purpose of offsetting distribution costs, SB 365

DISTRICTING AND APPORTIONMENT COMMISSION

Constitutional amendment providing that presiding officer be retired state or federal district court judge or state
supreme court justice, SB 267

DNA TESTING

Felony offense, person charged with or youth charged with commission of sexual or violent offense --
requirement upon finding of probable cause and when person or youth first appears in court upon charges
for offense, HB 263
Sex offenses, time for commencement of prosecution of certain offenses is when (to include) identity of suspect
who is charged with offense is established by DNA evidence, SB 104

DOG BREEDING FACILITIES

Standards, registration, and inspections -- provisions for, HB 720

DOMESTIC VIOLENCE

Orders of protection, eligibility revised, SB 411
Partner or family member assault
misdemeanor probation pilot program, requirements, HB 696
penalties increased, HB 329
Supervised visitation and exchange monitoring pilot program, creation and administration, HB 518

DOMESTIC VIOLENCE FATALITY REVIEW COMMISSION

Termination date extended, SB 170

DO NOT MAIL ACT, HB 718

DO NOT RESUSCITATE, NOTIFICATION

Guardian, consent authority -- requirements, HB 683

DORMANT MINERAL INTERESTS ACT, SB 26

DOWNTOWN PROTECTION ACT, HB 576

DRIVING UNDER THE INFLUENCE, See MOTOR VEHICLES AND TRAFFIC REGULATIONS

DRUGS AND CONTROLLED SUBSTANCES AND DEVICES

Antiepileptic drugs, prohibiting substitution without physician and patient consent, SB 521
Boating and sailing under the influence provisions revised and providing enforcement, SB 143
Buprenorphine, transfer from schedule V drug to schedule III drug, HB 449
County drinking and driving prevention programs, inclusion of drug use in, SB 159
Driving under the influence, See MOTOR VEHICLES AND TRAFFIC REGULATIONS
Drug testing of employees, requesting interim study pertaining to regulation, SJR 30
Infants, drug-affected -- clarifying requirements concerning notice by health/certain professionals, HB 91
Medical marijuana provisions expanded, HB 311
Methamphetamines

contaminated property, notice by law enforcement to department of revenue for safety of appraisers, HB 234
endangering welfare of children, criminal offense to include methamphetamine-related child endangerment and penalty provided, SB 85
public awareness campaigns to combat use, funding, HB 418
Minors in possession on Department of Fish, Wildlife, and Parks lands, other public/state lands, and public/state waters -- authorizing enforcement of laws by game wardens and park rangers, SB 224
Newborns, testing for exposure to dangerous drugs or alcohol and prosecution of parents if test results are positive, HB 645
Nonprescription drug manufacturers, retail and wholesale -- licensing and regulation provisions removed, SB 94
Prescription drugs
 database and prescription drug monitoring program, provisions for, SB 326
 employer-based onsite clinics, medical practitioners authorized to dispense drugs at, SB 397
 mental health services plan benefits, appropriation for, HB 734
 psychologists, prescribing -- provisions for, SB 522
 wholesale distributors, license requirements and procedures, HB 536
 wholesale licensure and prescription medication integrity act, HB 536
 workers' compensation fee schedules, procedures for establishing, SB 108, HB 738
Workforce drug and alcohol testing provisions
 definitions and testing procedures revised, SB 249
 employee, definition revised, SB 490

DRUG TREATMENT COURT COUNCIL

Creation, powers and duties, and funding, HB 78

DRUG TREATMENT COURTS

Funding, HB 472

- E -

ECONOMIC DEVELOPMENT

Big sky economic development program incentives, revision, HB 286
Business infrastructure in Montana as it relates to economic development initiatives, interim study requested, HJR 28
Certified regional development corporations, funding -- termination date repealed and increase in statutory appropriation, SB 42, HB 331
Coal severance tax trust fund allocation to economic development loan program increased, SB 69
Equity Capital Investment Act, appropriation for implementation, HB 34
Local economic development organizations and employees, allowing participation in state employee group benefits plan, HB 399
Montana Manufacturing Extension Center at Montana State University-Bozeman, funding demonstration construction project regarding economic development programs, HB 371
Regional rural economic development centers, creation, HB 223
Renewable Fuel, Energy Independence, and Rural Economic Development Act to require use of biodiesel in all diesel fuel sold in Montana, HB 309
State-Tribal Economic Development Commission, revision of provisions and termination date repealed, SB 173
Statutory appropriation for programs, retention and increase, SB 42, HB 331
Targeted Economic Development District Act, HB 832
University system, commercialization projects with research units within -- requesting interim study on economic benefits of pursuing, HJR 39

