RE: HB 202 – Long-term care tax credit

EXHIBIT 2
DATE 1-26-09
HB 202

Mr. Chairman and members of the Committee, my name is Marilyn Lemm and I'm a volunteer advocate for AARP Montana – a non-profit non-partisan organization of 165,000 members in this state. AARP Montana strongly believes in incentives for long-term care insurance.

We believe this tax credit would compliment the current system of tax deductions to help older Montanans plan for their future. And as our quickly aging state begins to rely more heavily on long-term care, the more people insured the better. Thank you, and we urge do pass on House Bill 202.
