

AN ACT REVISING THE DEFINITION OF "EMPLOYEE" OR "WORKER" WITH RESPECT TO WORKERS' COMPENSATION LAWS; CLARIFYING INJURIES THAT MAY NOT BE CONSIDERED AS ARISING OUT OF AND IN THE COURSE OF EMPLOYMENT; AMENDING SECTIONS 39-71-118 AND 39-71-407, MCA; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, court decisions have created a great deal of uncertainty concerning workers' compensation insurance coverage in matters involving breaks and recreational and social activities, including office parties and picnics; and

WHEREAS, the Montana Legislature finds it necessary to provide clarification by defining accidents that are not considered to arise out of and in the course of employment by enacting a break and recreational and social activity exception.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Section 39-71-118, MCA, is amended to read:

"39-71-118. Employee, worker, volunteer, and volunteer firefighter defined. (1) As used in this chapter, the term "employee" or "worker" means:

(a) each person in this state, including a contractor other than an independent contractor, who is in the service of an employer, as defined by 39-71-117, under any appointment or contract of hire, expressed or implied, oral or written. The terms include aliens and minors, whether lawfully or unlawfully employed, and all of the elected and appointed paid public officers and officers and members of boards of directors of quasi-public or private corporations, except those officers identified in 39-71-401(2), while rendering actual service for the corporations for pay. Casual employees, as defined by 39-71-116, are included as employees if they are not otherwise covered by workers' compensation and if an employer has elected to be bound by the provisions of the compensation law for these casual employments, as provided in 39-71-401(2). Household or domestic employment is excluded.

(b) any juvenile who is performing work under authorization of a district court judge in a delinquency prevention or rehabilitation program;

(c) a person who is receiving on-the-job vocational rehabilitation training or other on-the-job training under a state or federal vocational training program, whether or not under an appointment or contract of hire with an employer, as defined in 39-71-117, and, except as provided in subsection (9), whether or not receiving payment from a third party. However, this subsection (1)(c) does not apply to students enrolled in vocational training programs, as outlined in this subsection, while they are on the premises of a public school or community college.

(d) an aircrew member or other person who is employed as a volunteer under 67-2-105;

(e) a person, other than a juvenile as described in subsection (1)(b), who is performing community service for a nonprofit organization or association or for a federal, state, or local government entity under a court order, or an order from a hearings officer as a result of a probation or parole violation, whether or not under appointment or contract of hire with an employer, as defined in 39-71-117, and whether or not receiving payment from a third party. For a person covered by the definition in this subsection (1)(e):

(i) compensation benefits must be limited to medical expenses pursuant to 39-71-704 and an impairment award pursuant to 39-71-703 that is based upon the minimum wage established under Title 39, chapter 3, part 4, for a full-time employee at the time of the injury; and

(ii) premiums must be paid by the employer, as defined in 39-71-117(3), and must be based upon the minimum wage established under Title 39, chapter 3, part 4, for the number of hours of community service required under the order from the court or hearings officer.

(f) an inmate working in a federally certified prison industries program authorized under 53-1-301;

(g) a volunteer firefighter as described in 7-33-4109 or a person who provides ambulance services under Title 7, chapter 34, part 1; and

(h) a person placed at a public or private entity's worksite pursuant to 53-4-704. The person is considered an employee for workers' compensation purposes only. The department of public health and human services shall provide workers' compensation coverage for recipients of financial assistance, as defined in 53-4-201, or for participants in the food stamp program, as defined in 53-2-902, who are placed at public or private worksites through an endorsement to the department of public health and human services' workers' compensation policy naming the public or private worksite entities as named insureds under the policy. The

endorsement may cover only the entity's public assistance participants and may be only for the duration of each participant's training while receiving financial assistance or while participating in the food stamp program under a written agreement between the department of public health and human services and each public or private entity. The department of public health and human services may not provide workers' compensation coverage for individuals who are covered for workers' compensation purposes by another state or federal employment training program. Premiums and benefits must be based upon the wage that a probationary employee is paid for work of a similar nature at the assigned worksite.

(2) The terms defined in subsection (1) do not include a person who is:

~~(a) participating in recreational activity and who at the time is relieved of and is not performing prescribed duties, regardless of whether the person is using, by discount or otherwise, a pass, ticket, permit, device, or other emolument of employment;~~

~~(b)(a)~~ performing voluntary service at a recreational facility and who receives no compensation for those services other than meals, lodging, or the use of the recreational facilities;

~~(e)(b)~~ performing services as a volunteer, except for a person who is otherwise entitled to coverage under the laws of this state. As used in this subsection ~~(2)(e)(b)~~, "volunteer" means a person who performs services on behalf of an employer, as defined in 39-71-117, but who does not receive wages as defined in 39-71-123.

