

Honorable Chairman Jon Sonju and Senate Local Government Committee Members

I fully support SB 117, "The Montana Coordination Act of 2011."

I feel that SB 117 will be beneficial to the people of Montana, as it will result in involvement of local citizens. Currently people feel that they are dis-enfranchised. There are many positive benefits to this bill, but above all, it is a way to return the governance of our great State of Montana to the people.

Thank you for the opportunity to speak with you today.