ECONOMIC DEVELOPMENT ADVISORY COUNCIL

Duties expanded, HB 601

ECONOMIC DEVELOPMENT, OFFICE OF

Appropriation, HB 410

State personnel classification plan, employees to be part of existing plan, HB 619

EDUCATION, See specific SCHOOL heading; See also COMMUNITY COLLEGE DISTRICTS AND TRUSTEES;
UNIVERSITY SYSTEM

ELECTIONS, See also BALLOT ISSUES; SCHOOL ELECTIONS

Absentee ballots

address confirmation forms, revising times at which election administrator must mail, SB 443

availability for voting, time revised, HB 281, HB 520

county mailing costs, state reimbursement, HB 245

military personnel stationed overseas, person holding power of attorney authorized to apply for ballot on behalf of personnel, SB 374

overseas and military electors, special/federal write-in ballot -- provision/and procedures for, HB 570

write-in candidate filing declaration of intent, deadline changed to ensure name will appear on ballots, HB 242

Absentee voting in person at alternative sites within county, provision for, SB 333

Campaign advertising, fair notice period before election, SB 279

Campaign contributions

limits, providing for periodic inflation adjustment, HB 706

street addresses of contributors and of vendors to whom expenditures made, reporting requirement eliminated, SB 272

Campaign finance

laws, interim study requested, HJR 53

reports, providing for electronic filing and website for posting information, HB 202

Campaign materials

broadcast campaign advertising material and affidavit about truth of content, voluntary filing allowed (and investigation and prosecution of alleged false swearing), SB 253

title of bill, printed material referring to particular piece of legislation to include entire title, HB 316

Campaign practices, enforcement of statutes by civil action rather than commissioner of political practices or county attorney and providing for relief from district court, HB 225

Candidate nomination petitions, signature gatherer identification provisions, SB 80

Candidates nominated by more than one party, provision for, SB 280

Clean Campaign Act, SB 279

Clean Elections Act, HB 760

Community benefits agreements, negotiation and approval by electors, HB 652

Constituent services accounts

establishment, funding, and use of money, SB 91, HB 202, HB 462, HB 562

prohibiting and prohibiting deposit of surplus campaign funds in, SB 509

prohibiting and providing for closing of existing accounts, SB 310

Contested election costs, responsibility provisions revised, SB 117, HB 52

County bonds and bond issues, information to be included in question submitted to electors and requiring 2/3 approval for issuance of bonds or incurrence of other indebtedness exceeding limitation when, HB 561

County commissioners, board of

election by electorate of district from which they are selected, requiring, HB 457

vacancies on boards, appointments to be made from lists provided by partisan county central committees when, SB 364

County road levy election, allowing certain property owners to vote in, SB 308

County sheriff, qualification for election to office, SB 437

Declaration for nomination filed electronically with secretary of state, acknowledgment not required, HB 140

District court judge, candidate for office -- requiring minimum trial experience qualifications at time of filing, HB 165

Election laws, interim study requested for cleanup and clarification, HJR 46

Fireworks regulation or prohibition within counties, HB 367

Oil, Gas, and Energy Generation Local Government Infrastructure Impact Assistance Act, HB 798
Outer Continental Shelf, president and congress urged to make available for energy development in environmentally responsible manner, HJR 13
Renewable distributed energy generation, small-scale -- request for interim study regarding issues of interconnection, transmission and distribution, safety, system costs and benefits, and allocation of system costs, HJR 49
Renewable energy resource development and energy conservation, tax incentives provided and property tax abatements for renewable energy-related property, SB 220, SB 562
Renewable Fuel and Energy Independence Act, SB 432
Renewable Fuel, Energy Independence, and Rural Economic Development Act to require use of biodiesel in all diesel fuel sold in Montana, HB 309

