~~(8)(8) The department shall make the necessary arrangements for the child's well-being as are required prior to the court hearing."~~

Section 4. Section 41-3-427, MCA, is amended to read:

"41-3-427. Petition for immediate protection and emergency protective services -- order -- service.

(1) (a) In a case in which it appears that a child is abused or neglected or is in danger of being abused or neglected, the county attorney, the attorney general, or an attorney hired by the county may file a petition for immediate protection and emergency protective services. In implementing the policy of this section, the child's health and safety are of paramount concern.

(b) A petition for immediate protection and emergency protective services must state the specific authority requested and must be supported by an affidavit signed by a representative of the department stating in detail the alleged facts upon which the request is based and the facts establishing probable cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence that a child is abused or neglected or is in danger of being abused or neglected. The affidavit of the department representative must contain information, if any, regarding statements made by the parents about the facts of the case.

~~(c) The petition for immediate protection and emergency protective services must be supported by an affidavit signed by a representative of the department stating in detail the facts upon which the request is based. The petition or affidavit of the department must contain information regarding statements, if any, made by the~~

~~parents detailing the parents' statement of the facts of the case. The parents, if available in person or by electronic means, must be given an opportunity to present evidence to the court before the court rules on the petition. If from the alleged facts presented in the affidavit it appears to the court that there is probable cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence to believe that the child has been abused or neglected or is in danger of being abused and neglected, the judge shall grant emergency protective services and the relief authorized by subsection (2) until the adjudication hearing or the temporary investigative hearing. If it appears from the alleged facts contained in the affidavit that there is insufficient probable cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence to believe that the child has been abused or neglected or is in danger of being abused or neglected, the court shall dismiss the petition.~~

(d) If the parents, parent, guardian, person having physical or legal custody of the child, or attorney for the child disputes the material issues of fact contained in the affidavit or the veracity of the affidavit, the person may request a contested show cause hearing pursuant to 41-3-432 within 10 days following service of the petition and affidavit.

~~(d)~~(e) The petition for immediate protection and emergency protective services must include a notice advising the parents, parent, guardian, or other person having physical or legal custody of the ~~youth~~ child that the parents, parent, guardian, or other person having physical or legal custody of the child may have a support person present during any in-person meeting with a social worker concerning emergency protective services. Reasonable accommodation must be made in scheduling an in-person meeting with the social worker.

~~(2) The person filing the petition for immediate protection and emergency protective services has the burden of presenting evidence establishing probable cause for the issuance of an order for immediate protection of the child, except as provided by the federal Indian Child Welfare Act, if applicable. Pursuant to subsection (1), if the court finds probable cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence based on the petition and affidavit, the court may issue an order for immediate protection of the child. The court shall consider the parents' statements, if any, included with the petition and any accompanying affidavit or report to the court. If the court finds probable cause or, if the case is subject to the federal Indian Child Welfare Act, clear and convincing evidence, the court may issue an order granting the following forms of relief, which do not constitute a court-ordered treatment plan under 41-3-443:~~

(a) the right of entry by a peace officer or department worker;

(b) the right to place the child in temporary medical or out-of-home care, including but not limited to care provided by a noncustodial parent, kinship or foster family, group home, or institution;

(c) a requirement that the parents, guardian, or other person having physical or legal custody furnish information that the court may designate and obtain evaluations that may be necessary to determine whether a child is a youth in need of care;

(d) a requirement that the perpetrator of the alleged child abuse or neglect be removed from the home to allow the child to remain in the home;

(e) a requirement that the parent provide the department with the name and address of the other parent, if known, unless parental rights to the child have been terminated;

(f) a requirement that the parent provide the department with the names and addresses of extended family members who may be considered as placement options for the child who is the subject of the proceeding; and

(g) any other temporary disposition that may be required in the best interests of the child that does not require an expenditure of money by the department unless the court finds after notice and a hearing that the expenditure is reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(3) An order for removal of a child from the home must include a finding that continued residence of the child with the parent is contrary to the welfare of the child or that an out-of-home placement is in the best interests of the child.

