(ii) whose rates of charges for goods or services have been established or approved by a federal, state, or local government or governmental agency;

(g) "sales" means all gross receipts of the taxpayer not allocated under subsections of this article;

(h) "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof;

If a taxpayer has income from business activity as a public utility but derives the greater percentage of ~~his~~ the taxpayer's income from activities subject to this article, the taxpayer may elect to allocate and apportion ~~his~~ the taxpayer's entire net income as provided in this article.

(3) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(a) in that state ~~he~~ the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(b) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(4) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (5) through (8) of this article.

(5) (a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state:

(i) if and to the extent that the property is utilized in this state; or

(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(6) (a) Capital gains and losses from sales of real property located in this state are allocable to this state.

(b) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(c) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(7) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(8) (a) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the payer in this state; or

(ii) if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(c) A copyright is utilized in a state to the extent that printing or other publication originates in the state.

If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(9) All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor and the denominator of which is 3.

(10) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

(11) Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(12) The average value of property shall be determined by averaging the values at the beginning and ending of the tax period, but the tax administrator may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(13) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period.

(14) Compensation is paid in this state if:

- (a) the individual's service is performed entirely within the state;
- (b) the individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or
- (c) some of the service is performed in the state and:
 - (i) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state; or
 - (ii) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(15) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state

during the tax period and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

(16) Sales of tangible personal property are in this state if:

(a) the property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the f.o.b. point or other conditions of the sale; or

(b) the property is shipped from an office, store, warehouse, factory, or other place of storage in this state and:

(i) the purchaser is the United States government; or

(ii) the taxpayer is not taxable in the state of the purchaser.

(17) Sales, other than sales of tangible personal property, are in this state if:

(a) the income-producing activity is performed in this state; or

(b) the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(18) If the allocation and apportionment provisions of this article do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(a) separate accounting;

(b) the exclusion of any one or more of the factors;

(c) the inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(d) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

Article V. Elements Of Sales And Use Tax Laws

Tax Credit

(1) Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for the combined amount or amounts of legally imposed sales or use taxes paid by ~~him~~ the purchaser with respect to the same property to another state and any subdivision thereof. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against the amount of any use tax due a subdivision.

Exemption Certificates -- Vendors May Rely

(2) Whenever a vendor receives and accepts in good faith from a purchaser a resale or other exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.

Article VI. The Commission

(1) (a) The Multistate Tax Commission is hereby established. It shall be composed of one member from each party state who shall be the head of the state agency charged with the administration of the types of taxes to which this compact applies. If there is more than one such agency, the state shall provide by law for the selection of the commission member from the heads of the relevant agencies. State law may provide that a member of the commission be represented by an alternate, but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or ~~his~~ the attorney general's designee or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under subsection (1)(e) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings and shall provide for the giving of notice of annual, regular, and special meetings. Notice of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a ~~chairman~~ presiding officer, a ~~vice-chairman~~ vice presiding officer, and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix ~~his~~ the executive director's duties and compensation. The executive

director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel, or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. The commission bylaws shall provide for personnel policies and programs.

(h) The commission may borrow, accept, or contract for the services of personnel from any state, the United States, or any other governmental entity.

(i) The commission may accept for any of its purposes and functions any and all donations and grants of money, equipment, supplies, materials, and services, conditional or otherwise, from any governmental entity and may utilize and dispose of the same.

(j) The commission may establish one or more offices for the transacting of its business.

(k) The commission shall adopt bylaws for the conduct of its business. The commission shall publish its bylaws in convenient form and shall file a copy of the bylaws and any amendments thereto with the appropriate agency or officer in each of the party states.

(l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission and shall include the nature, amount, and conditions, if any, of the donation, gift, grant, or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

Committees

(2) (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the ~~chairman~~ presiding officer, ~~vice-chairman~~ vice presiding officer, treasurer, and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the bylaws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems

dealing with particular types of taxes.

- (c) The commission may establish such additional committees as its bylaws may provide.

Powers

- (3) In addition to powers conferred elsewhere in this compact, the commission shall have power to:

(a) study state and local tax systems and particular types of state and local taxes;

(b) develop and recommend proposals for an increase in uniformity or compatibility of state and local tax laws with a view toward encouraging the simplification and improvement of state and local tax law and administration;

(c) compile and publish information as in its judgment would assist the party states in implementation of the compact and taxpayers in complying with state and local tax laws;

- (d) do all things necessary and incidental to the administration of its functions pursuant to this compact.

Finance

(4) (a) The commission shall submit to the governor or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that state for presentation to the legislature thereof.

(b) Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amounts to be appropriated by each of the party states. The total amount of appropriations requested under any such budget shall be apportioned among the party states as follows: one-tenth in equal shares and the remainder in proportion to the amount of revenue collected by each party state and its subdivisions from income taxes, capital stock taxes, gross receipts taxes, sales and use taxes. In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this subsection.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under subsection (1)(i) of this article, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under subsection (1)(i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet

the same.

(d) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

(e) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any person authorized by the commission.

(f) Nothing contained in this article shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

Article VII. Uniform Regulations And Forms

(1) Whenever any two or more party states or subdivisions of party states have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax or prescribing uniform tax forms. The commission may also act with respect to the provisions of Article IV of this compact.

(2) Prior to the adoption of any regulation, the commission shall:

(a) as provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings;

(b) afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

(3) The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

Article VIII. Interstate Audits

(1) This article shall be in force only in those party states that specifically provide therefor by statute.

(2) Any party state or subdivision thereof desiring to make or participate in an audit of any accounts,

books, papers, records, or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

(3) The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property, or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, ~~he~~ the person may be required to attend for such purpose at any time and place fixed by the commission within the state of which ~~he~~ the person is a resident, provided that such state has adopted this article.

(4) The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article, and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this subsection apply only to courts in a state that has adopted this article.

(5) The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

(6) Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions, or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit and

only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

(7) Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

(8) In no event shall the commission make any charge against a taxpayer for an audit.

(9) As used in this article, "tax", in addition to the meaning ascribed to it in Article II, means any tax or license fee imposed in whole or in part for revenue purposes.

Article IX. Arbitration

(1) Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of Article VII.

(2) The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

(3) Whenever a taxpayer who has elected to employ Article IV or whenever the laws of the party state or subdivision thereof are substantially identical with the relevant provisions of Article IV, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation if ~~he~~ the taxpayer is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject ~~him~~ the taxpayer to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein and agrees to be bound thereby.

(4) The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this subsection shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise

affiliated with any party to the arbitration proceeding. Residents within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this subsection.

(5) The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence, or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

(6) The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.

(7) The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoenas, and the court may punish failure to obey the order as a contempt. The provisions of this subsection apply only in states that have adopted this article.

(8) Unless the parties otherwise agree, the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless ~~he~~ the member is required on account of ~~his~~ the service to forego the regular compensation attaching to ~~his~~ the member's public employment, but any such board member shall be entitled to expenses.

(9) The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.

(10) The board shall file with the commission and with each tax agency represented in the proceeding: the determination of the board, the board's written statement of its reasons therefor, the record of the board's proceedings, and any other documents required by the arbitration rules of the commission to be filed.

(11) The commission shall publish the determinations of boards, together with the statements of the

reasons therefor.

(12) The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

(13) Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceedings.

Article X. Entry Into Force And Withdrawal

(1) This compact shall enter into force when enacted into law by any seven states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

(2) Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

(3) No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

Article XI. Effect On Other Laws And Jurisdiction

Nothing in this compact shall be construed to:

(1) affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state shall be obligated to implement Article III, subsection (2), of this compact;

(2) apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax; provided that the definition of "tax" in Article VIII, subsection (9), may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to Article VI, subsection (3), may apply;

(3) withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation, or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body;

(4) supersede or limit the jurisdiction of any court of the United States.

Article XII. Construction And Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any state or of the United States or if the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters."

Section 843. Section 30-2-312, MCA, is amended to read:

"30-2-312. Warranty of title and against infringement -- buyer's obligation against infringement.

(1) Subject to subsection (2) there is in a contract for sale a warranty by the seller that:

- (a) the title conveyed shall be good, and its transfer rightful; and
- (b) the goods shall be delivered free from any security interest or other lien or encumbrance of which the buyer at the time of contracting has no knowledge.

(2) A warranty under subsection (1) will be excluded or modified only by specific language or by circumstances which give the buyer reason to know that the person selling does not claim title ~~in himself~~ or that ~~he~~ the seller is purporting to sell only ~~such~~ the right or title as ~~he~~ the seller or a third person may have.

(3) Unless otherwise agreed a seller who is a merchant regularly dealing in goods of the kind warrants that the goods shall be delivered free of the rightful claim of any third person by way of infringement or the like but a buyer who furnishes specifications to the seller must hold the seller harmless against any such claim which arises out of compliance with the specifications."

Section 844. Section 30-2-313, MCA, is amended to read:

"30-2-313. Express warranties by affirmation, promise, description, sample. (1) Express warranties by the seller are created as follows:

(a) Any affirmation of fact or promise made by the seller to the buyer which relates to the goods and becomes part of the basis of the bargain creates an express warranty that the goods shall conform to the affirmation or promise.

(b) Any description of the goods which is made part of the basis of the bargain creates an express warranty that the goods shall conform to the description.

(c) Any sample or model which is made part of the basis of the bargain creates an express warranty that the whole of the goods shall conform to the sample or model.

(2) It is not necessary to the creation of an express warranty that the seller use formal words such as "warrant" or "guarantee" or that ~~he~~ the seller have a specific intention to make a warranty, but an affirmation merely of the value of the goods or a statement purporting to be merely the seller's opinion or commendation of the goods does not create a warranty."

Section 845. Section 30-2-316, MCA, is amended to read:

"30-2-316. Exclusion or modification of warranties. (1) Words or conduct relevant to the creation of an express warranty and words or conduct tending to negate or limit warranty shall be construed wherever reasonable as consistent with each other; but subject to the provisions of this chapter on parol or extrinsic evidence (30-2-202) negation or limitation is inoperative to the extent that such construction is unreasonable.

(2) Subject to subsection (3), to exclude or modify the implied warranty of merchantability or any part of it the language must mention merchantability and in case of a writing must be conspicuous, and to exclude or modify any implied warranty of fitness the exclusion must be by a writing and conspicuous. Language to exclude all implied warranties of fitness is sufficient if it states, for example, that "There are no warranties which extend beyond the description on the face hereof."

(3) Notwithstanding subsection (2):

(a) unless the circumstances indicate otherwise, all implied warranties are excluded by expressions like "as is", "with all faults" or other language which in common understanding calls the buyer's attention to the exclusion of warranties and makes plain that there is no implied warranty;

(b) when the buyer before entering into the contract has examined the goods or the sample or model as fully as he desired or has refused to examine the goods there is no implied warranty with regard to defects which an examination ought in the circumstances to have revealed to ~~him~~ the buyer;

(c) an implied warranty can also be excluded or modified by course of dealing or course of performance or usage of trade;

(d) in sales of cattle, hogs, sheep, or horses, there are no implied warranties, as defined in this chapter, that the cattle, hogs, sheep, or horses are free from sickness or disease; and

(e) in sales of any seed for planting (including both botanical and vegetative types of seed, whether certified or not), there are no implied warranties, as defined in this chapter, that the seeds are free from disease, virus, or any kind of pathogenic organisms.

(4) Remedies for breach of warranty can be limited in accordance with the provisions of this chapter on liquidation or limitation of damages and on contractual modification of remedy (30-2-718 and 30-2-719)."

Section 846. Section 30-2-318, MCA, is amended to read:

"30-2-318. Third-party beneficiaries of warranties express or implied. A seller's warranty whether express or implied extends to any natural person who is in the family or household of ~~his~~ the buyer or who is a guest in ~~his~~ the buyer's home if it is reasonable to expect that ~~such~~ the person may use, consume or be affected by the goods and who is injured in person by breach of the warranty. A seller may not exclude or limit the operation of this section."

Section 847. Section 30-2-319, MCA, is amended to read:

"30-2-319. F.O.B. and F.A.S. terms. (1) Unless otherwise agreed the term F.O.B. (which means "free on board") at a named place, even though used only in connection with the stated price, is a delivery term under which:

(a) when the term is F.O.B. the place of shipment, the seller must at that place ship the goods in the manner provided in this chapter (30-2-504) and bear the expense and risk of putting them into the possession of the carrier; or

(b) when the term is F.O.B. the place of destination, the seller must at ~~his~~ the seller's own expense and risk transport the goods to that place and there tender delivery of them in the manner provided in this chapter (30-2-503);

(c) when under either subsection (1)(a) or (1)(b) the term is also F.O.B. vessel, car or other vehicle, the seller must in addition at ~~his~~ the seller's own expense and risk load the goods on board. If the term is F.O.B. vessel the buyer must name the vessel and in an appropriate case the seller must comply with the provisions of this chapter on the form of bill of lading (30-2-323).

(2) Unless otherwise agreed the term F.A.S. vessel (which means "free alongside") at a named port, even though used only in connection with the stated price, is a delivery term under which the seller must:

(a) at ~~his~~ the seller's own expense and risk deliver the goods alongside the vessel in the manner usual in that port or on a dock designated and provided by the buyer; and

(b) obtain and tender a receipt for the goods in exchange for which the carrier is under a duty to issue a bill of lading.

(3) Unless otherwise agreed in any case falling within subsection (1)(a) or (1)(c) or subsection (2) the buyer must seasonably give any needed instructions for making delivery, including when the term is F.A.S. or F.O.B. the loading berth of the vessel and in an appropriate case its name and sailing date. The seller may treat

the failure of needed instructions as a failure of cooperation under this chapter (30-2-311). ~~He~~ The seller may also at ~~his~~ the seller's option move the goods in any reasonable manner preparatory to delivery or shipment.

(4) Under the term F.O.B. vessel or F.A.S. unless otherwise agreed the buyer must make payment against tender of the required documents and the seller may not tender nor the buyer demand delivery of the goods in substitution for the documents."

Section 848. Section 30-2-320, MCA, is amended to read:

"30-2-320. C.I.F. and C.&F. terms. (1) The term C.I.F. means that the price includes in a lump sum the cost of the goods and the insurance and freight to the named destination. The term C.&F. or C.F. means that the price ~~so~~ includes cost and freight to the named destination.

(2) Unless otherwise agreed and even though used only in connection with the stated price and destination, the term C.I.F. destination or its equivalent requires the seller at ~~his~~ the seller's own expense and risk to:

(a) put the goods into the possession of a carrier at the port for shipment and obtain a negotiable bill or bills of lading covering the entire transportation to the named destination; and

(b) load the goods and obtain a receipt from the carrier, ~~{~~which may be contained in the bill of lading~~}~~, showing that the freight has been paid or provided for; and

(c) obtain a policy or certificate of insurance, including any war risk insurance, of a kind and on terms then current at the port of shipment in the usual amount, in the currency of the contract, shown to cover the same goods covered by the bill of lading and providing for payment of loss to the order of the buyer or for the account of whom it may concern; but the seller may add to the price the amount of the premium for any such war risk insurance; and

(d) prepare an invoice of the goods and procure any other documents required to effect shipment or to comply with the contract; and

(e) forward and tender with commercial promptness all the documents in due form and with any endorsement necessary to perfect the buyer's rights.

(3) Unless otherwise agreed the term C.&F. or its equivalent has the same effect and imposes upon the seller the same obligations and risks as a C.I.F. term except the obligation as to insurance.

(4) Under the term C.I.F. or C.&F. unless otherwise agreed the buyer must make payment against tender

of the required documents and the seller may not tender nor the buyer demand delivery of the goods in substitution for the documents."

