oppose HB 548

Dear Representative MacDonald:

I am a former Montana resident who is a dog show enthusiast. I enjoy showing in Montana and regularly attend at least 10 shows per year, out of a total of 13 held in Montana per year. Some years I attend them all. I also visit friends and family at other times of the year. My husband and I met and married in Montana and had looked forward to coming "home" in three years when he retires. However, should HB 548 pass, I will not spend my tourist dollars and Montana will not be considered for relocation upon retirement.

Sincerely,

Judie Lucas
