ACKNOWLEDGEMENTS AND CONTACT INFORMATION

This report was prepared by Ernie Niemi, Sarah Reich, Cleo Neculae, and Mark Buckley of ECONorthwest, with input from Julie McNichol-Merritt, John Westenberg, and other staff of the Missoula, Montana, office of PBS&J. We thank the many individuals throughout Montana who assisted us and particularly express our gratitude to Alice Stanley, Tim Bryggman, Chad Lee, and Pat Riley, who provided us with information, introductions, and insights regarding the economics of irrigation in Montana, as well as considerable patience and good humor. ECONorthwest, however, is solely responsible for the content of this report.

ECONorthwest specializes in the economic and financial analysis of public policy. ECONorthwest has analyzed the economics of resource-management, land-use development, and growth-management issues for municipalities, state and federal agencies, and private clients for more than 30 years.