Section 849. Section 30-2-324, MCA, is amended to read:

"30-2-324. "No arrival, no sale" term. Under a term "no arrival, no sale" or terms of like meaning, unless otherwise agreed:

(a) the seller must properly ship conforming goods and if they arrive by any means ~~he~~ the seller must tender them on arrival but ~~he~~ the seller assumes no obligation that the goods will arrive unless ~~he~~ the seller has caused the nonarrival; and

(b) where without fault of the seller the goods are in part lost or have so deteriorated as no longer to conform to the contract or arrive after the contract time, the buyer may proceed as if there has been casualty to identified goods (30-2-613)."

Section 850. Section 30-2-325, MCA, is amended to read:

"30-2-325. "Letter of credit" term -- "confirmed credit". (1) Failure of the buyer seasonably to furnish an agreed letter of credit is a breach of the contract for sale.

(2) The delivery to the seller of a proper letter of credit suspends the buyer's obligation to pay. If the letter of credit is dishonored, the seller may on reasonable notification to the buyer require payment directly from ~~him~~ the buyer.

(3) Unless otherwise agreed the term "letter of credit" or "banker's credit" in a contract for sale means an irrevocable credit issued by a financing agency of good repute and, where the shipment is overseas, of good international repute. The term "confirmed credit" means that the credit must also carry the direct obligation of such an agency which does business in the seller's financial market."

Section 851. Section 30-2-401, MCA, is amended to read:

"30-2-401. Passing of title -- reservation for security -- limited application of this section. Each provision of this chapter with regard to the rights, obligations and remedies of the seller, the buyer, purchasers or other third parties applies irrespective of title to the goods except where the provision refers to such title. Insofar as situations are not covered by the other provisions of this chapter and matters concerning title become

material the following rules apply:

(1) Title to goods cannot pass under a contract for sale prior to their identification to the contract (30-2-501), and unless otherwise explicitly agreed the buyer acquires by their identification a special property as limited by this code. Any retention or reservation by the seller of the title (property) in goods shipped or delivered to the buyer is limited in effect to a reservation of a security interest. Subject to these provisions and to the provisions of the Chapter on Secured Transactions (Chapter 9A), title to goods passes from the seller to the buyer in any manner and on any conditions explicitly agreed on by the parties.

(2) Unless otherwise explicitly agreed title passes to the buyer at the time and place at which the seller completes performance with reference to the delivery of the goods, despite any reservation of a security interest and even though a document of title is to be delivered at a different time or place; and in particular and despite any reservation of a security interest by the bill of lading:

(a) if the contract requires or authorizes the seller to send the goods to the buyer but does not require the seller to deliver them at destination, title passes to the buyer at the time and place of shipment; but

(b) if the contract requires delivery at destination, title passes on tender there.

(3) Unless otherwise explicitly agreed where delivery is to be made without moving the goods,

(a) if the seller is to deliver a tangible document of title, title passes at the time when and the place where the seller delivers such documents and if the seller is to deliver an electronic document of title, title passes when the seller delivers the document; or

(b) if the goods are at the time of contracting already identified and no documents of title are to be delivered, title passes at the time and place of contracting.

(4) For transactions involving interstate shipment of cattle or cattle being released from auction yards for interstate shipment the seller may issue a regular title or bill of sale, or give a conditional transfer of title or bill of sale. The conditional transfer of title or bill of sale is fully validated and the title passes when the following conditions are met:

(a) the bank on which the buyer's warrant, check, or draft was drawn notifies the seller, or ~~his~~ the seller's designated bank, that the instrument of payment has cleared the bank for payment; and

(b) a copy of the notification from the buyer's bank is attached to the conditional transfer of title or bill of sale.

(5) A rejection or other refusal by the buyer to receive or retain the goods, whether or not justified, or a

justified revocation of acceptance reverts title to the goods in the seller. Such reversion occurs by operation of law and is not a "sale".

Section 852. Section 30-2-402, MCA, is amended to read:

"30-2-402. Rights of seller's creditors against sold goods. (1) Except as provided in subsections (2) and (3), rights of unsecured creditors of the seller with respect to goods which have been identified to a contract for sale are subject to the buyer's rights to recover the goods under this chapter (30-2-502 and 30-2-716).

(2) A creditor of the seller may treat a sale or an identification of goods to a contract for sale as void if as against ~~him~~ the creditor a retention of possession by the seller is fraudulent under any rule of law of the state where the goods are situated, except that retention of possession in good faith and current course of trade by a merchant-seller for a commercially reasonable time after a sale or identification is not fraudulent.

(3) Nothing in this chapter shall be deemed to impair the rights of creditors of the seller:

(a) under the provisions of the Chapter on Secured Transactions (Chapter 9A); or

(b) where identification to the contract or delivery is made not in current course of trade but in satisfaction of or as security for a preexisting claim for money, security or the like and is made under circumstances which under any rule of law of the state where the goods are situated would apart from this chapter constitute the transaction a fraudulent transfer or voidable preference."

Section 853. Section 30-2-403, MCA, is amended to read:

"30-2-403. Power to transfer -- good faith purchase of goods -- "entrusting". (1) A purchaser of goods acquires all title which ~~his~~ the purchaser's transferor had or had power to transfer except that a purchaser of a limited interest acquires rights only to the extent of the interest purchased. A person with voidable title has power to transfer a good title to a good faith purchaser for value. When goods have been delivered under a transaction of purchase the purchaser has ~~such~~ the power even though:

(a) the transferor was deceived as to the identity of the purchaser;

(b) the delivery was in exchange for a check which is later dishonored;

(c) it was agreed that the transaction was to be a "cash sale"; or

(d) the delivery was procured through fraud punishable as theft under the criminal law.

(2) Any entrusting of possession of goods to a merchant who deals in goods of that kind gives ~~him~~ the

merchant power to transfer all rights of the entruster to a buyer in ordinary course of business.

(3) "Entrusting" includes any delivery and any acquiescence in retention of possession regardless of any condition expressed between the parties to the delivery or acquiescence and regardless of whether the procurement of the entrusting or the possessor's disposition of the goods has been such as to constitute theft under the criminal law.

(4) The rights of other purchasers of goods and of lien creditors are governed by the chapters on secured transactions (chapter 9A) and documents of title (chapter 7)."

Section 854. Section 30-2-501, MCA, is amended to read:

"30-2-501. Insurable interest in goods -- manner of identification of goods. (1) The buyer obtains a special property and an insurable interest in goods by identification of existing goods as goods to which the contract refers even though the goods so identified are nonconforming and ~~he~~ the buyer has an option to return or reject them. Such identification can be made at any time and in any manner explicitly agreed to by the parties. In the absence of explicit agreement identification occurs:

(a) when the contract is made if it is for the sale of goods already existing and identified;

(b) if the contract is for the sale of future goods other than those described in ~~paragraph (c)~~ subsection (1)(c), when goods are shipped, marked or otherwise designated by the seller as goods to which the contract refers;

(c) when the crops are planted or otherwise become growing crops or the young are conceived if the contract is for the sale of unborn young to be born within 12 months after contracting or for the sale of crops to be harvested within 12 months or the next normal harvest season after contracting whichever is longer.

(2) The seller retains an insurable interest in goods so long as title to or any security interest in the goods remains in ~~him~~ the seller and where the identification is by the seller alone ~~he~~ the seller may until default or insolvency or notification to the buyer that the identification is final substitute other goods for those identified.

(3) Nothing in this section impairs any insurable interest recognized under any other statute or rule of law."

Section 855. Section 30-2-504, MCA, is amended to read:

"30-2-504. Shipment by seller. Where the seller is required or authorized to send the goods to the

buyer and the contract does not require ~~him~~ the seller to deliver them at a particular destination, then unless otherwise agreed ~~he~~ the seller must:

~~(a)~~(1) put the goods in the possession of such a carrier and make such a contract for their transportation as may be reasonable having regard to the nature of the goods and other circumstances of the case; and

~~(b)~~(2) obtain and promptly deliver or tender in due form any document necessary to enable the buyer to obtain possession of the goods or otherwise required by the agreement or by usage of trade; and

~~(c)~~(3) promptly notify the buyer of the shipment. Failure to notify the buyer under ~~paragraph (c)~~ this subsection or to make a proper contract under ~~paragraph (a)~~ subsection (1) is a ground for rejection only if material delay or loss ensues."

Section 856. Section 30-2-505, MCA, is amended to read:

"30-2-505. Seller's shipment under reservation. (1) Where the seller has identified goods to the contract by or before shipment:

(a) ~~his~~ the seller's procurement of a negotiable bill of lading to ~~his~~ the seller's own order or otherwise reserves in ~~him~~ the seller a security interest in the goods. ~~His~~ The seller's procurement of the bill to the order of a financing agency or of the buyer indicates in addition only the seller's expectation of transferring that interest to the person named.

(b) a nonnegotiable bill of lading to ~~himself~~ the seller or ~~his~~ the seller's nominee reserves possession of the goods as security but except in a case of conditional delivery (subsection (2) of 30-2-507) a nonnegotiable bill of lading naming the buyer as consignee reserves no security interest even though the seller retains possession of the bill of lading.

(2) When shipment by the seller with reservation of a security interest is in violation of the contract for sale it constitutes an improper contract for transportation within the preceding section but impairs neither the rights given to the buyer by shipment and identification of the goods to the contract nor the seller's powers as a holder of a negotiable document."

Section 857. Section 30-2-507, MCA, is amended to read:

"30-2-507. Effect of seller's tender -- delivery on condition. (1) Tender of delivery is a condition to the buyer's duty to accept the goods and, unless otherwise agreed, to ~~his~~ the buyer's duty to pay for them. Tender

entitles the seller to acceptance of the goods and to payment according to the contract.

(2) Where payment is due and demanded on the delivery to the buyer of goods or documents of title, ~~his~~ the buyer's right as against the seller to retain or dispose of them is conditional upon ~~his~~ the buyer making the payment due."

Section 858. Section 30-2-508, MCA, is amended to read:

"30-2-508. Cure by seller of improper tender or delivery -- replacement. (1) Where any tender or delivery by the seller is rejected because nonconforming and the time for performance has not yet expired, the seller may seasonably notify the buyer of ~~his~~ the seller's intention to cure and may then within the contract time make a conforming delivery.

(2) Where the buyer rejects a nonconforming tender which the seller had reasonable grounds to believe would be acceptable with or without money allowance the seller may if ~~he~~ the seller seasonably notifies the buyer have a further reasonable time to substitute a conforming tender."

Section 859. Section 30-2-509, MCA, is amended to read:

"30-2-509. Risk of loss in the absence of breach. (1) Where the contract requires or authorizes the seller to ship the goods by carrier:

(a) if it does not require the seller to deliver them at a particular destination, the risk of loss passes to the buyer when the goods are delivered to the carrier even though the shipment is under reservation (30-2-505); but

(b) if it does require the seller to deliver them at a particular destination and the goods are there tendered while in the possession of the carrier, the risk of loss passes to the buyer when the goods are there so tendered as to enable the buyer to take delivery.

(2) Where the goods are held by a bailee to be delivered without being moved, the risk of loss passes to the buyer:

(a) on the buyer's receipt of possession or control of a negotiable document of title covering the goods;
or

(b) on acknowledgment by the bailee of the buyer's right to possession of the goods; or

(c) after ~~his~~ the buyer's receipt of possession or control of a nonnegotiable document of title or other

direction to deliver in a record, as provided in ~~subsection (4)(b) of 30-2-503(4)(b).~~

(3) In any case not within subsection (1) or (2), the risk of loss passes to the buyer on the buyer's receipt of the goods if the seller is a merchant; otherwise the risk passes to the buyer on tender of delivery.

(4) The provisions of this section are subject to contrary agreement of the parties and to the provisions of this chapter on sale on approval (30-2-327) and on effect of breach on risk of loss (30-2-510)."

Section 860. Section 30-2-510, MCA, is amended to read:

"30-2-510. Effect of breach on risk of loss. (1) Where a tender or delivery of goods so fails to conform to the contract as to give a right of rejection the risk of their loss remains on the seller until cure or acceptance.

(2) Where the buyer rightfully revokes acceptance ~~he~~ the buyer may to the extent of any deficiency in ~~his~~ the buyer's effective insurance coverage treat the risk of loss as having rested on the seller from the beginning.

(3) Where the buyer as to conforming goods already identified to the contract for sale repudiates or is otherwise in breach before risk of their loss has passed to ~~him~~ the buyer, the seller may to the extent of any deficiency in ~~his~~ the seller's effective insurance coverage treat the risk of loss as resting on the buyer for a commercially reasonable time."

Section 861. Section 30-2-602, MCA, is amended to read:

"30-2-602. Manner and effect of rightful rejection. (1) Rejection of goods must be within a reasonable time after their delivery or tender. It is ineffective unless the buyer seasonably notifies the seller.

(2) Subject to the provisions of the two following sections on rejected goods (30-2-603 and 30-2-604):

(a) after rejection any exercise of ownership by the buyer with respect to any commercial unit is wrongful as against the seller; and

(b) if the buyer has before rejection taken physical possession of goods in which ~~he~~ the buyer does not have a security interest under the provisions of this chapter (subsection (3) of 30-2-711), ~~he~~ the buyer is under a duty after rejection to hold them with reasonable care at the seller's disposition for a time sufficient to permit the seller to remove them; but

(c) the buyer has no further obligations with regard to goods rightfully rejected.

(3) The seller's rights with respect to goods wrongfully rejected are governed by the provisions of this

chapter on seller's remedies in general (30-2-703)."

Section 862. Section 30-2-603, MCA, is amended to read:

"30-2-603. Merchant buyer's duties as to rightfully rejected goods. (1) Subject to any security interest in the buyer (subsection (3) of 30-2-711), when the seller has no agent or place of business at the market of rejection a merchant buyer is under a duty after rejection of goods in ~~his~~ the buyer's possession or control to follow any reasonable instructions received from the seller with respect to the goods and in the absence of such instructions to make reasonable efforts to sell them for the seller's account if they are perishable or threaten to decline in value speedily. Instructions are not reasonable if on demand indemnity for expenses is not forthcoming.

(2) When the buyer sells goods under subsection (1), ~~he~~ the buyer is entitled to reimbursement from the seller or out of the proceeds for reasonable expenses of caring for and selling them, and if the expenses include no selling commission then to such commission as is usual in the trade or if there is none to a reasonable sum not exceeding 10% on the gross proceeds.

(3) In complying with this section the buyer is held only to good faith and good faith conduct hereunder is neither acceptance nor conversion nor the basis of an action for damages."

Section 863. Section 30-2-604, MCA, is amended to read:

"30-2-604. Buyer's options as to salvage of rightfully rejected goods. Subject to the provisions of ~~the immediately preceding section 30-2-603~~ on perishables if the seller gives no instruction within a reasonable time after notification of rejection the buyer may store the rejected goods for the seller's account or reship them to ~~him~~ the seller or resell them for the seller's account with reimbursement as provided in ~~the preceding section 30-2-603~~. ~~Such~~ The action is not acceptance or conversion."

Section 864. Section 30-2-606, MCA, is amended to read:

"30-2-606. What constitutes acceptance of goods. (1) Acceptance of goods occurs when the buyer:

(a) after a reasonable opportunity to inspect the goods signifies to the seller that the goods are conforming or that ~~he~~ the buyer will take or retain them in spite of their nonconformity; or

(b) fails to make an effective rejection (subsection (1) of 30-2-602), but such acceptance does not occur until the buyer has had a reasonable opportunity to inspect them; or

(c) does any act inconsistent with the seller's ownership; but if such act is wrongful as against the seller it is an acceptance only if ratified by ~~him~~ the seller.

(2) Acceptance of a part of any commercial unit is acceptance of that entire unit."

Section 865. Section 30-2-607, MCA, is amended to read:

"30-2-607. Effect of acceptance -- notice of breach -- burden of establishing breach after acceptance -- notice of claim or litigation to person answerable over. (1) The buyer must pay at the contract rate for any goods accepted.

(2) Acceptance of goods by the buyer precludes rejection of the goods accepted and if made with knowledge of a nonconformity cannot be revoked because of it unless the acceptance was on the reasonable assumption that the nonconformity would be seasonably cured but acceptance does not of itself impair any other remedy provided by this chapter for nonconformity.