~~(d)(c)~~ serving as a foster parent, licensed as a foster care provider in accordance with 52-2-621, and providing care without wage compensation to no more than six foster children in the provider's own residence. The person may receive reimbursement for providing room and board, obtaining training, respite care, leisure and recreational activities, and providing for other needs and activities arising in the provision of in-home foster care.

(3) With the approval of the insurer, an employer may elect to include as an employee under the provisions of this chapter any volunteer as defined in subsection ~~(2)(e)(b)~~.

(4) (a) The term "volunteer firefighter" means a firefighter who is an enrolled and active member of a governmental fire agency organized under Title 7, chapter 33, except 7-33-4109.

(b) The term "volunteer hours" means all the time spent by a volunteer firefighter in the service of an employer, including but not limited to training time, response time, and time spent at the employer's premises.

(5) (a) If the employer is a partnership, limited liability partnership, sole proprietor, or a member-managed

limited liability company, the employer may elect to include as an employee within the provisions of this chapter any member of the partnership or limited liability partnership, the owner of the sole proprietorship, or any member of the limited liability company devoting full time to the partnership, limited liability partnership, proprietorship, or limited liability company business.

(b) In the event of an election, the employer shall serve upon the employer's insurer written notice naming the partners, sole proprietor, or members to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection (5)(d). A partner, sole proprietor, or member is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (5)(d). For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than \$900 a month and not more than 1 1/2 times the state's average weekly wage.

(6) (a) If the employer is a quasi-public or a private corporation or a manager-managed limited liability company, the employer may elect to include as an employee within the provisions of this chapter any corporate officer or manager exempted under 39-71-401(2).

(b) In the event of an election, the employer shall serve upon the employer's insurer written notice naming the corporate officer or manager to be covered and stating the level of compensation coverage desired by electing the amount of wages to be reported, subject to the limitations in subsection (5)(d). A corporate officer or manager is not considered an employee within this chapter until notice has been given.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection (6)(d). For premium ratemaking and for the determination of the weekly wage for weekly compensation benefits, the electing employer may elect an amount of not less than \$200 a week and not more than 1 1/2 times the state's average weekly wage.

(7) (a) The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may elect to include as an employee within the provisions

of this chapter any volunteer firefighter. A volunteer firefighter who receives workers' compensation coverage under this section may not receive disability benefits under Title 19, chapter 17.

(b) In the event of an election, the employer shall report payroll for all volunteer firefighters for premium and weekly benefit purposes based on the number of volunteer hours of each firefighter times the average weekly wage divided by 40 hours, subject to a maximum of 1 1/2 times the state's average weekly wage.

(c) A self-employed sole proprietor or partner who has elected not to be covered under this chapter, but who is covered as a volunteer firefighter pursuant to subsection (7)(a) and when injured in the course and scope of employment as a volunteer firefighter, may in addition to the benefits described in subsection (7)(b) be eligible for benefits at an assumed wage of the minimum wage established under Title 39, chapter 3, part 4, for 2,080 hours a year. The trustees of a rural fire district, a county governing body providing rural fire protection, or the county commissioners or trustees for a fire service area may make an election for benefits. If an election is made, payrolls must be reported and premiums must be assessed on the assumed wage.

(8) Except as provided in chapter 8 of this title, an employee or worker in this state whose services are furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to be under the control and employment of the employer. This presumption may be rebutted as provided in 39-71-117(3).

(9) A student currently enrolled in an elementary, secondary, or postsecondary educational institution who is participating in work-based learning activities and who is paid wages by the educational institution or business partner is the employee of the entity that pays the student's wages for all purposes under this chapter. A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject to the provisions of this chapter.

(10) For purposes of this section, an "employee or worker in this state" means:

(a) a resident of Montana who is employed by an employer and whose employment duties are primarily carried out or controlled within this state;

(b) a nonresident of Montana whose principal employment duties are conducted within this state on a regular basis for an employer;

(c) a nonresident employee of an employer from another state engaged in the construction industry, as defined in 39-71-116, within this state; or

(d) a nonresident of Montana who does not meet the requirements of subsection (10)(b) and whose employer elects coverage with an insurer that allows an election for an employer whose:

- (i) nonresident employees are hired in Montana;
- (ii) nonresident employees' wages are paid in Montana;
- (iii) nonresident employees are supervised in Montana; and
- (iv) business records are maintained in Montana.

