Insert: "COORDINATION SECTION. Section 7. Coordination instruction. If both House Bill No. 363 and [this act] are passed and approved and if both contain a section that amends 87-5-132, then the sections amending 87-5-132 are void and 87-5-132 must be amended as follows:

"**87-5-132. Use of radio-tracking collars for monitoring wolf packs.** (1) As part of a wolf management plan approved by the department, a radio-tracking collar or a collar that uses global positioning system technology must be attached to at least one wolf in each wolf pack that is active near livestock or near a population center in areas where depredations are chronic or likely.

(2) The department may also implement a monitoring system that is capable of determining and tracking the movement and population of wolf packs as long as the collaring requirements of this section are met. When implementing and operating this monitoring system, the department shall make it a priority to monitor wolf packs that are active near livestock or near a population center in areas where depredations are chronic or likely.

~~(2)(3)~~ (3) The department shall expend only the state and federal funds for wolf management purposes and the portion of money allocated from the wolf management account established in [section 5 of House Bill No. 363] to fulfill the requirements of this section.

~~(3)(4)~~ (4) The department may shall collaborate and cooperate with and may enter into agreements with other state and federal agencies, including the United States department of agriculture wildlife services, to fulfill the requirements of this section."