(3) Where a tender has been accepted:

(a) the buyer must within a reasonable time after ~~he~~ the buyer discovers or should have discovered any breach notify the seller of breach or be barred from any remedy; and

(b) if the claim is one for infringement or the like (subsection (3) of 30-2-312) and the buyer is sued as a result of such a breach ~~he~~ the buyer must so notify the seller within a reasonable time after ~~he~~ the buyer receives notice of the litigation or be barred from any remedy over for liability established by the litigation.

(4) The burden is on the buyer to establish any breach with respect to the goods accepted.

(5) Where the buyer is sued for breach of a warranty or other obligation for which ~~his seller~~ another party is answerable over:

(a) ~~he~~ the buyer may give ~~his seller~~ the other party written notice of the litigation. If the notice states that the seller may come in and defend and that if the seller does not do so ~~he~~ the other party will be bound in any action against ~~him~~ the other party by ~~his~~ the buyer by any determination of fact common to the two litigations, then unless the ~~seller~~ other party after seasonable receipt of the notice does come in and defend ~~he~~ the other party is so bound.

(b) if the claim is one for infringement or the like (subsection (3) of 30-2-312) the original seller may demand in writing that ~~his~~ its buyer turn over to ~~him~~ it control of the litigation including settlement or else be barred from any remedy over and if ~~he~~ it also agrees to bear all expense and to satisfy any adverse judgment, then

unless the buyer after reasonable receipt of the demand does turn over control the buyer is so barred.

(6) The provisions of subsections (3), (4) and (5) apply to any obligation of a buyer to hold the seller harmless against infringement or the like (subsection (3) of 30-2-312)."

Section 866. Section 30-2-608, MCA, is amended to read:

"30-2-608. Revocation of acceptance in whole or in part. (1) The buyer may revoke his acceptance of a lot or commercial unit whose nonconformity substantially impairs its value to ~~him~~ the buyer if ~~he~~ the buyer has accepted it:

(a) on the reasonable assumption that its nonconformity would be cured and it has not been seasonably cured; or

(b) without discovery of such nonconformity if ~~his~~ the buyer's acceptance was reasonably induced either by the difficulty of discovery before acceptance or by the seller's assurances.

(2) Revocation of acceptance must occur within a reasonable time after the buyer discovers or should have discovered the ground for it and before any substantial change in condition of the goods which is not caused by their own defects. It is not effective until the buyer notifies the seller of it.

(3) A buyer who so revokes has the same rights and duties with regard to the goods involved as if ~~he~~ the buyer had rejected them."

Section 867. Section 30-2-609, MCA, is amended to read:

"30-2-609. Right to adequate assurance of performance. (1) A contract for sale imposes an obligation on each party that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party the other may in writing demand adequate assurance of due performance and until ~~he~~ the party receives such assurance may if commercially reasonable suspend any performance for which ~~he~~ the party has not already received the agreed return.

(2) Between merchants the reasonableness of grounds for insecurity and the adequacy of any assurance offered shall be determined according to commercial standards.

(3) Acceptance of any improper delivery or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance.

(4) After receipt of a justified demand failure to provide within a reasonable time not exceeding 30 days

such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of the contract."

Section 868. Section 30-2-610, MCA, is amended to read:

"30-2-610. Anticipatory repudiation. When either party repudiates the contract with respect to a performance not yet due the loss of which will substantially impair the value of the contract to the other, the aggrieved party may:

- (a)(1) for a commercially reasonable time await performance by the repudiating party; or
- (b)(2) resort to any remedy for breach (30-2-703 or 30-2-711), even though ~~he~~ the aggrieved party has notified the repudiating party that ~~he~~ it would await the latter's performance and has urged retraction; and
- (c)(3) in either case suspend ~~his own~~ performance or proceed in accordance with the provisions of this chapter on the seller's right to identify goods to the contract notwithstanding breach or to salvage unfinished goods (30-2-704)."

Section 869. Section 30-2-611, MCA, is amended to read:

"30-2-611. Retraction of anticipatory repudiation. (1) Until the repudiating party's next performance is due ~~he~~ that party can retract ~~his~~ the repudiation unless the aggrieved party has since the repudiation canceled or materially changed ~~his~~ position or otherwise indicated that ~~he~~ considers the repudiation is final.

(2) Retraction may be by any method which clearly indicates to the aggrieved party that the repudiating party intends to perform, but must include any assurance justifiably demanded under the provisions of this chapter (30-2-609).

(3) Retraction reinstates the repudiating party's rights under the contract with due excuse and allowance to the aggrieved party for any delay occasioned by the repudiation."

Section 870. Section 30-2-612, MCA, is amended to read:

"30-2-612. "Installment contract" -- breach. (1) An "installment contract" is one which requires or authorizes the delivery of goods in separate lots to be separately accepted, even though the contract contains a clause "each delivery is a separate contract" or its equivalent.

(2) The buyer may reject any installment which is nonconforming if the nonconformity substantially

impairs the value of that installment and cannot be cured or if the nonconformity is a defect in the required documents; but if the nonconformity does not fall within subsection (3) and the seller gives adequate assurance of its cure the buyer must accept that installment.

(3) Whenever nonconformity or default with respect to one or more installments substantially impairs the value of the whole contract there is a breach of the whole. But the aggrieved party reinstates the contract if ~~he~~ the party accepts a nonconforming installment without seasonably notifying of cancellation or if ~~he~~ the party brings an action with respect only to past installments or demands performance as to future installments."

Section 871. Section 30-2-613, MCA, is amended to read:

"30-2-613. Casualty to identified goods. Where the contract requires for its performance goods identified when the contract is made, and the goods suffer casualty without fault of either party before the risk of loss passes to the buyer, or in a proper case under a "no arrival, no sale" term (30-2-324) then:

(a) if the loss is total the contract is avoided; and

(b) if the loss is partial or the goods have so deteriorated as no longer to conform to the contract the buyer may nevertheless demand inspection and at ~~his~~ the buyer's option either treat the contract as avoided or accept the goods with due allowance from the contract price for the deterioration or the deficiency in quantity but without further right against the seller."

Section 872. Section 30-2-615, MCA, is amended to read:

"30-2-615. Excuse by failure of presupposed conditions. Except so far as a seller may have assumed a greater obligation and subject to the preceding section on substituted performance:

~~(a)~~(1) Delay in delivery or nondelivery in whole or in part by a seller who complies with ~~paragraphs (b) and (c)~~ subsections (2) and (3) is not a breach of ~~his~~ the seller's duty under a contract for sale if performance as agreed has been made impracticable by the occurrence of a contingency the nonoccurrence of which was a basic assumption on which the contract was made or by compliance in good faith with any applicable foreign or domestic governmental regulation or order whether or not it later proves to be invalid.

~~(b)~~(2) Where the causes mentioned in ~~paragraph (a)~~ subsection (1) affect only a part of the seller's capacity to perform, ~~he~~ the seller must allocate production and deliveries among ~~his~~ its customers but may at ~~his~~ its option include regular customers not then under contract as well as ~~his~~ its own requirements for further

manufacture. ~~He~~ The seller may so allocate in any manner which is fair and reasonable.

~~(c)~~(3) The seller must notify the buyer seasonably that there will be delay or nondelivery and, when allocation is required under ~~paragraph (b)~~ subsection (2), of the estimated quota thus made available for the buyer."

Section 873. Section 30-2-616, MCA, is amended to read:

"30-2-616. Procedure on notice claiming excuse. (1) Where the buyer receives notification of a material or indefinite delay or an allocation justified under the preceding section ~~he~~ it may by written notification to the seller as to any delivery concerned, and where the prospective deficiency substantially impairs the value of the whole contract under the provisions of this chapter relating to breach of installment contracts (30-2-612), then also as to the whole:

- (a) terminate and thereby discharge any unexecuted portion of the contract; or
- (b) modify the contract by agreeing to take ~~his~~ its available quota in substitution.

(2) If after receipt of such notification from the seller the buyer fails so to modify the contract within a reasonable time not exceeding 30 days the contract lapses with respect to any deliveries affected.

(3) The provisions of this section may not be negated by agreement except insofar as the seller has assumed a greater obligation under the preceding section."

Section 874. Section 30-2-702, MCA, is amended to read:

"30-2-702. Seller's remedies on discovery of buyer's insolvency. (1) Where the seller discovers the buyer to be insolvent ~~he~~ the seller may refuse delivery except for cash including payment for all goods theretofore delivered under the contract, and stop delivery under this chapter (30-2-705).

(2) Where the seller discovers that the buyer has received goods on credit while insolvent ~~he~~ the seller may reclaim the goods upon demand made within 10 days after the receipt, but if misrepresentation of solvency has been made to the particular seller in writing within 3 months before delivery the 10-day limitation does not apply. Except as provided in this subsection the seller may not base a right to reclaim goods on the buyer's fraudulent or innocent misrepresentation of solvency or of intent to pay.

(3) The seller's right to reclaim under subsection (2) is subject to the rights of a buyer in ordinary course or other good faith purchaser under this chapter (30-2-403). Successful reclamation of goods excludes all other

remedies with respect to them."

Section 875. Section 30-2-704, MCA, is amended to read:

"30-2-704. Seller's right to identify goods to the contract notwithstanding breach or to salvage unfinished goods. (1) An aggrieved seller under the preceding section may:

(a) identify to the contract conforming goods not already identified if at the time ~~he~~ the seller learned of the breach they are in ~~his~~ the seller's possession or control;

(b) treat as the subject of resale goods which have demonstrably been intended for the particular contract even though those goods are unfinished.

(2) Where the goods are unfinished an aggrieved seller may in the exercise of reasonable commercial judgment for the purposes of avoiding loss and of effective realization either complete the manufacture and wholly identify the goods to the contract or cease manufacture and resell for scrap or salvage value or proceed in any other reasonable manner."

Section 876. Section 30-2-706, MCA, is amended to read:

"30-2-706. Seller's resale including contract for resale. (1) Under the conditions stated in 30-2-703 on seller's remedies, the seller may resell the goods concerned or the undelivered balance thereof. Where the resale is made in good faith and in a commercially reasonable manner the seller may recover the difference between the resale price and the contract price together with any incidental damages allowed under the provisions of this chapter (30-2-710), but less expenses saved in consequence of the buyer's breach.

(2) Except as otherwise provided in subsection (3) or unless otherwise agreed resale may be at public or private sale including sale by way of one or more contracts to sell or of identification to an existing contract of the seller. Sale may be as a unit or in parcels and at any time and place and on any terms but every aspect of the sale including the method, manner, time, place and terms must be commercially reasonable. The resale must be reasonably identified as referring to the broken contract, but it is not necessary that the goods be in existence or that any or all of them have been identified to the contract before the breach.

(3) Where the resale is at private sale the seller must give the buyer reasonable notification of ~~his~~ an intention to resell.

(4) Where the resale is at public sale:

(a) only identified goods can be sold except where there is a recognized market for a public sale of futures in goods of the kind; and

(b) it must be made at a usual place or market for public sale if one is reasonably available and except in the case of goods which are perishable or threaten to decline in value speedily the seller must give the buyer reasonable notice of the time and place of the resale; and

(c) if the goods are not to be within the view of those attending the sale the notification of sale must state the place where the goods are located and provide for their reasonable inspection by prospective bidders; and

(d) the seller may buy.

(5) A purchaser who buys in good faith at a resale takes the goods free of any rights of the original buyer even though the seller fails to comply with one or more of the requirements of this section.

(6) The seller is not accountable to the buyer for any profit made on any resale. A person in the position of a seller (30-2-707) or a buyer who has rightfully rejected or justifiably revoked acceptance must account for any excess over the amount of ~~his~~ the buyer's security interest, as hereinafter defined (subsection (3) of 30-2-711)."

Section 877. Section 30-2-707, MCA, is amended to read:

"30-2-707. "Person in the position of a seller". (1) A "person in the position of a seller" includes as against a principal an agent who has paid or become responsible for the price of goods on behalf of ~~his~~ the principal or anyone who otherwise holds a security interest or other right in goods similar to that of a seller.

(2) A person in the position of a seller may as provided in this chapter withhold or stop delivery (30-2-705) and resell (30-2-706) and recover incidental damages (30-2-710)."

Section 878. Section 30-2-709, MCA, is amended to read:

"30-2-709. Action for the price. (1) When the buyer fails to pay the price as it becomes due the seller may recover, together with any incidental damages under the next section, the price:

(a) of goods accepted or of conforming goods lost or damaged within a commercially reasonable time after risk of their loss has passed to the buyer; and

(b) of goods identified to the contract if the seller is unable after reasonable effort to resell them at a reasonable price or the circumstances reasonably indicate that such effort will be unavailing.

(2) Where the seller sues for the price ~~he~~ the seller must hold for the buyer any goods which have been identified to the contract and are still in ~~his~~ the seller's control except that if resale becomes possible ~~he~~ the seller may resell them at any time prior to the collection of the judgment. The net proceeds of any such resale must be credited to the buyer and payment of the judgment entitles ~~him~~ the buyer to any goods not resold.

(3) After the buyer has wrongfully rejected or revoked acceptance of the goods or has failed to make a payment due or has repudiated (30-2-610), a seller who is held not entitled to the price under this section shall nevertheless be awarded damages for nonacceptance under the preceding section."

Section 879. Section 30-2-711, MCA, is amended to read:

"30-2-711. Buyer's remedies in general -- buyer's security interest in rejected goods. (1) Where the seller fails to make delivery or repudiates or the buyer rightfully rejects or justifiably revokes acceptance then with respect to any goods involved, and with respect to the whole if the breach goes to the whole contract (30-2-612), the buyer may cancel and whether or not ~~he~~ the buyer has done so may in addition to recovering so much of the price as has been paid:

(a) "cover" and have damages under the next section as to all the goods affected whether or not they have been identified to the contract; or

(b) recover damages for nondelivery as provided in this chapter (30-2-713).

(2) Where the seller fails to deliver or repudiates the buyer may also:

(a) if the goods have been identified recover them as provided in this chapter (30-2-502); or

(b) in a proper case obtain specific performance or recover the goods as provided in this chapter (30-2-716).

(3) On rightful rejection or justifiable revocation of acceptance a buyer has a security interest in goods in ~~his~~ the buyer's possession or control for any payments made on their price and any expenses reasonably incurred in their inspection, receipt, transportation, care and custody and may hold such goods and resell them in like manner as an aggrieved seller (30-2-706)."

Section 880. Section 30-2-712, MCA, is amended to read:

"30-2-712. "Cover" -- buyer's procurement of substitute goods. (1) After a breach within the preceding section the buyer may "cover" by making in good faith and without unreasonable delay any reasonable

purchase of or contract to purchase goods in substitution for those due from the seller.

(2) The buyer may recover from the seller as damages the difference between the cost of cover and the contract price together with any incidental or consequential damages as hereinafter defined (30-2-715), but less expenses saved in consequence of the seller's breach.

(3) Failure of the buyer to effect cover within this section does not bar ~~him~~ the buyer from any other remedy."

Section 881. Section 30-2-714, MCA, is amended to read:

"30-2-714. Buyer's damages for breach in regard to accepted goods. (1) Where the buyer has accepted goods and given notification (subsection (3) of 30-2-607) ~~he~~ the buyer may recover as damages for any nonconformity of tender the loss resulting in the ordinary course of events from the seller's breach as determined in any manner which is reasonable.

(2) The measure of damages for breach of warranty is the difference at the time and place of acceptance between the value of the goods accepted and the value they would have had if they had been as warranted, unless special circumstances show proximate damages of a different amount.

(3) In a proper case any incidental and consequential damages under the next section may also be recovered."

Section 882. Section 30-2-717, MCA, is amended to read:

"30-2-717. Deduction of damages from the price. The buyer on notifying the seller of ~~his~~ an intention to do so may deduct all or any part of the damages resulting from any breach of contract from any part of the price still due under the same contract."

