Explanation - With amendments #1 through #4, the definition of "Military affected area" in [section 3(3)] would read:

(3) (a) "Military affected area" means land used for military purposes or in close proximity to military facilities that is directly affected or that will be directly affected by military uses.

(b) The term does not mean an area over which military aircraft operate when no other components of military facilities or military uses exist.

With amendment #6, [section 5(2)] would read:

"(2) Military affected area regulations must be limited to addressing current and known future military uses and may be adopted only to:

(a) ..."
