The Foundation for Educational Choice is a 501(c)(3) nonprofit and nonpartisan organization, solely dedicated to advancing Milton and Rose Friedman's vision of school choice for all children. First established as the Milton and Rose D. Friedman Foundation in 1996, the foundation continues to promote school choice as the most effective and equitable way to improve the quality of K-12 education in America. The foundation is dedicated to research, education, and promotion of the vital issues and implications related to choice in K-12 education.