Section 883. Section 30-2-718, MCA, is amended to read:

"30-2-718. Liquidation or limitation of damages -- deposits. (1) Damages for breach by either party may be liquidated in the agreement but only at an amount which is reasonable in the light of the anticipated or actual harm caused by the breach, the difficulties of proof of loss, and the inconvenience or nonfeasibility of otherwise obtaining an adequate remedy. A term fixing unreasonably large liquidated damages is void as a penalty.

(2) Where the seller justifiably withholds delivery of goods because of the buyer's breach, the buyer is entitled to restitution of any amount by which the sum of ~~his~~ the buyer's payments exceeds:

(a) the amount to which the seller is entitled by virtue of terms liquidating the seller's damages in accordance with subsection (1);² or

(b) in the absence of such terms, 20% of the value of the total performance for which the buyer is obligated under the contract or \$500, whichever is smaller.

(3) The buyer's right to restitution under subsection (2) is subject to offset to the extent that the seller establishes:

(a) a right to recover damages under the provisions of this chapter other than subsection (1);² and

(b) the amount or value of any benefits received by the buyer directly or indirectly by reason of the contract.

(4) Where a seller has received payment in goods their reasonable value or the proceeds of their resale shall be treated as payments for the purposes of subsection (2); but if the seller has notice of the buyer's breach before reselling goods received in part performance, ~~his~~ the resale is subject to the conditions laid down in this chapter on resale by an aggrieved seller (30-2-706)."

Section 884. Section 30-2-722, MCA, is amended to read:

"30-2-722. Who can sue third parties for injury to goods. Where a third party so deals with goods which have been identified to a contract for sale as to cause actionable injury to a party to that contract:

(a) a right of action against the third party is in either party to the contract for sale who has title to or a security interest or a special property or an insurable interest in the goods; and if the goods have been destroyed or converted a right of action is also in the party who either bore the risk of loss under the contract for sale or has since the injury assumed that risk as against the other;

(b) if at the time of the injury the party plaintiff did not bear the risk of loss as against the other party to the contract for sale and there is no arrangement between them for disposition of the recovery, ~~his~~ the party plaintiff's suit or settlement is, subject to ~~his~~ its own interest, as a fiduciary for the other party to the contract;

(c) either party may with the consent of the other sue for the benefit of whom it may concern."

Section 885. Section 30-2-723, MCA, is amended to read:

"30-2-723. Proof of market price -- time and place. (1) If an action based on anticipatory repudiation comes to trial before the time for performance with respect to some or all of the goods, any damages based on market price (30-2-708 or 30-2-713) shall be determined according to the price of such goods prevailing at the time when the aggrieved party learned of the repudiation.

(2) If evidence of a price prevailing at the times or places described in this chapter is not readily available the price prevailing within any reasonable time before or after the time described or at any other place which in commercial judgment or under usage of trade would serve as a reasonable substitute for the one described may be used, making any proper allowance for the cost of transporting the goods to or from such other place.

(3) Evidence of a relevant price prevailing at a time or place other than the one described in this chapter offered by one party is not admissible unless and until ~~he~~ that party has given the other party such notice as the court finds sufficient to prevent unfair surprise."

Section 886. Section 30-2A-103, MCA, is amended to read:

"30-2A-103. Definitions and index of definitions. (1) In this chapter, unless the context otherwise requires, the following definitions apply:

(a) "Buyer in ordinary course of business" means a person, who in good faith and without knowledge that the sale to the buyer is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind, but the term does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes acquiring goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.

(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine; a set of articles, as a suite of furniture or a line of machinery; a quantity, as a gross or carload; or any other unit treated in use or in the relevant market as a single whole.

(d) "Conforming" goods or performance under a lease contract means goods or performance that is in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose if the total payments to be made under the lease contract, excluding payments for options to renew or buy, do not exceed \$25,000.

(f) "Fault" means wrongful act, omission, breach, or default.

(g) "Finance lease" means a lease with respect to which:

(i) the lessor does not select, manufacture, or supply the goods;

(ii) the lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and

(iii) one of the following occurs:

(A) the lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) the lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) the lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) if the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing:

(I) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person;

(II) that the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; and

(III) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of

them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (30-2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances, including course of dealing or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

Section 887. Section 30-2A-108, MCA, is amended to read:

"30-2A-108. Unconscionability. (1) If the court as a matter of law finds a lease contract or any clause of a lease contract to have been unconscionable at the time it was made, the court may refuse to enforce the lease contract, it may enforce the remainder of the lease contract without the unconscionable clause, or it may so limit the application of any unconscionable clause as to avoid any unconscionable result.

(2) With respect to a consumer lease, if the court as a matter of law finds that a lease contract or any

clause of a lease contract has been induced by unconscionable conduct or that unconscionable conduct has occurred in the collection of a claim arising from a lease contract, the court may grant appropriate relief.

(3) Before making a finding of unconscionability under subsection (1) or (2), the court, on its own motion or that of a party, shall afford the parties a reasonable opportunity to present evidence as to the setting, purpose, and effect of the lease contract or clause thereof or of the conduct.

(4) In an action in which the lessee claims unconscionability with respect to a consumer lease:

(a) if the court finds unconscionability under subsection (1) or (2), the court shall award reasonable attorney fees to the lessee;

(b) if the court does not find unconscionability and the lessee claiming unconscionability has brought or maintained an action ~~he~~ the lessee knew to be groundless, the court shall award reasonable attorney fees to the party against whom the claim is made;

(c) in determining attorney fees, the amount of the recovery on behalf of the claimant under subsections (1) and (2) is not controlling."

Section 888. Section 30-2A-109, MCA, is amended to read:

"30-2A-109. Option to accelerate at will. (1) A term providing that one party or ~~his~~ the party's successor in interest may accelerate payment of performance or require collateral or additional collateral "at will" or "when ~~he~~ the party deems ~~himself~~ itself insecure" or in words of similar import must be construed to mean that ~~he~~ the party has power to do so only if ~~he~~ the party in good faith believes that the prospect of payment or performance is impaired.

(2) With respect to a consumer lease, the burden of establishing good faith under subsection (1) is on the party who exercised the power; otherwise the burden of establishing lack of good faith is on the party against whom the power has been exercised."

Section 889. Section 30-2A-220, MCA, is amended to read:

"30-2A-220. Effect of default on risk of loss. (1) When risk of loss is to pass to the lessee and the time of passage is not stated:

(a) if a tender or delivery of goods so fails to conform to the lease contract as to give a right of rejection, the risk of their loss remains with the lessor or, in the case of a finance lease, the supplier until cure or

acceptance.

(b) if the lessee rightfully revokes acceptance, ~~he~~ the lessee, to the extent of any deficiency in ~~his~~ its effective insurance coverage, may treat the risk of loss as having remained with the lessor from the beginning.

(2) Whether or not risk of loss is to pass to the lessee, if the lessee as to conforming goods already identified to a lease contract repudiates or is otherwise in default under the lease contract, the lessor or, in the case of a finance lease, the supplier, to the extent of any deficiency in ~~his~~ its effective insurance coverage, may treat the risk of loss as resting on the lessee for a commercially reasonable time."

Section 890. Section 30-2A-221, MCA, is amended to read:

"30-2A-221. Casualty to identified goods. If a lease contract requires goods identified when the lease contract is made and the goods suffer casualty without fault of the lessee, the lessor, or the supplier before delivery or if the goods suffer casualty before risk of loss passes to the lessee pursuant to the lease agreement or 30-2A-219, then:

- (1) if the loss is total, the lease contract is avoided; and
- (2) if the loss is partial or the goods have so deteriorated as to no longer conform to the lease contract, the lessee may nevertheless demand inspection and at ~~his~~ the lessee's option either treat the lease contract as avoided or, except in a finance lease that is not a consumer lease, accept the goods with due allowance from the rent payable for the balance of the lease term for the deterioration or the deficiency in quantity but without further right against the lessor."

Section 891. Section 30-2A-310, MCA, is amended to read:

"30-2A-310. Lessor's and lessee's rights when goods become accessions. (1) Goods are "accessions" when they are installed in or affixed to other goods.

(2) The interest of a lessor or a lessee under a lease contract entered into before the goods became accessions is superior to all interests in the whole except as stated in subsection (4).

(3) The interest of a lessor or a lessee under a lease contract entered into at the time or after the goods became accessions is superior to all subsequently acquired interests in the whole except as stated in subsection (4) but is subordinate to interests in the whole existing at the time the lease contract was made unless the holders of such interests in the whole have in writing consented to the lease or disclaimed an interest in the goods as part

of the whole.

(4) The interest of a lessor or a lessee under a lease contract described in subsection (2) or (3) is subordinate to the interest of:

(a) a buyer in the ordinary course of business or a lessee in the ordinary course of business of any interest in the whole acquired after the goods became accessions; or

(b) a creditor with a security interest in the whole perfected before the lease contract was made to the extent that the creditor makes subsequent advances without knowledge of the lease contract.

(5) When under subsections (2) and (4) or (3) and (4) a lessor or a lessee of accessions holds an interest that is superior to all interests in the whole, the lessor or the lessee may, on default, expiration, termination, or cancellation of the lease contract by the other party but subject to the provisions of the lease contract and this chapter or if necessary to enforce ~~his~~ the lessor's or lessee's other rights and remedies under this chapter, remove the goods from the whole, free and clear of all interests in the whole, but ~~he~~ the lessor or lessee must reimburse any holder of an interest in the whole who is not the lessee and who has not otherwise agreed to the cost of repair of any physical injury but not for any diminution in value of the whole caused by the absence of the goods removed or by any necessity for replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation."

Section 892. Section 30-2A-401, MCA, is amended to read:

"30-2A-401. Insecurity -- adequate assurance of performance. (1) A lease contract imposes an obligation on each party that the other's expectation of receiving due performance will not be impaired.

(2) If reasonable grounds for insecurity arise with respect to the performance of either party, the insecure party may demand in writing adequate assurance of due performance. Until the insecure party receives that assurance, if commercially reasonable, the insecure party may suspend any performance for which ~~he~~ the insecure party has not already received the agreed return.

(3) A repudiation of the lease contract occurs if assurance of due performance adequate under the circumstances of the particular case is not provided to the insecure party within a reasonable time, not to exceed 30 days after receipt of a demand by the other party.

(4) Between merchants, the reasonableness of grounds for insecurity and the adequacy of any

assurance offered must be determined according to commercial standards.

(5) Acceptance of any nonconforming delivery or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance."

Section 893. Section 30-2A-405, MCA, is amended to read:

"30-2A-405. Excused performance. Subject to 30-2A-404 on substituted performance, the following rules apply:

(1) Delay in delivery or nondelivery in whole or in part by a lessor or a supplier who complies with subsections (2) and (3) is not a default under the lease contract if performance as agreed has been made impracticable by the occurrence of a contingency the nonoccurrence of which was a basic assumption on which the lease contract was made or by compliance in good faith with any applicable foreign or domestic governmental regulation or order, whether or not the regulation or order later proves to be invalid.

(2) If the causes mentioned in subsection (1) affect only part of the lessor's or the supplier's capacity to perform, ~~he~~ the lessor or supplier shall allocate production and deliveries among ~~his~~ customers but at ~~his~~ the lessor's or supplier's option may include regular customers not then under contract for sale or lease as well as ~~his~~ the lessor's or supplier's own requirements for further manufacture. ~~He~~ The lessor or supplier may so allocate in any manner that is fair and reasonable.

(3) The lessor seasonably shall notify the lessee and, in the case of a finance lease, the supplier seasonably shall notify the lessor and the lessee, if known, that there will be delay or nondelivery and, if allocation is required under subsection (2), of the estimated quota thus made available for the lessee."

Section 894. Section 30-2A-504, MCA, is amended to read:

"30-2A-504. Liquidation of damages. (1) Damages payable by either party for default or any other act or omission, including indemnity for loss or diminution of anticipated tax benefits or loss or damage to a lessor's residual interest, may be liquidated in the lease agreement but only at an amount or by a formula that is reasonable in light of the then anticipated harm caused by the default or other act or omission.

(2) If the lease agreement provides for liquidation of damages and such provision does not comply with subsection (1) or if such provision is an exclusive or limited remedy that circumstances cause to fail of its essential purpose, remedy may be had as provided in this chapter.

(3) If the lessor justifiably withholds or stops delivery of goods because of the lessee's default or insolvency (30-2A-525 or 30-2A-526), the lessee is entitled to restitution of any amount by which the sum of ~~his~~ the lessee's payments exceeds:

(a) the amount to which the lessor is entitled by virtue of terms liquidating the lessor's damages in accordance with subsection (1); or

(b) in the absence of those terms, 20% of the then present value of the total rent the lessee was obligated to pay for the balance of the lease term or, in the case of a consumer lease, the lesser of such amount or \$500.

(4) A lessee's right to restitution under subsection (3) is subject to offset to the extent the lessor establishes:

(a) a right to recover damages under the provisions of this chapter other than subsection (1) of this section; and

(b) the amount or value of any benefits received by the lessee directly or indirectly by reason of the lease contract."

Section 895. Section 30-2A-507, MCA, is amended to read:

"30-2A-507. Proof of market rent -- time and place. (1) Damages based on market rent (30-2A-519 or 30-2A-528) are determined according to the rent for the use of the goods concerned for a lease term identical to the remaining lease term of the original lease agreement and prevailing at the time of the default.

(2) If evidence of rent for the use of the goods concerned for a lease term identical to the remaining lease term of the original lease agreement and prevailing at the times or places described in this chapter is not readily available, the rent prevailing within any reasonable time before or after the time described or at any other place or for a different lease term that in commercial judgment or under usage of trade would serve as a reasonable substitute for the one described may be used, making any proper allowance for the difference, including the cost of transporting the goods to or from the other place.

(3) Evidence of a relevant rent prevailing at a time or place or for a lease term other than the one described in this chapter offered by one party is not admissible unless and until ~~he~~ the party has given the other party notice the court finds sufficient to prevent unfair surprise.

(4) If the prevailing rent or value of any goods regularly leased in any established market is in issue,

reports in official publications or trade journals or in newspapers or periodicals of general circulation published as the reports of that market are admissible in evidence. The circumstances of the preparation of the report may be shown to affect its weight but not its admissibility."

Section 896. Section 30-2A-511, MCA, is amended to read:

"30-2A-511. Merchant lessee's duties as to rightfully rejected goods. (1) Subject to any security interest of a lessee (30-2A-508(5)), if a lessor or a supplier has no agent or place of business at the market of rejection, a merchant lessee, after rejection of goods in ~~his~~ the lessee's possession or control, shall follow any reasonable instructions received from the lessor or the supplier with respect to the goods. In the absence of those instructions, a merchant lessee shall make reasonable efforts to sell, lease, or otherwise dispose of the goods for the lessor's account if they threaten to decline in value speedily. Instructions are not reasonable if on demand indemnity for expenses is not forthcoming.

(2) If a merchant lessee (subsection (1) of this section) or any other lessee (30-2A-512) disposes of goods, ~~he~~ the lessee is entitled to reimbursement either from the lessor or the supplier or out of the proceeds for reasonable expenses of caring for and disposing of the goods and, if the expenses include no disposition commission, to such commission as is usual in the trade or, if there is none, to a reasonable sum not exceeding 10% of the gross proceeds.

(3) In complying with 30-2A-512 or this section, the lessee is held only to good faith. Good faith conduct hereunder is neither acceptance or conversion nor the basis of an action for damages.

(4) A purchaser who purchases in good faith from a lessee pursuant to 30-2A-512 or this section takes the goods free of any rights of the lessor and the supplier even though the lessee fails to comply with one or more of the requirements of this chapter."

