

SENATE FISH AND GAME  
EXHIBIT NO. 2  
DATE March 12, 2009  
BILL NO. HB337

House Bill 337  
March 12, 2009  
Presented by Hank Worsch  
Senate Fish and Game Committee

Mr. Chairman and committee members, for the record I am Hank Worsch, License Bureau Chief, Montana Department of Fish, Wildlife & Parks (FWP). I am here in support of HB 337.

HB 337 would allow the FWP Commission the ability to provide license gift certificates. We believe this would provide more opportunity for individuals to obtain hunting and fishing licenses.

Recipients of gift certificates would still be required to meet all requirements of licensure in accordance with title 87 codes, in order to be issued a license from a gift certificate. FWP will ensure compliance with the requirements for gift certificates in 30-14-108 MCA.

Improving customer service is an important goal for FWP and we believe HB 337 is a step in that direction. We encourage the committee to vote "do pass" on this bill.

Thank you.