(11) An insurer may require coverage for all nonresident employees of a Montana employer who do not meet the requirements of subsection (10)(b) or (10)(d) as a condition of approving the election under subsection (10)(d)."

Section 2. Section 39-71-407, MCA, is amended to read:

"39-71-407. Liability of insurers -- limitations. (1) For workers' compensation injuries, each insurer is liable for the payment of compensation, in the manner and to the extent provided in this section, to an employee of an employer covered under plan No. 1, plan No. 2, and the state fund under plan No. 3 that it insures who receives an injury arising out of and in the course of employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

(2) (a) Injuries that do not arise out of and in the course of employment include but are not limited to the following:

(i) an injury that occurs off any worksite of an employer while an employee is on break, whether paid or unpaid, and the employee is not engaged in duties for the employer; or

(ii) except as provided in subsection (2)(b), an injury that occurs while the employee is voluntarily participating in a recreational or social activity, including but not limited to athletic events, parties, and picnics, even though the employer pays for some or all of the cost of the activity and the employee is not engaged in duties assigned by the employer.

(b) The provisions of subsection (2)(a)(ii) do not apply if the employee is either in a paid work status while participating in the recreational or social activity or is required by the employer to participate in the recreational or social activity.

~~(2)(3)~~ (a) An insurer is liable for an injury, as defined in 39-71-119, if the injury is established by objective medical findings and if the claimant establishes that it is more probable than not that:

- (i) a claimed injury has occurred; or
- (ii) a claimed injury aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury aggravated a preexisting condition is not sufficient to establish liability.

~~(3)~~(4) (a) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

- (i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement and the travel is necessitated by and on behalf of the employer as an integral part or condition of the employment; or
- (ii) the travel is required by the employer as part of the employee's job duties.

(b) A payment made to an employee under a collective bargaining agreement, personnel policy manual, or employee handbook or any other document provided to the employee that is not wages but is designated as an incentive to work at a particular jobsite is not a reimbursement for the costs of travel, gas, oil, or lodging, and the employee is not covered under this chapter while traveling.

~~(4)~~(5) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major contributing cause of the accident. However, if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs, this subsection does not apply.

~~(5)~~(6) If there is no dispute that an insurer is liable for an injury but there is a liability dispute between two or more insurers, the insurer for the most recently filed claim shall pay benefits until that insurer proves that another insurer is responsible for paying benefits or until another insurer agrees to pay benefits. If it is later proven that the insurer for the most recently filed claim is not responsible for paying benefits, that insurer must receive reimbursement for benefits paid to the claimant from the insurer proven to be responsible.

~~(6)~~(7) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to the same part of the body, the workers' compensation insurer is not liable for any compensation or medical benefits caused by the subsequent nonwork-related injury.

~~(7)~~(8) An employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is established by objective medical findings that contain sufficient factual and historical information concerning the relationship of the worker's condition to the original injury.

~~(8)~~(9) For occupational diseases, every employer enrolled under plan No. 1, every insurer under plan

No. 2, or the state fund under plan No. 3 is liable for the payment of compensation, in the manner and to the extent provided in this chapter, to an employee of an employer covered under plan No. 1, plan No. 2, or the state fund under plan No. 3 with an occupational disease that arises out of or is contracted in the course and scope of employment.

~~(9)~~(10) Occupational diseases are considered to arise out of employment or be contracted in the course and scope of employment if:

(a) the occupational disease is established by objective medical findings; and

(b) the events occurring on more than a single day or work shift are the major contributing cause of the occupational disease in relation to other factors contributing to the occupational disease.

~~(10)~~(11) When compensation is payable for an occupational disease, the only employer liable is the employer in whose employment the employee was last injuriously exposed to the hazard of the disease.

~~(11)~~(12) When there is more than one insurer and only one employer at the time that the employee was injuriously exposed to the hazard of the disease, the liability rests with the insurer providing coverage at the earlier of:

(a) the time that the occupational disease was first diagnosed by a treating physician or medical panel;

or

(b) the time that the employee knew or should have known that the condition was the result of an occupational disease.

~~(12)~~(13) In the case of pneumoconiosis, any coal mine operator who has acquired a mine in the state or substantially all of the assets of a mine from a person who was an operator of the mine on or after December 30, 1969, is liable for and shall secure the payment of all benefits that would have been payable by that person with respect to miners previously employed in the mine if acquisition had not occurred and that person had continued to operate the mine, and the prior operator of the mine is not relieved of any liability under this section.

~~(13)~~(14) As used in this section, "major contributing cause" means a cause that is the leading cause contributing to the result when compared to all other contributing causes."