Section 897. Section 30-2A-513, MCA, is amended to read:

"30-2A-513. Cure by lessor of improper tender or delivery -- replacement. (1) If any tender or delivery by the lessor or the supplier is rejected because it is nonconforming and the time for performance has not yet expired, the lessor or the supplier may seasonably notify the lessee of the lessor's or the supplier's intention to cure and may then make a conforming delivery within the time provided in the lease contract.

(2) If the lessee rejects a nonconforming tender that the lessor or the supplier had reasonable grounds

to believe would be acceptable with or without money allowance, the lessor or the supplier may have a further reasonable time to substitute a conforming tender if ~~he~~ the lessor or supplier seasonably notifies the lessee."

Section 898. Section 30-2A-531, MCA, is amended to read:

"30-2A-531. Standing to sue third parties for injury to goods. (1) If a third party so deals with goods that have been identified to a lease contract as to cause actionable injury to a party to the lease contract:

(a) the lessor has a right of action against the third party; and

(b) the lessee also has a right of action against the third party if the lessee:

(i) has a security interest in the goods;

(ii) has an insurable interest in the goods; or

(iii) bears the risk of loss under the lease contract or has since the injury assumed that risk as against the lessor and the goods have been converted or destroyed.

(2) If at the time of the injury the party plaintiff did not bear the risk of loss as against the other party to the lease contract and there is no arrangement between them for disposition of the recovery, ~~his~~ the party plaintiff's suit or settlement, subject to ~~his~~ the party plaintiff's own interest, is as a fiduciary for the other party to the lease contract.

(3) Either party with the consent of the other may sue for the benefit of whom it may concern."

"33-2-1353. Voidable preferences and liens. (1) (a) A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the insurer within 1 year before the filing of a successful petition for liquidation under this part, the effect of which transfer may be to enable the creditor to obtain a greater percentage of this debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, then ~~such~~ the transfers ~~shall~~ must be considered preferences if made or ~~suffered~~ allowed within 1 year before the filing of the successful petition for rehabilitation or within 2 years before the filing of the successful petition for liquidation, whichever time is shorter.

(b) Any preference may be avoided by the liquidator if:

(i) the insurer was insolvent at the time of the transfer;

(ii) the transfer was made within 4 months before the filing of the petition;

(iii) the creditor receiving it or to be benefited ~~thereby~~ by it or his the creditor's agent acting with reference

~~thereto~~ to the transfer had, at the time when the transfer was made, reasonable cause to believe that the insurer was insolvent or was about to become insolvent; or

(iv) the creditor receiving it was an officer or any employee or attorney or other person who was in fact in a position of comparable influence in the insurer to an officer, whether or not ~~he~~ the creditor held ~~such~~ the position, or any shareholder holding directly or indirectly more than 5% of any class of any equity security issued by the insurer or any other person, firm, corporation, association, or aggregation of persons with whom the insurer did not deal at arm's length.

(c) When the preference is voidable, the liquidator may recover the property or, if it has been converted, its value from any person who has received or converted the property, except ~~where~~ when a bona fide purchaser or lienor has given less than fair equivalent value, ~~he shall have~~ the purchaser or lienor has a lien upon the property to the extent of the consideration actually given by ~~him~~ the purchaser or lienor. When a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title passes to the liquidator.

(2) (a) A transfer of property other than real property is considered to be made or ~~suffered~~ allowed when it becomes so far perfected that ~~no~~ a subsequent lien is not obtainable by legal or equitable proceedings on a simple contract that could become superior to the rights of the transferee.

(b) A transfer of real property is considered to be made or ~~suffered~~ allowed when it becomes so far perfected that ~~no~~ a subsequent bona fide purchaser from the insurer could not obtain rights superior to the rights of the transferee.

(c) A transfer ~~which~~ that creates an equitable lien is not considered to be perfected if there are available means by which a legal lien could be created.

(d) A transfer not perfected prior to the filing of a petition for liquidation is considered to be made immediately before the filing of the successful petition.

(e) The provisions of this subsection apply whether or not there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

(3) (a) A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of ~~such~~ the proceedings upon the entry or docketing of a judgment or decree or upon attachment, garnishment, execution, or like process, whether before, upon, or after judgment or decree and whether before or upon levy. It does not include liens ~~which~~ that under applicable law are given a special priority over other liens

~~which that~~ are prior in time.

(b) A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee or a purchaser could obtain rights superior to the rights of a transferee, within the meaning of subsection (2), if ~~such the~~ consequences would follow only from the lien or purchase itself or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. ~~Such However,~~ a lien could not, ~~however,~~ become superior and ~~such~~ a purchase could not create superior rights for the purpose of subsection (2) through any acts subsequent to the obtaining of ~~such~~ a lien or subsequent to ~~such~~ a purchase ~~which that~~ require the agreement or concurrence of any third party or ~~which that~~ require any further judicial action or ruling.

(4) A transfer of property for or on account of a new and contemporaneous consideration ~~which that~~ is considered under subsection (2) to be made or suffered after the transfer because of delay in perfecting it does not ~~thereby~~ become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within 21 days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if ~~such~~ a loan is actually made, or a transfer ~~which that~~ becomes security for a future loan ~~shall must~~ have the same effect as a transfer for or on account of a new and contemporaneous consideration.

(5) If any lien considered voidable under subsection (1)(b) has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the filing of a petition under this part ~~which that~~ results in a liquidation order, the indemnifying transfer or lien ~~shall must~~ also be considered voidable.

(6) The property affected by any lien considered voidable under subsections (1) and (5) ~~shall must~~ be discharged from ~~such the~~ lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety ~~shall must~~ pass to the liquidator, except that the court may on due notice order any ~~such~~ lien to be preserved for the benefit of the estate and the court may direct that ~~such the~~ conveyance be executed as may be proper or adequate to evidence the title of the liquidator."

Section 1110. Section 33-2-1355, MCA, is amended to read:

"33-2-1355. Set off for further credit given in good faith. If a creditor has been preferred and afterward in good faith gives the insurer further credit without security of any kind for property ~~which that~~ becomes

a part of the insurer's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference ~~which~~ that would otherwise be recoverable from ~~him~~ the insurer."

Section 1111. Section 33-2-1357, MCA, is amended to read:

"33-2-1357. Personal liability. (1) Every officer, manager, employee, shareholder, member, subscriber, attorney, or any other person acting on behalf of the insurer who knowingly participates in giving any preference when ~~he~~ the individual has reasonable cause to believe the insurer is or is about to become insolvent at the time of the preference is personally liable to the liquidator for the amount of the preference. It is permissible to infer that there is reasonable cause to so believe if the transfer was made within 4 months before the date of filing of ~~this~~ a successful petition for liquidation.

(2) Every person receiving any property from the insurer or the benefit ~~thereof~~ of the property as a preference voidable under 33-2-1353(1) is personally liable ~~therefor~~ and is bound to account to the liquidator.

(3) ~~Nothing in this section prejudices~~ This section does not prejudice any other claim by the liquidator against any person."

Section 1112. Section 33-2-1358, MCA, is amended to read:

(1) ~~No~~ The claims of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment, or encumbrance voidable under this part ~~shall~~ may not be allowed unless ~~he~~ the creditor surrenders the preference, lien, conveyance, transfer, assignment, or encumbrance. If the avoidance is effected by a proceeding in which a final judgment has been entered, the claim may not be allowed unless the money is paid or the property is delivered to the liquidator within 30 days from the date of the entering of the final judgment, except that the court having jurisdiction over the liquidation may allow further time if there is an appeal or other continuation of the proceeding.

(2) A claim allowable under subsection (1) by reason of the avoidance, whether voluntary or involuntary, or a preference, lien, conveyance, transfer, assignment, or encumbrance may be filed as an excused late filing under 33-2-1364 if filed within 30 days from the date of the avoidance or within the further time allowed by the court under subsection (1)."

(3) After levy of assessment under subsection (2), the liquidator shall issue an order directing each member who has not paid the assessment pursuant to the order to show cause why the liquidator should not pursue a judgment ~~therefor~~ for the assessment.

(5) (a) If a member does not appear and serve duly verified objections upon the liquidator on or before the return day of the order to show cause under subsection (3), the court shall make an order adjudging the member liable for the amount of the assessment against ~~him~~ the member, pursuant to subsection (3), together with costs, and the liquidator ~~shall have~~ has a judgment against the member ~~therefor~~ for that amount.

(b) If on or before ~~such~~ the return day the member appears and serves duly verified objections upon the liquidator, the commissioner may hear and determine the matter or may appoint a referee to hear it and make ~~such an~~ an order ~~as that~~ the facts warrant. If the commissioner determines that ~~such~~ the objections do not warrant relief from assessment, the member may request the court to review the matter and vacate the order to show

cause.

(6) The liquidator may enforce any order or collect any judgment under subsection (5) by any lawful means."

(2) The liquidator may permit a claimant making a late filing to share in distributions, whether past or future, as if ~~he~~ the claimant were not late, to the extent that any ~~such~~ payment will not prejudice the orderly administration of the liquidation, under the following circumstances:

(b) a transfer to a creditor was avoided under 33-2-1351 through 33-2-1357 or was voluntarily surrendered under 33-2-1358, and the filing satisfies the conditions of 33-2-1358; and

(b) an evidence of coverage is considered to be deceptive if, when taken as a whole and with consideration given to typography, format, and language, it can cause a reasonable person not possessing special knowledge regarding health maintenance organizations to expect benefits, services, charges, or other advantages that the evidence of coverage does not provide or ~~which~~ that the health maintenance organization issuing the evidence of coverage does not regularly make available to enrollees covered under the evidence of coverage.

(2) Title 33, chapter 18, applies to health maintenance organizations and evidences of coverage issued by a health maintenance organization, except to the extent that the commissioner determines that the nature of health maintenance organizations and evidences of coverage render the chapter clearly inappropriate.

The premium on the individual coverage must be at the then-customary rate applicable to the individual coverage offered by the insurer, health service corporation, or health maintenance organization that provides the alternate insurance coverage.

(b) If a health maintenance organization disenrolls an enrollee covered on an individual basis for any reason not listed in subsection (3) or provided in rules adopted by the commissioner, coverage must be continued until the anniversary date of the policy or for 1 year, whichever is earlier. A health maintenance organization that disenrolls an individual enrollee for failure to pay a required premium or for fraudulent statements on the enrollment form need not provide alternate insurance coverage to that enrollee.

(6) A health maintenance organization may not refer to itself as an insurer unless licensed as an insurer or use a name deceptively similar to the name or description of an insurer authorized to transact insurance in this state.

(7) A person may not refer to itself as a health maintenance organization or HMO unless it holds a valid certificate of authority issued by the commissioner."

(3) When the certificate of authority of a health maintenance organization is suspended, the health maintenance organization may not, during the period of ~~such~~ suspension, enroll any additional enrollees except newborn infants or other newly acquired dependents of existing enrollees and may not engage in any advertising or solicitation.

(4) If the commissioner revokes the certificate of authority of a health maintenance organization, the health maintenance organization shall proceed, immediately following the effective date of the order of revocation, to wind up its affairs and may not transact further business except as may be essential to the orderly conclusion of its affairs. It may not engage in further advertising or solicitation following the effective date of the order of

(2) After the hearing; or upon the failure of the health maintenance organization to appear at the hearing, the commissioner shall make written findings and act as ~~he~~ the commissioner considers advisable. The commissioner shall mail the written findings to the health maintenance organization. The action of the commissioner is subject to review by the district court having jurisdiction. The court may, in disposing of the issue before it, modify, affirm, or reverse the order of the commissioner in whole or in part.

To the extent that 33-1-314 through 33-1-316 and Title 33, chapter 1, part 7, do not address the notice and hearing requirements of this chapter, the provisions of Title 2, chapter 4, parts 6 and 7, apply."

The party states find that charges outstanding against a prisoner, detainees based on untried indictments, informations, or complaints, and difficulties in securing speedy trial of persons already incarcerated in other jurisdictions produce uncertainties which obstruct programs of prisoner treatment and rehabilitation. Accordingly, it is the policy of the party states and the purpose of this agreement to encourage the expeditious and orderly disposition of such charges and determination of the proper status of any and all detainees based on untried indictments, informations, or complaints. The party states also find that proceedings with reference to such charges and detainees, when emanating from another jurisdiction, cannot properly be had in the absence of cooperative procedures. It is the further purpose of this agreement to provide such cooperative procedures.

(1) "state" shall mean a state of the United States, the United States of America, a territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico;

Article III

(1) Whenever a person has entered upon a term of imprisonment in a penal or correctional institution of a party state and whenever during the continuance of the term of imprisonment there is pending in any other party state any untried indictment, information, or complaint on the basis of which a detainer has been lodged against the prisoner, ~~he~~ the prisoner shall be brought to trial within 180 days after ~~he~~ the prisoner shall have caused to be delivered to the prosecuting officer and the appropriate court of the prosecuting officer's jurisdiction written notice of the place of ~~his~~ imprisonment and ~~his~~ the prisoner's request for a final disposition to be made of the indictment, information, or complaint; provided that for good cause shown in open court, the prisoner or ~~his~~ the prisoner's counsel being present, the court having jurisdiction of the matter may grant any necessary or

reasonable continuance. The request of the prisoner shall be accompanied by a certificate of the appropriate official having custody of the prisoner, stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decisions of the state parole agency relating to the prisoner.

Any notification sent pursuant to this subsection shall be accompanied by copies of the prisoner's written notice, request, and the certificate. If trial is not had on any indictment, information, or complaint contemplated hereby prior to the return of the prisoner to the original place of imprisonment, such indictment, information, or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

(5) Any request for final disposition made by a prisoner pursuant to subsection (1) hereof shall also be deemed to be a waiver of extradition with respect to any charge or proceeding contemplated thereby or included therein by reason of subsection (4) hereof and a waiver of extradition to the receiving state to serve any sentence there imposed upon ~~him~~ the prisoner after completion of ~~his~~ the prisoner's term of imprisonment in the sending state. The request for final disposition shall also constitute a consent by the prisoner to the production of ~~his~~ the prisoner's body in any court where ~~his~~ the prisoner's presence may be required in order to effectuate the

purposes of this agreement and a further consent voluntarily to be returned to the original place of imprisonment in accordance with the provisions of this agreement. Nothing in this paragraph shall prevent the imposition of a concurrent sentence if otherwise permitted by law.

Said authorities simultaneously shall furnish all other officers and appropriate courts in the receiving state who have lodged detainers against the prisoner with similar certificates and with notices informing them of the request for custody or availability and of the reasons therefor.

(3) In respect of any proceeding made possible by this article, trial shall be commenced within 120 days of the arrival of the prisoner in the receiving state, but for good cause shown in open court, the prisoner or ~~his~~ the prisoner's counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance.

(4) Nothing contained in this article shall be construed to deprive any prisoner of any right which ~~he~~ the prisoner may have to contest the legality of ~~his~~ the prisoner's delivery as provided in subsection (1), but such delivery may not be opposed or denied on the ground that the executive authority of the sending state has not

affirmatively consented to or ordered such delivery.

(1) In response to a request made under Article III or Article IV hereof, the appropriate authority in a sending state shall offer to deliver temporary custody of such prisoner to the appropriate authority in the state where such indictment, information, or complaint is pending against such person in order that speedy and efficient prosecution may be had. If the request for final disposition is made by the prisoner, the offer of temporary custody shall accompany the written notice provided for in Article III of this agreement. In the case of a federal prisoner, the appropriate authority in the receiving state shall be entitled to temporary custody as provided by this agreement or to the prisoner's presence in federal custody at the place for trial, whichever custodial arrangement may be approved by the custodian.

(3) If the appropriate authority shall refuse or fail to accept temporary custody of said person or in the event that an action on the indictment, information, or complaint on the basis of which the detainer has been lodged is not brought to trial within the periods provided by this chapter, the appropriate court of the jurisdiction where the indictment, information, or complaint has been pending shall enter an order dismissing the same with prejudice and any detainer based thereon shall cease to be of any force or effect.

