23 (b) financial statements and projections for the 2 most recent years of operation and projections for each

- 7 eligible training providers.

8 (7) If the ~~committee~~ department determines that an applicant meets the criteria established in this section

9 and has complied with the applicable procedures and review processes established by the ~~committee~~

10 department, the ~~committee~~ department may award a primary sector business workforce development grant to

11 the employer and authorize the disbursement of funds under contract to the primary sector business.

12 (8) (a) A contract with a grant recipient must contain provisions:

13 (i) certifying that the amount of the grant already expended will be reimbursed in the event that the

14 primary sector business ceases operation in the state of Montana within the grant contract period, which may be

15 up to 2 years;

16 (ii) specifying that the employer may receive grant funds over the contract period only upon documenting

17 the creation of eligible jobs, the hiring of employees for the jobs, or the incurring of eligible training expenses; and

18 (iii) providing the department with annual reports and a final closeout report that documents the higher

19 wages paid to an employee upon completion of the training.

20 (b) The contract must be signed by the person in the primary sector business who is assigned the duties