Solar access zoning regulations, requirements for, HB 489
State energy policy goal statement and energy policy, revision and clarification, HB 301
State-owned buildings
 efficiency audit act, HB 238
 energy conservation program
 capital projects, review for potential inclusion (and appropriation for), HB 5, HB 830
 intercap loan to fund, approval of projects for fiscal years 2008 and 2009, bond provisions, and
 appropriating bond and loan money, HB 495
 energy efficiency audits required and setting energy efficiency standards for new construction, HB 308
Targeted economic development districts, prohibiting use for purpose of capturing growth in increment of energy
transmission facility, HB 832
Utilities, renewable power production -- revising graduated renewable energy standards, HB 237

ENERGY DEVELOPMENT IMPACT BOARD

Creation, SB 567

ENGINEERS AND LAND SURVEYORS

Governmental procurement procedures to allow for biennial selection of firms for architectural, engineering, and
land surveying services, SB 341

ENVIRONMENTAL PERMIT FACILITATION INTERNSHIP ACT, HB 835

ENVIRONMENTAL PROTECTION

Carbon dioxide

 coal-fired electrical generation and synthetic fuel facilities -- establishment of requirements for capture,
 transportation, and storage or offsetting, HB 282
 coal severance tax, coal production exempt when coal used in facilities that sequester percentage of
 carbon dioxide produced, SB 551
 energy production purposes, for -- revision of laws relating to, HB 24
 property tax exemption for equipment (specifically) required to capture, reuse/transport, or (geologically)
 sequester, SB 105
 sequestration issues, interim study requested, HB 828
 sequestration pipelines and related equipment and liquid pipelines, new property tax class created for, SB
 562
 sequestration program and permit system, establishment, SB 218
 sequestration revolving loan account and program, HB 227
 state lands, licensing or leasing for sequestration or other ecosystem services, HB 55
Environmental contingency account -- funds transferred from general fund and reclamation and development
grants special revenue account, increasing allocation from resource indemnity trust fund, and authorizing
expenditures for restoration and remediation, HB 388
Environmental impact analysis and environmental impact statement, use as planning document only and
prohibiting action or proceeding challenging agency action taken, HB 610
Environmental review requirements, revision, HB 754
Gray water reuse systems, HB 259
Greenhouse gas emissions, provisions for, HB 753
Mercury Contamination Prevention Act, HB 261
Mercury Safety and Protection Act, SB 423
Natural Resources and Conservation, Department of -- fire suppression activities exempt from review, SB 111
State-owned buildings, tracking of energy use and estimated greenhouse gas emissions, HB 238
Stream access law, assessment of impact of recreational use of surface waters on fish and water quality pursuant
to environmental policy act, HB 424
Subdivision applications, clarifying when environmental assessment is not required to accompany, SB 110

ENVIRONMENTAL QUALITY, DEPARTMENT OF

Appropriations, HB 2, HB 4, HB 495, HB 805, HB 820, HB 835
 Coal and uranium mine permitting and reclamation program account, use, HB 688
 Coal bed methane extraction, issuance of permit governing authorization for (limited) discharges of water produced into existing impoundments for (emergency) water for livestock and wildlife (providing water quality standard and report to legislature), SB 407
 Coal combustion waste from electric generating facilities, rulemaking authority, HB 689
 Commercial construction or building renovation employing integrated design and other energy efficiency measures, energy conservation tax credits -- implementation and rulemaking, HB 635
 Electrical generation facilities and facilities and upgrades permitted under Facility Siting Act, permit applications -- notification to consumer counsel, SB 448
 Environmental Permit Facilitation, Office of -- creation, purpose, and funding, HB 835
 Facility siting fee provisions, modification, HB 161
 Greenhouse gas emissions, provisions for and duties, HB 753
 Household hazardous waste public education program to contain information about recycling or the safe disposal of electronic waste, requiring, HB 555
 Infectious waste management, adoption of rules governing inspection and regulation of transportation and management, HB 144
 Junk vehicle collections, annual payment to counties increased, SB 261
 Mercury-added products, implementation of education program, SB 423
 Mercury Contamination Prevention Act, duties, HB 261
 Mosquito control districts, relationship with state departments revised, SB 262
 Permit application review services, contracts (or contract task orders) for -- requirements/allowing, HB 728
 Polybrominated diphenyl ethers, products containing -- assistance to state agencies in identifying products for purchase and authorizing rulemaking, HB 560
 Public water and sewage systems, review provisions revised, SB 446
 Solid waste
 management and resource recovery plan, authority for adoption transferred to, HB 167
 transportation violations, injunction allowed, HB 144
 State building energy conservation program
 capital projects, review for potential inclusion (and appropriation for), HB 5, HB 830
 intercap loan to fund, approval of projects for fiscal years 2008 and 2009, bond provisions, and appropriating bond and loan money, HB 495
 State-owned buildings, efficiency audit provisions, HB 238
 Strip and underground mine reclamation
 bond, release of all or portion of bond if department is satisfied that reclamation has been completed, SB 461
 rulemaking authority and requiring annual report, HB 509
 Subdivision development, contaminated sites unsuitable for -- lists of and rules for, SB 351
 Underground storage tank administrative penalty laws, revision, HB 94
 Utility customers, fiscal impact analysis for new electrical generation facilities and facilities and upgrades permitted under facility siting provisions, SB 448
 Wastewater collection system operators, certification provisions, HB 401
 Water quality permitting program, fees to support -- limits increased, HB 73