(4) The order for immediate protection of the child must require the person served to comply immediately with the terms of the order and to appear before the court issuing the order on the date specified for a show cause hearing. Upon a failure to comply or show cause, the court may hold the person in contempt or place temporary physical custody of the child with the department until further order.

(5) The petition must be served as provided in 41-3-422."

Section 5. Section 41-3-432, MCA, is amended to read:

"41-3-432. Show cause hearing -- order. (1) (a) Except as provided in the federal Indian Child Welfare Act, a show cause hearing must be conducted within 20 days of the filing of an initial child abuse and neglect petition unless otherwise stipulated by the parties pursuant to 41-3-434 or unless an extension of time is granted

by the court. A separate notice to the court stating the statutory time deadline for a hearing must accompany any petition to which the time deadline applies.

(b) If a proceeding under this chapter involves an Indian child and is subject to the federal Indian Child Welfare Act, a qualified expert witness is required to testify that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(c) The court may grant an extension of time for a show cause hearing only upon a showing of substantial injustice and shall order an appropriate remedy that considers the best interests of the child.

(2) The person filing the petition has the burden of presenting evidence establishing probable cause for the issuance of an order for temporary investigative authority after the show cause hearing, except as provided by the federal Indian Child Welfare Act, if applicable.

(3) ~~At the show cause hearing~~ If a contested show cause hearing is requested pursuant to 41-3-427 based upon a disputed issue of material fact or a dispute regarding the veracity of the affidavit of the department, the court may consider all evidence and shall provide an opportunity for a parent, guardian, or other person having physical or legal custody of the child to provide testimony regarding the disputed issues. Hearsay evidence of statements made by the affected child is admissible at the hearing. The parent, guardian, or other person may be represented by legal counsel and may be appointed or assigned counsel as provided for in 41-3-425.

(4) At the show cause hearing, the court shall explain the procedures to be followed in the case and explain the parties' rights, including the right to request appointment or assignment of counsel if indigent or if appointment or assignment of counsel is required under the federal Indian Child Welfare Act, if applicable, and the right to challenge the allegations contained in the petition. The parent, guardian, or other person having physical or legal custody of the child must be given the opportunity to admit or deny the allegations contained in the petition at the show cause hearing. Inquiry must be made to determine whether the notice requirements of the federal Indian Child Welfare Act, if applicable, have been met.

(c) whether the department has made reasonable efforts to avoid protective placement of the child or to make it possible to safely return the child to the child's home;

(d) financial support of the child, including inquiry into the financial ability of the parents, guardian, or other person having physical or legal custody of the child to contribute to the costs for the care, custody, and treatment of the child and requirements of a contribution for those costs pursuant to 41-3-446; and

(e) whether another hearing is needed and, if so, the date and time of the next hearing.

(6) The court may consider:

(a) terms and conditions for parental visitation; and

(b) whether orders for examinations, evaluations, counseling, immediate services, or protection are needed.

(7) Following the show cause hearing, the court may enter an order for the relief requested or amend a previous order for immediate protection of the child if one has been entered. The order must be in writing.

(8) If a child who has been removed from the child's home is not returned home after the show cause hearing or if removal is ordered, the parents or parent, guardian, or other person or agency having physical or legal custody of the child named in the petition may request that a citizen review board, if available pursuant to part 10 of this chapter, review the case within 30 days of the show cause hearing and make a recommendation to the district court, as provided in 41-3-1010.

(9) Adjudication of a child as a youth in need of care may be made at the show cause hearing if the requirements of 41-3-437(2) are met. If not made at the show cause hearing, adjudication under 41-3-437 must be made within the time limits required by 41-3-437 unless adjudication occurs earlier by stipulation of the parties pursuant to 41-3-434 and order of the court."
