However, any of the projects numbered 1 through 30 listed in subsection (3) that have not completed the conditions described in [section 3(1)] by January 1, 2013, must be reviewed by the next regular session of the legislature to determine if the authorized grant should be withdrawn."

However, if a subsequent legislature withdraws funding for any of the projects numbered 1 through 30 listed in subsection (3) or if a project submits a written withdrawal to the department indicating it no longer requires a grant, those funds may be made available to projects numbered 31 through 33 listed in subsection (3) that have completed the conditions described in [section 3(1)]."