(4) The temporary custody referred to in this agreement shall be only for the purpose of permitting prosecution on the charge or charges contained in one or more untried indictments, informations, or complaints which form the basis of the detainer or detainers or for prosecution on any other charge or charges arising out of the same transaction. Except for ~~his~~ the prisoner's attendance at court and while being transported to or from

any place at which ~~his~~ the prisoner's presence may be required, the prisoner shall be held in a suitable jail or other facility regularly used for persons awaiting prosecution.

(5) At the earliest practicable time consonant with the purposes of this agreement, the prisoner shall be returned to the sending state.

(6) During the continuance of temporary custody or while the prisoner is otherwise being made available for trial as required by this agreement, time being served on the sentence shall continue to run, but good time shall be earned by the prisoner only if, and to the extent that, the law and practice of the jurisdiction which imposed the sentence may allow.

(7) For all purposes other than that for which temporary custody as provided in this agreement is exercised, the prisoner shall be deemed to remain in the custody of and subject to the jurisdiction of the sending state and any escape from temporary custody may be dealt with in the same manner as an escape from the original place of imprisonment or in any other manner permitted by law.

(8) From the time that a party state receives custody of a prisoner pursuant to this agreement until such prisoner is returned to the territory and custody of the sending state, the state in which the one or more untried indictments, informations, or complaints are pending or in which trial is being had shall be responsible for the prisoner and shall also pay all costs of transporting, caring for, keeping, and returning the prisoner. The provisions of this subsection shall govern unless the states concerned shall have entered into a supplementary agreement providing for a different allocation of costs and responsibilities as between or among themselves. Nothing herein contained shall be construed to alter or affect any internal relationship among the departments, agencies, and officers of and in the government of a party state or between a party state and its subdivisions as to the payment of costs or responsibilities therefor.

Article VI

(1) In determining the duration and expiration dates of the time periods provided in Articles III and IV of this agreement, the running of said time periods shall be tolled whenever and for as long as the prisoner is unable to stand trial, as determined by the court having jurisdiction of the matter.

Article VIII

This agreement shall enter into full force and effect as to a party state when such state has enacted the same into law. A state party to this agreement may withdraw herefrom by enacting a statute repealing the same. However, the withdrawal of any state shall not affect the status of any proceedings already initiated by inmates or by state officers at the time such withdrawal takes effect, nor shall it affect their rights in respect thereof.

Article IX

This agreement shall be liberally construed so as to effectuate its purposes. "50-79-501. Northwest Interstate Compact on Low-Level Radioactive Waste Management. The legislature of the state of Montana approves and ratifies the compact designated as the "Northwest Interstate Compact on Low-Level Radioactive Waste Management", which compact is as follows:

NORTHWEST INTERSTATE COMPACT ON
LOW-LEVEL RADIOACTIVE WASTE MANAGEMENT

ARTICLE I -- Policy and Purpose

The party states recognize that low-level radioactive wastes are generated by essential activities and services that benefit the citizens of the states. It is further recognized that the protection of the health and safety of the citizens of the party states and the most economical management of low-level radioactive wastes can be accomplished through cooperation of the states in minimizing the amount of handling and transportation required to dispose of such wastes and through the cooperation of the states in providing facilities that serve the region. It is the policy of the party states to undertake the necessary cooperation to protect the health and safety of the citizens of the party states and to provide for the most economical management of low-level radioactive wastes on a continuing basis. It is the purpose of this compact to provide the means for such a cooperative effort among the party states so that the protection of the citizens of the states and the maintenance of the viability of the states' economies will be enhanced while sharing the responsibilities of radioactive low-level waste management.

ARTICLE II -- Definitions

As used in this compact:

(1) "Facility" means any site, location, structure, or property, excluding federal waste facilities, used or to be used for the storage, treatment, or disposal of low-level waste.

(2) "Low-level waste" means waste material which contains radioactive nuclides emitting primarily beta or gamma radiation, or both, in concentrations or quantities which exceed applicable federal or state standards for unrestricted release. Low-level waste does not include waste containing more than 10 nanocuries of transuranic contaminants per gram of material, spent reactor fuel, or material classified as either high-level waste or waste which is unsuited for disposal by near-surface burial under any applicable federal regulations.

(3) "Generator" means any person, partnership, association, corporation, or any other entity whatsoever which, as a part of its activities, produces low-level radioactive waste.

(4) "Host state" means a state in which a facility is located.

ARTICLE III -- Regulatory Practices

Each party state hereby agrees to adopt practices which will require low-level waste shipments originating within its borders and destined for a facility within another party state to conform to the applicable packaging and transportation requirements and regulations of the host state. Such practices shall include:

- (1) maintaining an inventory of all generators within the state that have shipped or expect to ship low-level waste to facilities in another party state;
- (2) periodic unannounced inspection of the premises of such generators and the waste management activities thereon;
- (3) authorization of the containers in which such waste may be shipped and a requirement that generators use only that type of container authorized by the state;
- (4) assurance that inspections of the carriers which transport such waste are conducted by proper authorities and appropriate enforcement action is taken for violations;
- (5) after receiving notification from a host state that a generator within the party state is in violation of applicable packaging or transportation standards, taking appropriate action to assure that such violations do not recur. Such action may include inspection of every individual low-level waste shipment by that generator.

Each party state may impose fees upon generators and shippers to recover the cost of the inspections and other practices under this article. Nothing in this article shall be construed to limit any party state's authority to impose additional or more stringent standards on generators or carriers than those required under this article.

ARTICLE IV -- Regional Facilities

(1) Facilities located in any party state, other than facilities established or maintained by individual low-level waste generators for the management of their own low-level waste, shall accept low-level waste generated in any party state if such waste has been packaged and transported according to applicable laws and regulations.

(2) No facility located in any party state may accept low-level waste generated outside the region comprising the party states, except as provided in Article V.

(3) Until such time as paragraph (2) of this article takes effect as provided in Article VI, facilities located in any party state may accept low-level waste generated outside of any of the party states only if such waste is accompanied by a certificate of compliance issued by an official of the state in which such waste shipment originated. Such certificate must be in such form as may be required by the host state and shall contain at least

the following:

- (a) the generator's name and address;
 - (b) a description of the contents of the low-level waste container;
 - (c) a statement that the low-level waste being shipped has been inspected by the official who issued the certificate or by his the official's agent or by a representative of the United States Nuclear Regulatory Commission and was found to have been packaged in compliance with applicable federal regulations and such additional requirements as may be imposed by the host state;
 - (d) a binding agreement by the state of origin to reimburse any party state for any liability or expense incurred as a result of an accidental release of such waste during shipment or after such waste reaches the facility.
- (4) Each party state shall cooperate with the other party states in determining the appropriate site of any facility that might be required within the region comprising the party states in order to maximize public health and safety while minimizing the use of any one party state as the host of such facilities on a permanent basis. Each party state further agrees that decisions regarding low-level waste management facilities in its region will be reached through a good faith process which takes into account the burdens borne by each of the party states as well as the benefits each has received.
- (5) The party states recognize that the issue of hazardous chemical waste management is similar in many respects to that of low-level waste management. Therefore, in consideration of the state of Washington allowing access to its low-level waste disposal facility by generators in other party states, party states such as Oregon and Idaho, which host hazardous chemical waste disposal facilities, will allow access to such facilities by generators within other party states. Nothing in this compact may be construed to prevent any party state from limiting the nature and type of hazardous chemical or low-level wastes to be accepted at facilities within its borders or from ordering the closure of such facilities, so long as such action by a host state is applied equally to all generators within the region composed of the party states.
- (6) Any host state may establish a schedule of fees and requirements related to its facilities to assure that closure, perpetual care, and maintenance and contingency requirements are met, including adequate bonding.

ARTICLE V -- Northwest Low-Level Waste Compact Committee

The Governor of each party state shall designate one official of that state as the person responsible for

administration of this compact. The officials so designated shall together comprise the Northwest Low-Level Waste Compact Committee. The committee shall meet as required to consider matters arising under this compact. The parties shall inform the committee of existing regulations concerning low-level waste management in their states and shall afford all parties a reasonable opportunity to review and comment upon any proposed modifications in such regulations. Notwithstanding any provision of Article IV to the contrary, the committee may enter into arrangements with states, provinces, individual generators, or regional compact entities outside the region comprising the party states for access to facilities on such terms and conditions as the committee may deem appropriate. However, it shall require a two-thirds vote of all such members, including the affirmative vote of the member of any party state in which a facility affected by such arrangement is located, for the committee to enter into such arrangement.

ARTICLE VI -- Eligible Parties and Effective Date

(1) Each of the following states is eligible to become a party to this compact: Alaska, Hawaii, Idaho, Montana, Oregon, Utah, Washington, and Wyoming. As to any eligible party, this compact shall become effective upon enactment into law by that party, but it shall not become initially effective until enacted into law by two states. Any party state may withdraw from this compact by enacting a statute repealing its approval.

(2) After the compact has initially taken effect pursuant to paragraph (1) of this article, any eligible party state may become a party to this compact by the execution of an executive order by the Governor of the state. Any state which becomes a party in this manner shall cease to be a party upon the final adjournment of the next general or regular session of its Legislature or July 1, 1983, whichever occurs first, unless the compact has by then been enacted as a statute by that state.

(3) Paragraph (2) of Article IV of this compact shall take effect on July 1, 1983, if consent is given by Congress. As provided in Public Law 96-573, Congress may withdraw its consent to the compact after every 5-year period.

ARTICLE VII -- Severability

If any provision of this compact or its application to any person or circumstance is held to be invalid, all other provisions of this compact and the application of all of its provisions to all other persons and circumstances shall remain valid, and to this end the provisions of this compact are severable."

Article I

The party states find that the proper and expeditious treatment of the mentally ill and mentally deficient can be facilitated by cooperative action, to the benefit of the patients, their families, and society as a whole. Further, the party states find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the residence or citizenship of the patient but that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this compact and of the party states to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the mentally ill and mentally deficient under a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party states in terms of such welfare.

Article II

As used in this compact:

(1) "sending state" means a party state from which a patient is transported pursuant to the provisions of the compact or from which it is contemplated that a patient may be so sent;

(2) "receiving state" means a party state to which a patient is transported pursuant to the provisions of the compact or to which it is contemplated that a patient may be so sent;

(3) "institution" means any hospital or other facility maintained by a party state or political subdivision thereof for the care and treatment of mental illness or mental deficiency;

(4) "patient" means any person subject to or eligible, as determined by the laws of the sending state, for institutionalization or other care, treatment, or supervision pursuant to the provisions of this compact;

(5) "aftercare" means care, treatment, and services provided a patient, as defined herein, on convalescent status or conditional release;

(6) "mental illness" means mental disease to such extent that a person so afflicted requires care and treatment for ~~his~~ the person's own welfare, the welfare of others, or of the community;

(7) "mental deficiency" means mental deficiency as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing ~~himself~~ the person and ~~his~~ the person's affairs but shall not include mental illness as defined herein; and

(8) "state" means any state, territory, or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

Article III

(1) Whenever a person physically present in any party state shall be in need of institutionalization by reason of mental illness or mental deficiency, ~~he~~ the person shall be eligible for care and treatment in an institution in that state irrespective of ~~his~~ the person's residence, settlement, or citizenship qualifications.

(2) The provisions of subsection (1) of this article to the contrary notwithstanding, any patient may be transferred to an institution in another state whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire period of care and treatment or for any portion or portions thereof. The factors referred to in this subsection shall include the patient's full record with due regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(3) No state shall be obliged to receive any patient pursuant to the provisions of subsection (2) of this article unless the sending state gives advance notice of its intention to send the patient, furnishes all available medical and other pertinent records concerning the patient, gives the qualified medical or other appropriate

clinical authorities of the receiving state an opportunity to examine the patient if said authorities so wish, and unless the receiving state agrees to accept the patient.

(4) In the event that the laws of the receiving state establish a system of priorities for the admission of patients, an interstate patient under this compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that ~~he~~ the patient would be taken if ~~he~~ the patient were a local patient.

(5) Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

Article IV

(1) Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive aftercare or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state shall have reason to believe that aftercare in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to investigate the desirability of affording the patient such aftercare in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(2) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby and if the public safety would not be jeopardized thereby, the patient may receive aftercare or supervision in the receiving state.

(3) In supervising, treating, or caring for a patient on aftercare pursuant to the terms of this article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

Article V

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party state,

that state shall promptly notify all appropriate authorities within and without the jurisdiction of the escapee in a manner reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, ~~he~~ the patient shall be detained in the state where found pending disposition in accordance with law.

Article VI

The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this compact through any and all states party to this compact without interference.

Article VII

(1) No person shall be deemed a patient of more than one institution at any given time. Completion of transfer of any patient to an institution in a receiving state shall have the effect of making the person a patient of the institution in the receiving state.

(2) The sending state shall pay all costs of and incidental to the transportation of any patient pursuant to this compact, but any two or more party states may, by making a specific arrangement for that purpose, arrange for a different allocation of costs as among themselves.

(3) No provision of this compact shall be construed to alter or affect any internal relationships among the departments, agencies, and officers of and in the government of a party state or between a party state and its subdivisions as to the payment of costs or responsibilities therefor.

(4) Nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency, or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to any provision of this compact.

(5) Nothing in this compact shall be construed to invalidate any reciprocal agreement between a party state and a nonparty state relating to institutionalization, care, or treatment of the mentally ill or mentally deficient or any statutory authority pursuant to which such agreements may be made.

Article VIII

(1) Nothing in this compact shall be construed to abridge, diminish, or in any way impair the rights, duties, and responsibilities of any patient's guardian on ~~his~~ the guardian's own behalf or in respect of any patient for whom ~~he~~ the guardian may serve, except that, where the transfer of any patient to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian, any court of competent jurisdiction in the

receiving state may make such supplemental or substitute appointment and the court which appointed the previous guardian shall, upon being duly advised of the new appointment and upon the satisfactory completion of such accounting and other acts as such court may by law require, relieve the previous guardian of power and responsibility to whatever extent shall be appropriate in the circumstances. In the case of any patient having settlement in the sending state, the court of competent jurisdiction in the sending state shall have the sole discretion to relieve a guardian appointed by it or continue ~~his~~ the guardian's power and responsibility, whichever it shall deem advisable. The court in the receiving state may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending state in lieu of making a supplemental or substitute appointment.

(2) The term "guardian" as used in subsection (1) of this article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

Article IX

(1) No provisions of this compact except Article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or mental deficiency, said person would be subject to incarceration in a penal or correctional institution.

(2) To every extent possible it shall be the policy of states party to this compact that no patient shall be placed or detained in any prison, jail, or lockup, but such patient shall with all expedition be taken to a suitable institutional facility for mental illness or mental deficiency.

Article X

(1) Each party state shall appoint a compact administrator who, on behalf of ~~his~~ the administrator's state, shall act as general coordinator of activities under the compact in ~~his~~ that state and who shall receive copies of all reports, correspondence, and other documents relating to any patient processed under the compact by ~~his~~ that state either in the capacity of a sending or receiving state. The compact administrator or ~~his~~ the administrator's duly designated representative shall be the official with whom other party states shall deal in any matter relating to the compact or any patient processed thereunder.

(2) The compact administrators of the respective party states shall have power to promulgate reasonable rules to carry out more effectively the terms and provisions of this compact.

Article XI

The duly constituted administrative authorities of any two or more party states may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any institution on a joint or cooperative basis whenever the states concerned find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or mental deficiency. No such supplementary agreement shall be construed so as to relieve any party state of any obligation which it otherwise would have under other provisions of this compact.

Article XII

This compact shall enter into full force and effect as to any state when enacted by it into law, and such state shall thereafter be a party thereto with any and all states legally joining therein.

Article XIII

(1) A state party to this compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect 1 year after notice thereof has been communicated officially and in writing to the governors and compact administrators of all other party states. However, the withdrawal of any state shall not change the status of any patient who has been sent to said state or sent out of said state pursuant to the provisions of the compact.

