency--sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)"
