Explanation - This amendment restores \$9,606,510 federal low income energy assistance (LIEAP) authority over the biennium to the Human and Community Services Division to ensure adequate authority exists to provide services at the 2011 level. It restores about \$4.8 million each year of the biennium.

The funding supports the department's estimated federal funding for the biennium and would serve an additional 12,600 families over the biennium with home heating costs.