ENVIRONMENTAL REVIEW, BOARD OF

Agricultural operations, air quality permitting and rulemaking -- powers clarified, HB 291
 Appointments to, SR 8
 Carbon dioxide
 coal-fired electrical generation and synthetic fuel facilities -- establishment of requirements for capture, transportation, and storage or offsetting, HB 282
 sequestration program and permit system, establishment, SB 218
 Gray water reuse systems, rules for regulation, HB 259
 Greenhouse gas emissions, provisions for and duties, HB 753
 Membership requirements, revision, SB 221, HB 271

Mercury

federal or intrastate mercury budget trading program, prohibiting board from adopting rules or issuing order allowing participation, SB 420

power plants, fossil-fuel and biomass -- rules for prescribing emission limits, HB 586

thermostats, mercury-added -- banning future sales and requiring manufacturers to establish collection and recycling programs, rulemaking authority, HB 779

Opencut mining, annual fees for operations -- allowing board to set, HB 201

Petitions submitted to board and found to be substantially similar to previous failed legislation, denial required, HB 276

Solid waste management and resource recovery plan, authority for adoption transferred from, HB 167

Underground storage tank administrative penalties, request for hearings before board, HB 94

EQUITY CAPITAL INVESTMENT ACT

Implementation, appropriation for, HB 34

ESTATES AND PROBATE

Beneficiary deeds, providing for transfer of property by (and providing for rights of creditors and others), SB 357, HB 310

Conservator, temporary -- clarification of authority to appoint, SB 20

Incapacity, proceedings to adjudicate and to protect property of minors and persons under disability -- clarifying distinction between powers and duties of assigned counsel and guardian ad litem, SB 164

Medicaid eligibility, excluding certain life estates from assets considered for, HB 386

Personal representative, specific provisions revised, SB 512

Teachers' Retirement System, lump-sum amounts due estate may be paid to personal representative or executor, HB 81

ETHANOL, See TAXATION, GASOLINE AND VEHICLE FUELS

ETHANOL AND BIOBASED RENEWABLE FUELS EDUCATION BOARD

Establishment and program funding, SB 122

ETHICS

Enforcement of standards of conduct statutes by civil action rather than commissioner of political practices or county attorney and providing for relief from district court, HB 225

Home inspectors, provision for, HB 393

Violations, reporting to commissioner of political practices -- provision for, HB 86

ETHICS COMMISSION, STATE

Creation, HB 752

EXECUTION

Homestead exempt from execution or forced sale, amount increased, HB 149, HB 243

Justice's court provisions, revision, SB 227

Retirement funding mechanisms and interests in unmatured life insurance contracts, exemption provided, SB 133

EXECUTIVE BRANCH

Administrative rules, See ADMINISTRATIVE RULES

Advisory council members, daily pay rate revised, SB 62

Appropriation, HB 13

Bill drafting, requiring full funding for and providing limitations on approval of agency bill drafts by legislative interim committees, HB 692

Lobbying -- repeal of time restriction for former elected state officials, department directors, and appointed state officials becoming lobbyists, SB 86