(2) Withdrawal from any agreement permitted by Article VII(2) as to costs or from any supplementary agreement made pursuant to Article XI shall be in accordance with the terms of such agreement.

Article XIV

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. (a) accidents and deaths on their streets and highways present a very serious human and economic problem with a major deleterious effect on the public welfare;

(b) there is a vital need for the development of greater interjurisdictional cooperation to achieve the necessary uniformity in the laws, rules, regulations, and codes relating to vehicle equipment, and to accomplish this by such means as will minimize the time between the development of demonstrably and scientifically sound safety features and their incorporation into vehicles.

(2) The purposes of this compact are to:

(a) promote uniformity in regulation of and standards for equipment;

(b) secure uniformity of law and administrative practice in vehicular regulation and related safety standards to permit incorporation of desirable equipment changes in vehicles in the interest of greater traffic safety;

(c) provide means for the encouragement and utilization of research which will facilitate the achievement of the foregoing purposes, with due regard for the findings set forth in subsection (1) of this article.

(3) It is the intent of this compact to emphasize performance requirements and not to determine the specific detail of engineering in the manufacture of vehicles or equipment except to the extent necessary for the meeting of such performance requirements.

Article II. Definitions

As used in this compact:

(2) The commissioners shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners, or their alternates, are present.

(3) The commission shall have a seal.

(4) The commission shall elect annually, from among its members, a ~~chairman~~ presiding officer, a ~~vice-chairman~~ vice presiding officer, and a treasurer. Such notice shall also be given to such agencies or officers of each party state as the laws of such party state may provide.

(11) The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year, and embodying such recommendations as may have been issued by the commission. The commission may make such additional reports as it may deem desirable.

Article IV. Research and Testing

The commission shall have power to:

- (1) collect, correlate, analyze, and evaluate information resulting or derivable from research and testing activities in equipment and related fields;

- (3) contract for such equipment research and testing as one or more governmental agencies may agree to have contracted for by the commission, provided that such governmental agency or agencies shall make available the funds necessary for such research and testing;
- (4) recommend to the party states changes in law or policy with emphasis on uniformity of laws and administrative rules, regulations, or codes which would promote effective governmental action or coordination in the prevention of equipment-related highway accidents or the mitigation of equipment-related highway safety problems.

Article V. Vehicular Equipment

(1) In the interest of vehicular and public safety, the commission may study the need for or desirability of the establishment of or changes in performance requirements or restrictions for any item of equipment. As a result of such study, the commission may publish a report relating to any item or items of equipment, and the issuance of such a report shall be a condition precedent to any proceedings or other action provided or authorized by this article. No less than 60 days after the publication of a report containing the results of such study, the commission upon due notice shall hold a hearing or hearings at such place or places as it may determine.

(2) Following the hearing or hearings provided for in subsection (1) of this article, and with due regard for standards recommended by appropriate professional and technical associations and agencies, the commission may issue rules, regulations, or codes embodying performance requirements or restrictions for any item or items of equipment covered in the report, which in the opinion of the commission will be fair and equitable and effectuate the purposes of this compact.

(3) Each party state obligates itself to give due consideration to any and all rules, regulations, and codes issued by the commission and hereby declares its policy and intent to be the promotion of uniformity in the laws of the several party states relating to equipment.

(4) The commission shall send prompt notice of its action in issuing any rule, regulation, or code pursuant to this article to the appropriate motor vehicle agency of each party state and such notice shall contain

the complete text of the rule, regulation, or code.

(5) If the constitution of a party state requires, or if its statutes provide, the approval of the legislature by appropriate resolution or act may be made a condition precedent to the taking effect in such party state of any rule, regulation, or code. In such event, the commissioner of such party state shall submit any commission rule, regulation, or code to the legislature as promptly as may be in lieu of administrative acceptance or rejection thereof by the party state.

(6) Except as otherwise specifically provided in or pursuant to subsections (5) and (7) of this article, the appropriate motor vehicle agency of a party state shall in accordance with its constitution or procedural laws adopt the rule, regulation, or code within 6 months of the sending of the notice and, upon such adoption, the rule, regulation, or code shall have the force and effect of law therein.

(7) The appropriate motor vehicle agency of a party state may decline to adopt a rule, regulation, or code issued by the commission pursuant to this article if such agency specifically finds, after public hearing on due notice, that a variation from the commission's rule, regulation, or code is necessary to the public safety, and incorporates in such finding the reasons upon which it is based. Any such finding shall be subject to review by such procedure for review of administrative determinations as may be applicable pursuant to the laws of the party state. Upon request, the commission shall be furnished with a copy of the transcript of any hearings held pursuant to this subsection.

Article VI. Finance

(1) The commission shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that party state for presentation to the legislature thereof.

(2) Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The total amount of appropriations under any such budget shall be apportioned among the party states as follows: one-third in equal shares and the remainder in proportion to the number of motor vehicles registered in each party state. In determining the number of such registrations, the commission may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the source or sources used in obtaining information concerning vehicular registrations.

(3) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under Article III(8) of this compact, provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under Article III(8) hereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

(4) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its rules. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual reports of the commission.

(5) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.

(6) Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

Article VII. Conflict of Interest

(1) The commission shall adopt rules and regulations with respect to conflict of interest for the commissioners of the party states, and their alternates, if any, and for the staff of the commission and contractors with the commission to the end that no member or employee or contractor shall have a pecuniary or other incompatible interest in the manufacture, sale, or distribution of motor vehicles or vehicular equipment or in any facility or enterprise employed by the commission or on its behalf for testing, conduct of investigations, or research. In addition to any penalty for violation of such rules and regulations as may be applicable under the laws of the violator's jurisdiction of residence, employment, or business, any violation of a commission rule or regulation adopted pursuant to this article shall require the immediate discharge of any violating employee and the immediate vacating of membership, or relinquishing of status as a member on the commission by any commissioner or alternate. In the case of a contractor, any violation of any such rule or regulation shall make any contract of the violator with the commission subject to cancellation by the commission.

(2) Nothing contained in this article shall be deemed to prevent a contractor for the commission from

using any facilities subject to ~~his~~ the contractor's control in the performance of the contract even though such facilities are not devoted solely to work of or done on behalf of the commission, or to prevent such a contractor from receiving remuneration or profit from the use of such facilities.

Article VIII. Advisory and Technical Committees

The commission may establish such advisory and technical committees as it may deem necessary, membership on which may include private citizens and public officials, and may cooperate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities.

Article IX. Entry Into Force and Withdrawal

(1) This compact shall enter into force when enacted into law by any six or more states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof.

(2) Any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until 1 year after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

Article X. Construction and Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating herein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters."

Notice of any proceeding ~~shall~~ must be delivered to the surety or mailed to ~~him~~ the surety by ~~registered or~~ certified mail at ~~his~~ the surety's address as listed with the court where the bond is filed and to ~~his~~ the surety's address as then known to the petitioner.

(d) On petition of a successor personal representative, any other personal representative of the same decedent, or any interested person, a proceeding in the court may be initiated against a surety for breach of the obligation of the bond of the personal representative.

(e) The bond of the personal representative is not void after the first recovery but may be proceeded against from time to time until the whole penalty is exhausted.

(2) No action or proceeding may be commenced against the surety on any matter as to which an action or proceeding against the primary obligor is barred by adjudication or limitation."

Section 2341. Section 72-3-521, MCA, is amended to read:

"72-3-521. Termination of appointment -- general effect. Termination of appointment of a personal representative occurs as indicated in 72-3-522 through 72-3-526, inclusive. Termination ends the right and power pertaining to the office of personal representative as conferred by this code or any will, except that a personal representative, at any time prior to distribution or until restrained or enjoined by court order, may perform acts necessary to protect the estate and may deliver the assets to a successor representative. Termination does not discharge a personal representative from liability for transactions or omissions occurring before termination or relieve ~~him~~ the personal representative of the duty to preserve assets subject to ~~his~~ the personal representative's control, to account ~~therefor~~ for the assets, and to deliver the assets. Termination does not affect the jurisdiction of the court over the personal representative but terminates ~~his~~ the personal representative's authority to represent the estate in any pending or future proceeding."

Section 2342. Section 72-3-522, MCA, is amended to read:

"72-3-522. Termination of appointment -- death or disability. (1) The death of a personal representative or the appointment of a conservator for the estate of a personal representative terminates ~~his~~ the personal representative's appointment.

(2) Until appointment and qualification of a successor or special representative to replace the deceased

or protected representative, the representative of the estate of the deceased or protected personal representative, if any, has the duty to protect the estate possessed and being administered by ~~his~~ the representative's decedent or ward at the time ~~his~~ the appointment terminates, has the power to perform acts necessary for protection, and shall account for and deliver the estate assets to a successor or special personal representative upon ~~his~~ that person's appointment and qualification."

Section 2343. Section 72-3-523, MCA, is amended to read:

"72-3-523. Termination of appointment -- change of testacy status. Except as otherwise ordered in formal proceedings, the probate of a will subsequent to the appointment of a personal representative in intestacy or under a will ~~which~~ that is superseded by formal probate of another will or the vacation of an informal probate of a will subsequent to the appointment of the personal representative ~~thereunder~~ under the will does not terminate the appointment of the personal representative although ~~his~~ the personal representative's powers may be reduced as provided in 72-3-304. Termination occurs upon appointment in informal or formal appointment proceedings of a person entitled to appointment under the later assumption concerning testacy. If ~~no~~ a request for new appointment is not made within 30 days after expiration of time for appeal from the order in formal testacy proceedings or from the informal probate changing the assumption concerning testacy, the previously appointed personal representative upon request may be appointed personal representative under the subsequently probated will or as in intestacy, as the case may be."

Section 2344. Section 72-3-525, MCA, is amended to read:

"72-3-525. Termination of appointment -- voluntary. A personal representative may resign ~~his~~ the position by filing a written statement of resignation with the clerk after ~~he~~ the personal representative has given at least 15 days' written notice to the persons known to be interested in the estate. If no one applies or petitions for appointment of a successor representative within the time indicated in the notice, the filed statement of resignation is ineffective as a termination of appointment and in any event is effective only upon the appointment and qualification of a successor representative and delivery of the assets to ~~him~~ the successor representative."

Section 2345. Section 72-3-526, MCA, is amended to read:

"72-3-526. Termination of appointment -- removal for cause. (1) A person interested in the estate

may petition for removal of a personal representative for cause at any time. Upon filing of the petition, the court shall fix a time and place for hearing. Notice ~~shall~~ must be given by the petitioner to the personal representative and to other persons as the court may order. Except as otherwise ordered as provided in 72-3-617, after receipt of notice of removal proceedings, the personal representative ~~shall~~ may not act except to account, to correct maladministration, or preserve the estate. If removal is ordered, the court also shall direct by order the disposition of the assets remaining in the name of or under the control of the personal representative being removed.

(2) Cause for removal exists:

(a) when removal would be in the best interests of the estate; or

(b) if it is shown that a personal representative or the person seeking ~~his~~ the personal representative's appointment intentionally misrepresented material facts in the proceedings leading to ~~his~~ the appointment or that the personal representative has disregarded an order of the court, has become incapable of discharging the duties of ~~his~~ the office, or has mismanaged the estate or failed to perform any duty pertaining to the office.

(3) Unless the decedent's will directs otherwise, a personal representative appointed at the decedent's domicile, incident to securing self-appointment or appointment of ~~himself or his~~ the personal representative's nominee as ancillary personal representative, may obtain removal of another who was appointed personal representative in this state to administer local assets."

Section 2346. Section 72-3-527, MCA, is amended to read:

"72-3-527. Successor personal representative. (1) Parts 2 and 3 of this chapter govern proceedings for appointment of a personal representative to succeed one whose appointment has been terminated.

(2) After appointment and qualification, a successor personal representative may be substituted in all actions and proceedings to which the former personal representative was a party, and ~~no a~~ a notice, process, or claim ~~which that~~ that was given or served upon the former personal representative ~~need~~ is not required to be given to or served upon the successor in order to preserve any position or right the person giving the notice or filing the claim may ~~thereby~~ have obtained or preserved with reference to the former personal representative.

(3) Except as otherwise ordered by the court, the successor personal representative has the powers and duties in respect to the continued administration ~~which that~~ that the former personal representative would have had if ~~his~~ the former personal representative's appointment had not been terminated."

Section 2347. Section 72-3-601, MCA, is amended to read:

"72-3-601. Time of accrual of duties and powers -- power of executor prior to appointment -- ratification. (1) The duties and powers of a personal representative commence upon ~~his~~ appointment. The powers of a personal representative relate back in time to give acts by the person appointed ~~which that~~ are beneficial to the estate occurring prior to appointment the same effect as those occurring ~~thereafter~~ after appointment.

(2) Prior to appointment, a person named executor in a will may carry out written instructions of the decedent relating to ~~his~~ the decedent's body, funeral, and burial arrangements.

(3) A personal representative may ratify and accept acts on behalf of the estate done by others ~~where~~ when the acts would have been proper for a personal representative."

Section 2348. Section 72-3-602, MCA, is amended to read:

"72-3-602. Priority among different letters. A person to whom general letters are issued first has exclusive authority under the letters until ~~his~~ the person's appointment is terminated or modified. If, through error, general letters are afterwards issued to another, the first appointed representative may recover any property of the estate in the hands of the representative subsequently appointed, but the acts of the ~~latter~~ subsequent representative done in good faith before notice of the first letters are not void for want of validity of appointment."

Section 2349. Section 72-3-603, MCA, is amended to read:

"72-3-603. Notice of appointment to heirs and devisees. (1) Not later than 30 days after ~~his~~ appointment, every personal representative, except any special administrator, shall give information of ~~his~~ the appointment to the heirs and devisees, including, if there has been no formal testacy proceeding and if the personal representative was appointed on the assumption that the decedent died intestate, the devisees in any will mentioned in the application for appointment of a personal representative. The information ~~shall~~ must be delivered or sent by ordinary mail to each of the heirs and devisees whose address is reasonably available to the personal representative. The duty does not extend to require information to persons who have been adjudicated in a prior formal testacy proceeding to have no interest in the estate.

(2) (a) The information must:

(i) include the name and address of the personal representative;

(ii) indicate that it is being sent to persons who have or may have some interest in the estate being administered;

(iii) indicate whether bond has been filed; and

(iv) describe the court where papers relating to the estate are on file.

(b) The information must state that the estate is being administered by the personal representative under the uniform probate code without supervision by the court but that recipients are entitled to information regarding the administration from the personal representative and may petition the court in any matter relating to the estate, including distribution of assets and expenses of administration.

(3) The personal representative's failure to give this information is a breach of ~~his~~ the personal representative's duty to the persons concerned but does not affect the validity of ~~his~~ the personal representative's appointment, ~~his~~ powers, or other duties.

(4) A personal representative may inform other persons of ~~his~~ the appointment by delivery or ordinary first-class mail."

Section 2350. Section 72-3-604, MCA, is amended to read:

"72-3-604. Standing to sue. Except as to proceedings ~~which~~ that do not survive the death of the decedent, a personal representative of a decedent domiciled in this state at ~~his~~ death has the same standing to sue and be sued in the courts of this state and the courts of any other jurisdiction as ~~his~~ the decedent had immediately prior to death."

A personal representative shall proceed expeditiously with the settlement and distribution of a decedent's estate and, except as otherwise specified under this code or ordered in regard to a supervised personal representative, do so without adjudication, order, or direction of the court, but ~~he~~ the personal representative may invoke the jurisdiction of the court, in proceedings authorized by this code, to resolve questions concerning the estate or its administration."

