REVISED JUNE 2008

Example (2): A rape victim advised that her attacker bragged that he had been "freebasing" cocaine just prior to the incident. D = Drugs/Narcotics should be entered.

Example (3): A medical supply warehouse was burglarized and large quantities of Methadone, Morphine, Benzedrine, and Valium were stolen. D = Drugs/Narcotics should not be entered because, while the drugs were the object of the crime, there was no indication that the offenders used drugs or narcotics before or during the incident.

Example (4): A computer "hacker" used his personal computer and a telephone modem to gain access to a company's computer and steal proprietary data. C = Computer Equipment should be entered.

Example (5): A private residence was burglarized and a personal computer was stolen, along with other items. C = Computer Equipment should not be entered because, while the computer was one of the fruits of the crime, it was not used to commit the crime.

8A Bias Motivation - 2 characters (Mandatory)

Data Element 8A is to be used to indicate whether the offense was motivated by bias.

Because of the difficulty of ascertaining the offender's subjective motivation, bias is to be reported only if investigation reveals sufficient objective facts to lead a reasonable and prudent person to conclude that the offender's actions were motivated, in whole or in part, by bias against race, religion, disability, ethnicity, or sexual orientation.

Allowable Entries:

Racial Bias:

- 11 = Anti-White
- 12 = Anti-Black
- 13 = Anti-American Indian/Alaskan Native
- 14 = Anti-Asian/Pacific Islander
- 15 = Anti-Multi-Racial Group

Religious Bias:

- 21 = Anti-Jewish
- 22 = Anti-Catholic
- 23 = Anti-Protestant
- 24 = Anti-Islamic (Muslim)
- 25 = Anti-Other Religion (Buddhism, Hinduism, etc.)

- 26 = Anti-Multi-Religious Group
27 = Anti-Atheist/Agnostic

Ethnicity/National Origin Bias:

- 32 = Anti-Hispanic
33 = Anti-Other Ethnicity/National Origin

Sexual Orientation Bias:

- 41 = Anti-Male Homosexual (Gay)
42 = Anti-Female Homosexual (Lesbian)
43 = Anti-Homosexual (Gays and Lesbians)
44 = Anti-Heterosexual
45 = Anti-Bisexual

Disability Bias:

- 51 = Anti-Physical Disability
52 = Anti-Mental Disability

Other:

- 88 = None (no bias)
99 = Unknown (offender's motivation not known)

Incidents which do not involve any facts indicating biased motivation on the part of the offender are to be reported as 88 = None, while incidents involving ambiguous facts (e.g., where some facts are present but are not conclusive) are to be reported as 99 = Unknown.

Example (1): While driving through a predominantly Mexican-American neighborhood, a black male stopped his car to repair a flat tire. A group of Mexican-Americans leaving a bar across the street accosted the driver and then attacked him with bottles and clubs. During the attack, the offenders called the victim by a well-known and recognized epithet used against blacks and told him that blacks were not welcome in the neighborhood.

The offense would be reported as 12 = Anti-Black because the victim and offenders are of different races, the offenders used a racial epithet, and the facts reveal no other reason for the attack than the stated one, e.g., to keep blacks out of the neighborhood.

Example (2): A white juvenile male snatched a Jewish woman's purse, and in doing so, knocked her down and called her by a well-known and recognized epithet used against Jews. The offender's identity is not known. Although the offender used an epithet for Jews, it is not known whether he belongs to another religious group or whether his motive was anything more than robbery. Because the facts are ambiguous, the offense would be reported

Montana

Bias Motivation by Offense* - 2007

Offense Description	Bias Motivation	Total
Aggravated Assault	Anti_Black	1
