Mr. Chairman, members of the Judiciary committee, I am sorry that my husband and myself are unable to attend the hearing this morning. We would like to thank the sub-committee for their work in d HB360 dealing with passenger accountability when a hit and run occurs. Please give this bill a thumbs up vote in passing this legislation. We feel this would help law enforcement in their efforts to solve hit and run incidences and help victims and the victims' families in dealing with these circumstances.

Thank you again and we ask for your support.

Respectfully submitted,

Russell and Joan Sherman, parents of victim Jami Sherman