Section 2352. Section 72-3-606, MCA, is amended to read:

"72-3-606. Possession and protection of estate. (1) Except as otherwise provided by a decedent's will and subject to the provisions of Title 72, chapter 12, part 7, ~~every~~ a personal representative has a right to and shall take possession or control of the decedent's property, except that any real property or tangible personal property may be left with or surrendered to the person presumptively entitled ~~thereto~~ to the property unless or until, in the judgment of the personal representative, possession of the property by ~~him~~ the personal representative will be necessary for purposes of administration. The request by a personal representative for delivery of ~~any~~ property possessed by an heir or devisee is conclusive evidence, in any action against the heir or devisee for possession ~~thereof~~ of the property, that the possession of the property by the personal representative is necessary for purposes of administration.

(2) The personal representative shall pay taxes on and take all steps reasonably necessary for the management, protection, and preservation of the estate in ~~his~~ the personal representative's possession. ~~He~~ The personal representative may maintain an action to recover possession of property or to determine the title ~~thereto~~ to property."

Section 2354. Section 72-3-611, MCA, is amended to read:

"72-3-611. No surcharge for authorized acts generally -- limitation. (1) A personal representative ~~shall~~ may not be surcharged for acts of administration or distribution if the conduct in question was authorized at the time. Subject to other obligations of administration and of this code, an informally probated will is authority to administer and distribute the estate according to its terms. Subject to the provisions of this code, an order of appointment of a personal representative, whether issued in informal or formal proceedings, is authority to

distribute apparently intestate assets to the heirs of the decedent if, at the time of distribution, the personal representative is not aware of a pending testacy proceeding, a proceeding to vacate an order entered in an earlier testacy proceeding, a formal proceeding questioning ~~his~~ the personal representative's appointment or fitness to continue, or a supervised administration proceeding.

(2) ~~Nothing in this~~ This section ~~affects~~ does not affect the duty of the personal representative to administer and distribute the estate in accordance with the rights of claimants, the surviving spouse, any minor and dependent children, and any pretermitted child of the decedent as described elsewhere in this code."

Section 2355. Section 72-3-612, MCA, is amended to read:

(2) A personal representative is individually liable for obligations arising from ownership or control of the estate or for torts committed in the course of administration of the estate only if ~~he~~ the personal representative is personally at fault.

(3) Claims based on contracts entered into by a personal representative in ~~his~~ a fiduciary capacity, on obligations arising from ownership or control of the estate, or on torts committed in the course of estate administration may be asserted against the estate by proceeding against the personal representative in ~~his~~ the personal representative's fiduciary capacity, whether or not the personal representative is individually liable therefor.

Section 2356. Section 72-3-614, MCA, is amended to read:

"72-3-614. Power to recover property which that is subject of void or voidable transfer. The property liable for the payment of unsecured debts of a decedent includes all property transferred by ~~him~~ the decedent by any means ~~which~~ that is in law void or voidable as against ~~his~~ the decedent's creditors, and subject

to prior liens, the right to recover this property, so far as necessary for the payment of unsecured debts of the decedent, is exclusively in the personal representative."

Section 2357. Section 72-3-615, MCA, is amended to read:

"72-3-615. Transaction involving conflict of interest -- voidable -- exceptions. Any sale or encumbrance to the personal representative, ~~his~~ the personal representative's spouse, agent, or attorney, or any corporation or trust in which ~~he~~ the personal representative has a substantial beneficial interest or any transaction ~~which that~~ is affected by a substantial conflict of interest on the part of the personal representative is voidable by any person interested in the estate except one who has consented after fair disclosure; unless:

(2) The rights of purchasers and others dealing with a personal representative ~~shall~~ must be determined as provided in 72-3-615 and 72-3-618."

Section 2359. Section 72-3-617, MCA, is amended to read:

"72-3-617. Order restraining personal representative. (1) On petition of any person who appears to have an interest in the estate, the court by temporary order may restrain a personal representative from performing specified acts of administration, disbursement, or distribution or exercise of any powers or discharge of any duties of ~~his~~ the office or make any other order to secure proper performance of ~~his~~ the personal representative's duty if it appears to the court that the personal representative otherwise may take some action ~~which that~~ would jeopardize unreasonably the interest of the applicant or of some other interested person. Persons with whom the personal representative may transact business may be made parties.

(2) The matter ~~shall~~ must be set for hearing within 10 days unless the parties otherwise agree. Notice

Persons dealing with a corepresentative, if actually unaware that another has been appointed to serve with ~~him~~ the corepresentative or if advised by the personal representative with whom they deal that ~~he~~ the personal representative has authority to act alone for any of the reasons mentioned ~~herein in this part~~, are as fully protected as if the person with whom they dealt had been the sole personal representative."

Section 2362. Section 72-3-632, MCA, is amended to read:

"72-3-632. Expenses of personal representative in estate litigation. If ~~any~~ a personal representative or person nominated as personal representative defends or prosecutes ~~any~~ a proceeding in good faith, whether successful or not, ~~he~~ the personal representative is entitled to receive from the estate ~~his~~ the personal representative's necessary expenses and disbursements, including reasonable ~~attorneys'~~ attorney fees incurred."

Section 2363. Section 72-3-634, MCA, is amended to read:

"72-3-634. Proceedings for review of employment of agents and compensation of personal representatives and employees. (1) Upon the filing of a motion for settlement of fees by the court filed by an interested person, the personal representative, or the person employed by the personal representative and after notice to all interested persons, the propriety of employment of any person by a personal representative, including any attorney, auditor, investment ~~adviser~~ adviser, or other specialized agent or assistant, the reasonableness of the compensation of any person ~~so~~ employed, or the reasonableness of the compensation determined by the

(1) Unless notice has already been given under this section, a personal representative upon ~~his~~ appointment shall publish a notice once a week for 3 successive weeks in a newspaper of general circulation in the county announcing ~~his~~ the personal representative's appointment and address and notifying creditors of the estate to present their claims within 4 months after the date of the first publication of the notice or be forever barred.

(2) A personal representative may give written notice by mail or other delivery to any creditor, notifying the creditor to present ~~his~~ the creditor's claim within 4 months from the published notice if given as provided in subsection (1) or within 30 days from the mailing or other delivery of the notice, whichever is later, or be forever barred. (3) The personal representative is not liable to any creditor or to any successor of the decedent for giving or failing to give notice under this section."

Section 2366. Section 72-3-803, MCA, is amended to read:

However, claims barred by the nonclaim statute at the decedent's domicile before the giving of notice to creditors in this state are also barred in this state.

(2) All claims against a decedent's estate ~~which that~~ arise at or after the death of the decedent, including claims of the state and any subdivision ~~thereof~~ of the state, whether due or to become due, absolute or contingent, liquidated or unliquidated, founded on contract, tort, or other legal basis, are barred against the estate, the personal representative, and the heirs and devisees of the decedent unless presented as follows:

(b) any other claim, within the later of 4 months after it arises or the time specified in subsection (1)(a).

(1) The claimant shall mail to the personal representative return receipt requested a written statement of the claim indicating its basis, the name and address of the claimant, and the amount claimed or may file a written statement of the claim, in the form prescribed by rule, with the clerk of the court. The claim is ~~deemed~~

considered presented on the first to occur of receipt of the written statement of claim by the personal representative or the filing of the claim with the court. If a claim is not yet due, the date when it will become due ~~shall~~ must be stated. If the claim is contingent or unliquidated, the nature of the uncertainty ~~shall~~ must be stated. If the claim is secured, the security ~~shall~~ must be described. Failure to describe correctly the security, the nature of any uncertainty, and the due date of a claim not yet due does not invalidate the presentation made.

(2) The claimant may commence a proceeding against the personal representative, in any court where the personal representative may be subjected to jurisdiction, to obtain payment of ~~his~~ the claim against the estate, but the commencement of the proceeding must occur within the time limited for presenting the claim. ~~No~~ A presentation of claim is not required in regard to matters claimed in proceedings against the decedent ~~which~~ that were pending at the time of ~~his~~ death.

(1) As to claims presented in the manner described in 72-3-804 within the time limit prescribed in 72-3-803, the personal representative may mail a notice to any claimant stating that the claim has been disallowed. If, after allowing or disallowing a claim, the personal representative changes ~~his~~ the decision concerning the claim, ~~he~~ the personal representative shall notify the claimant. The personal representative may not change a disallowance of a claim after the time for the claimant to file a petition for allowance or to commence a proceeding on the claim has run and the claim has been barred. ~~Every~~ A claim ~~which~~ that is disallowed in whole or in part by the personal representative is barred so far as it is not allowed unless the claimant files a petition for allowance in the court or commences a proceeding against the personal representative not later than 60 days after the mailing of the notice of disallowance or partial allowance if the notice warns the claimant of the impending bar. Failure of the personal representative to mail notice to a claimant of action on ~~his~~ the claimant's claim for 60 days after the time

for original presentation of the claim has expired has the effect of a notice of allowance.

(2) After allowing or disallowing a claim, the personal representative may change the allowance or disallowance as provided in this section. The personal representative may change the allowance to a disallowance, in whole or in part, prior to payment, but not after allowance by a court order or judgment or an order directing payment of the claim. The personal representative shall notify the claimant of the change to disallowance, and the disallowed claim is then subject to bar as provided in subsection (1). The personal representative may change a disallowance to an allowance, in whole or in part, until it is barred under subsection (1). After it is barred, it may be allowed and paid only if the estate is solvent and all successors whose interests would be affected consent.

(3) Upon the petition of the personal representative or of a claimant in a proceeding for the purpose, the court may allow, in whole or in part, any claim or claims presented to the personal representative or filed with the clerk of the court in due time and not barred by subsection (1). Notice in this proceeding ~~shall~~ must be given to the claimant, the personal representative, and those other persons interested in the estate ~~as~~ that the court may direct by order entered at the time the proceeding is commenced.

(4) A judgment in a proceeding in another court against a personal representative to enforce a claim against a decedent's estate is an allowance of the claim.

(5) Unless otherwise provided in ~~any~~ a judgment in another court entered against the personal representative, an allowed claim bears interest at the legal rate for the period commencing 60 days after the time for original presentation of the claim has expired unless based on a contract making a provision for interest, in which case the claim bears interest in accordance with that provision."

Section 2369. Section 72-3-808, MCA, is amended to read:

"72-3-808. Payment of claims. (1) Upon the expiration of the earlier of the time limitations provided in 72-3-803 for the presentation of claims, the personal representative shall proceed to pay the claims allowed against the estate in the order of priority prescribed, after making provision for homestead, family, and support allowances, for claims already presented ~~which~~ that have not yet been allowed or whose allowance has been appealed; and for unbarred claims ~~which~~ that may yet be presented, including costs and expenses of administration.

(2) By petition to the court in a proceeding for the purpose; or by appropriate motion if the administration

is supervised, a claimant whose claim has been allowed but not paid as provided ~~herein~~ in this section may secure an order directing the personal representative to pay the claim to the extent that funds of the estate are available for the payment.

(3) The personal representative at any time may pay any just claim ~~which that~~ has not been barred, with or without formal presentation, but ~~he~~ the personal representative is personally liable to any other claimant whose claim is allowed and who is injured by ~~such the~~ payment if:

(a) the payment was made before the expiration of the time limit stated in subsection (1) and the personal representative failed to require the payee to give adequate security for the refund of any of the payment necessary to pay other claimants; or

(b) the payment was made, due to the negligence or willful fault of the personal representative, in ~~such~~ a manner ~~as to deprive~~ that deprives the injured claimant of ~~his the~~ claimant's priority."

Section 2370. Section 72-3-811, MCA, is amended to read:

"72-3-811. Secured claims. Payment of a secured claim is upon the basis of the amount allowed if the creditor surrenders ~~his the~~ creditor's security; ~~otherwise~~ Otherwise, payment is upon the basis of one of the following:

(1) if the creditor exhausts ~~his the~~ creditor's security before receiving payment, unless precluded by other law, upon the amount of the claim allowed less the fair value of the security; or

(2) if the creditor does not have the right to exhaust ~~his the~~ creditor's security or has not done so, upon the amount of the claim allowed less the value of the security determined by converting it into money according to the terms of the agreement pursuant to which the security was delivered to the creditor or by the creditor and personal representative by agreement, arbitration, compromise, or litigation."

Section 2371. Section 72-3-812, MCA, is amended to read:

Section 2372. Section 72-3-814, MCA, is amended to read:

"72-3-814. Claims not due and contingent or unliquidated claims. (1) If a claim ~~which~~ that will become due at a future time or a contingent or unliquidated claim becomes due or certain before the distribution of the estate and if the claim has been allowed or established by a proceeding, it is paid in the same manner as presently due and absolute claims of the same class.

(2) In other cases the personal representative or, on petition of the personal representative or the claimant in a special proceeding for the purpose, the court may provide for payment as follows:

(a) If the claimant consents, ~~he~~ the claimant may be paid the present or agreed value of the claim, taking any uncertainty into account.

(b) Arrangement for future payment or possible payment on the happening of the contingency or on liquidation may be made by creating a trust, giving a mortgage, obtaining a bond or security from a distributee, or otherwise."

(1) that the farm and grazing lands of the state of Montana are among the basic assets of the state and that the preservation of these lands is necessary to protect and promote the health, safety, and general welfare

of its people; that improper land use practices have caused and have contributed to and are now causing and contributing to a progressively more serious erosion of the farm and grazing lands of this state by wind and water; that the breaking of natural grass, plant, and forest cover has interfered with the natural factors of soil stabilization, causing loosening of soil and exhaustion of humus and developing a soil condition that favors erosion; that the topsoil is being blown and washed out of fields and pastures; that there has been an accelerated washing of sloping fields; that these processes of erosion by wind and water speed up with removal of absorptive topsoil, causing exposure of less absorptive and less protective but more erosive subsoil; that failure by any land occupier to conserve the soil and control erosion upon ~~his~~ the occupier's lands causes a washing and blowing of soil and water from ~~his~~ the occupier's lands onto other lands and makes the conservation of soil and control of erosion on ~~such~~ other lands difficult or impossible;

(3) that to conserve soil resources and control and prevent soil erosion and prevent floodwater and sediment damages and further the conservation, development, utilization, and disposal of water, it is necessary that land use practices contributing to soil wastage and soil erosion be discouraged and discontinued and appropriate soil-conserving land use practices and works of improvement for flood prevention and the conservation, development, utilization, and disposal of water be adopted and carried out; that among the

procedures necessary for widespread adoption are the carrying on of engineering operations such as the construction of water spreaders, terraces, terrace outlets, check dams, desilting basins, floodwater retarding structures, channel improvements, floodways, land drainage, dikes, ponds, ditches, and the like; the utilization of strip cropping, lister furrowing, contour cultivating, and contour furrowing; land drainage; land irrigation; seeding and planting of waste, sloping, abandoned, or eroded lands to water-conserving and erosion-preventing plants, trees, and grasses; forestation and reforestation; rotation of crops, restriction of number of livestock grazed, deferred grazing, rodent eradication; soil stabilization with trees, grasses, legumes, and other thick-growing, soil-holding crops; retardation of runoff by increasing absorption of rainfall; and retirement from cultivation of steep, highly erosive areas and areas now badly gullied or otherwise eroded."

In all cases ~~where~~ in which the federal government or an agency other than the state compensates the owner in whole or in part for livestock destroyed as a sanitary safeguard, the amount of

compensation from the state ~~shall~~ must be determined under 81-2-210.

(4) Animals ~~which~~ that are injured or killed while they are being inspected or tested under an order of the department or its agent, ~~which and that~~ do not come within either class 1 or class 2; may be paid for at their full appraised value if the claim for the animal is recommended for payment at a meeting of the board. ~~Where~~ When it is shown that the injury or death of the animal was not proximately due to the negligence of the owner or ~~his~~ the owner's agent, the whole claim, when approved, ~~shall~~ must be paid out of department funds. Failure of the locator or locators to record a certificate of location as ~~herein~~ required ~~shall create~~ in this section creates a prima facie presumption of intent to abandon. However, recordation after the 60-day period but before the ground is located by another renews the location and saves the rights of the original locator.
