

Speaker Pro Tem Wilmer,

Please introduce the following into the official record for this issue:

I John E. McCabe (United States Navy, Retired), Resident, State of Montana (9 years), State of Montana Patriot Guard State Captain (Retired), Run for the Wall Road Guard, active; do hereby offer my letter of support to the issue of Gold Star License Plate issuance by the state of Montana.

The state of Montana, solid in its support of our military troops wherever they may be and solidly in support of our Veterans state wide, now have the opportunity to show that same unrelenting support for the families of those who have given all in the line of duty. That support is to authorize the Gold Star license plate for immediate issue to those who have suffered the loss of a loved one in the defense of this nation.

The Gold Star plate would give the family members the opportunity to honor the one killed in action and to identify them to those of us who deeply honor their loss. The communities where these plates would be displayed will be reminded that there has been a combat soldier killed in the line of duty and given the opportunity hold that family in the highest esteem and honor. Indeed, this show of respect and honor would even elevate the communities of the state of Montana in the highest level of respect and honor.

This plate holds the highest honor of all plates, it must be available to our Montana military families, to do otherwise is to demonstrate the height of hypocrisy, that, we dare not allow. We as a state must give the families of our combat soldiers the ability to honor those who gave all.

I urge you in the highest possible manner to support this bill and pass it immediately. I also urge you to make this Gold Star license plate available as soon as possible and without delay and at NO additional cost to the ones who have suffered so much already.

John " Shooter" McCabe
Montana RFTW State Coordinator