Lobbyist becoming department director, restricting time period for, HB 202
Quasi-judicial board members (boards), daily pay rate revised, SB 63
State expenditure limitation, revision, HB 204
Telecommuting (telework), executive and judicial branches urged to implement and to adopt policies and procedures for, HJR 7

EXPORT TRADE ENHANCEMENT PROGRAM

Funding, termination date repealed and increase in statutory appropriation, SB 42, HB 331

- F -

FACILITY FINANCE AUTHORITY

Appointments to, SR 8
Bonds and notes, increasing amount that may be issued, HB 634
For-profit or nonprofit corporations and organizations, financing of certain projects for -- authorizing, SB 541

FACILITY SITING

Certification, clarifying findings necessary for, HB 411
Electric generating facilities, eliminating exclusion from coverage under solid waste management provisions to extent facilities are not regulated under facility siting provisions, HB 88
Electrical generation facilities and facilities and upgrades permitted under Facility Siting Act, permit applications -- notification and customer fiscal impact analysis, SB 448
"Facility", clarification of definition in major facility siting act
electric generation, gasification, and liquid hydrocarbon facilities -- inclusion, HB 411
wind generation facility, inclusion, HB 328
Filing fee provisions, modification, HB 161
Utility customers, fiscal impact analysis for new electrical generation facilities and facilities and upgrades permitted under facility siting provisions, SB 448

FAIR INFLUENCE ON GOVERNMENT ACT, HB 163

FALSE CLAIMS ACT

Limiting government attorneys who may bring action, extending time period for filing action, and revising damage awards to private plaintiffs, HB 762

FAMILY ECONOMIC SECURITY, TASK FORCE ON

Establishment, membership, and duties, HB 410

FAMILY PLANNING

Contraceptive services, funding for, HB 638

FEDERAL CRIMINAL IMMIGRATION LAW

Enforcement by peace officers, clarification, SB 389

FEDERAL REAL ID ACT

Implementation opposed and Department of Justice directed not to implement provisions, HB 287
Nullification as it would apply in Montana, HB 384

FENCES

County bridge and its right-of-way and abutments, providing reasonable public access to streams and rivers by providing for erection of (option to erect) legal fences (with improved access) in public (county road) right-of-way to bridge, SB 78
County road bridge crossings, assistance as a landowner benefit for participation in fishing access enhancement program, HB 642

FILM ARTS PILOT PROGRAM, HB 691

FINGERPRINTS

- Criminal cases, photographs and fingerprints taken in -- return to individual from whom taken, clarification, SB 141
- Professional and occupational licensing boards to/that/authorized to require submission by applicants prior to issuance of license, (establishing procedures for), HB 668
- Professional employer organizations, background checks and fingerprint requirements for key personnel, HB 72
- Social workers and professional counselors, required for criminal background checks prior to issuance of license, SB 342

FIREARMS FREEDOM ACT, HB 420

FIRE DEPARTMENTS AND FIREFIGHTERS

- Age restrictions (with qualifications) for firefighters, exempting third-class cities and towns from, SB 352
- Emergency care, clarifying limits on liability for, SB 404
- Federal aerial firefighters, providing death or disability benefit for, SB 6
- Fire chiefs of governmental fire agencies
 - authority and duties, prescribing, HB 112
 - confidential criminal justice information, clarification that chief may receive, SB 130
- Firefighters' Unified Retirement System, authorizing participation by certain fire departments, SB 532
- Liability for firefighters, limits clarified (clarification and providing legal representation), SB 404
- Municipal firefighters, suspension procedure to provide for optional hearing, HB 690
- Volunteer firefighters
 - disability (income) insurance -- authorizing account for, tax levy to purchase coverage, and limiting benefit payments to certain firefighters, HB 337
 - income tax credit for, SB 552

FIREFIGHTERS' UNIFIED RETIREMENT SYSTEM

- Guaranteed annual benefit adjustment, reduction, HB 131
- Revision of provisions, SB 532

FIRE MARSHAL, STATE

- Cigarette ignition propensity standards and testing, report concerning, HB 461
- Fireworks, sales of permissible -- fee, imposition and use, HB 296

FIRES AND FIRE PROTECTION

- Cigarette ignition propensity standards and testing and certification requirements, HB 461
- Emergency or disaster mutual aid agreements, participation in, SB 102
